Sub: Intimation of 17th Annual General Meeting of RattanIndia Power Limited ("Company"), cut-off date for remote e-voting and closure of Register of members of the Company

Dear Sir/Madam,

Pursuant to Regulation 30 and other applicable regulations of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Schedule III thereto ("Listing Regulations"), we wish to inform that the Seventeenth Annual General Meeting ("AGM") of the members of the Company will be held on **Monday, September 30, 2024 at 02:30 P.M. (IST)** through Video Conferencing ("VC")/Other Audio-Visual Means ("OAVM"), in compliance with applicable MCA and SEBI Circulars ("Circulars").

In compliance with the requirements of Regulation 34 of the Listing Regulations, we enclose hereto the Annual Report of the Company, comprising the Notice of the AGM and Audited Financial Statements (Standalone and Consolidated) for the Financial year 2023-24, along with Board's Report and Auditor's Report thereon and other documents required to be annexed thereto including Business Responsibility & Sustainability Report.

The Annual Report for the financial year 2023-24, is also simultaneously being electronically dispatched to those shareholders whose names appear in the beneficiary data of the shareholders / Register of Members of the Company (for shareholders holding shares in physical form) as on **Friday, August 30, 2024**, at the e-mail addresses registered with the Company or its Registrar and Transfer Agent. The said Annual Report would also be available on the website of the Company i.e. www.rattanindiapower.com.

It may further be noted that pursuant to Section 91 of the Companies Act, 2013 read with Rule 10 of the Companies (Management and Administration) Rule, 2014, as amended and the applicable Listing Regulations that, the Register of members of the Company, shall remain closed from **Tuesday, September 24, 2024, to Monday, September 30, 2024**, (both days inclusive) for the purpose of the AGM.

The Company has fixed **Monday, September 23, 2024**, as the "Cut-off Date" for the purpose of determining the Members eligible to vote on the resolutions set out in the Notice of the AGM, through remote e-voting.

This is for your information and records please.

Thanking you,

Yours faithfully,
For **RattanIndia Power Limited**

NOTES:

- I. Pursuant to General Circular No. 20/2020 dated May 05, 2020, issued by the Ministry of Corporate Affairs (MCA) read together with MCA General Circular No. 14 & 17/2020 dated April 08, 2020 and April 13, 2020 respectively and MCA General Circular No. 09/2023 dated September 25, 2023 and other relevant circulars (“MCA Circulars”) (hereinafter collectively referred to as “the Circulars”), has permitted the holding of the AGM through Video Conferencing (‘VC’)/Other Audio Visual means (‘OAVM’), without the physical presence of the members at a common venue. In compliance with the provisions of the Act, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘Listing Regulations’) SEBI Circular and MCA Circulars, the AGM of the Company is being held through Video Conferencing (‘VC’).
- II. Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 (‘the Act’), relating to the Special Business to be transacted at this Annual General Meeting (‘AGM’) is annexed.
- III. Since this AGM will be held through Video Conferencing (‘VC’) / Other Audio Visual Means (‘OAVM’), (a) Members will not be able to appoint proxies for the meeting, and (b) Attendance Slip & Route Map are not annexed to this Notice. The Route Map is not required to be annexed to this Notice.
- IV. Participation of members through VC/OAVM will be reckoned for the purpose of quorum for the AGM as per Section 103 of the Act.
- V. In terms of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Resolutions for consideration at this AGM will be transacted through remote e-voting (i.e. facility to cast vote prior to the AGM) and also e-voting during the AGM, for which purpose the Board of Directors of the Company (‘the Board’) have engaged the services of Registrar and Transfer Agent of the Company, KFin Technologies Limited (‘KFinTech’ or ‘RTA’). The Board of Directors has appointed Mr. Sanjay Khandelwal (Membership No. FCS 5945) of S. Khandelwal & Co., Practicing Company Secretary, as the Scrutinizer to scrutinize the remote e-voting process and voting during the AGM, in a fair and transparent manner.
- VI. Remote e-voting will commence at 10:00 A.M. on Friday, September 27, 2024, and will end at 5:00 P.M. (IST) on Sunday, September 29, 2024, then remote e-voting will be blocked.
- VII. Voting rights will be reckoned on the paid-up value of shares registered in the name of the Members on Monday, September 23, 2024 (cut-off date). Only those Members whose names are recorded in the Register of Members of the Company or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date will be entitled to cast their votes by remote e-voting or e-voting during the AGM. Those who are not Members on the cut-off date should accordingly treat this Notice as for information purpose only. The Register of Member of the Company shall remain closed from Tuesday, September 24, 2024, to Monday, September 30, 2024, (both days inclusive) for the purpose of AGM.
- VIII. In conformity with the applicable regulatory requirements, the Notice of this AGM and the Report and Accounts 2024 are being sent only through electronic mode to those Members who have registered their e-mail addresses with the Company or with the Depositories.

- IX. Members may note that the Notice and Annual Report 2023-24 will also be available on the Company's website www.rattanindia.com and the websites of the Stock Exchanges where the equity shares of the Company are listed i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and on the website of the Registrar and Transfer Agent of the Company, KFin Technologies Limited ("RTA") at <https://evoting.kfintech.com>.
- X. Members who hold shares in the physical form or who have not registered their e-mail addresses with the Company or with the Depositories and wish to receive the AGM Notice and the Report and Accounts 2024, or participate in the AGM, or cast their votes through remote e-voting or e-voting during the meeting, are required to register their e-mail addresses with the Company's RTA, KFin Technologies Limited at hyperlink einward.ris@kfintech.com.
- XI. The Securities and Exchange Board of India (SEBI) vide its circular no. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated April 20, 2018, with a view to protect the interest of the shareholders, has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN details to the Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form should submit their PAN to the Registrar and Transfer Agent. The Securities and Exchange Board of India (SEBI) vide its circular no. SEBI/HO/MIRSD/DOS3/CIR/P/2019/30 dated February 11, 2019, decided to grant relaxation to Non-residents (NRIs, PIOs, OCIs and foreign nationals) from the requirement to furnish PAN and permit them to transfer equity shares held by them in the Company.
- XII. In case of joint holders, the Members whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM. Corporate Members intending to depute their authorised representatives to attend the Meeting through VC/OVAM are requested to send to the Company a certified true copy of the Board Resolution together with the attested specimen signature of the duly authorized signatory (ies) who are authorized to attend and vote at the Meeting on their behalf.
- XIII. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act and other relevant registers and documents referred in the Notice will be available electronically for inspection by the members during the AGM. All other documents referred to in the Notice will be available for electronic inspection during business hours, by the members from the date of circulation of this Notice up to the date of AGM, without any fee. Members seeking to inspect such documents can send an email to ir_rpl@rattanindia.com.
- XIV. The relevant details of the directors sought to be appointed/reappointed, including their brief resume and the nature of their expertise in specific functional areas, are provided in the explanatory statement and Corporate Governance Report forming part of the Annual Report. Additional information, pursuant to Regulation 36 of the Listing Regulations, in respect of the director seeking appointment/ reappointment at the AGM, has been provided in the Corporate Governance section of the Annual Report.
- XV. As per Regulation 40 of SEBI Listing Regulations, as amended, and vide SEBI Notification No. SEBI/LAD-NRO/ GN/2018/24 dated June 8, 2018 and further amendment through Notification No. SEBI/ LAD-NRO/GN/2018/49 dated November 30, 2018, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of requests received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of members with respect to their portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact Company's RTA, KFin Technologies Limited for assistance in this regard.
- XVI. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit these details to their Depository Participants in case the shares are held by them in electronic form, and to the RTA, KFin Technologies Limited, in case the shares are held in physical form.
- XVII. No transfer of unclaimed/unpaid amounts to the Investor Education and Protection Fund has been made as the Company has not declared any dividends since the date of its incorporation.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") sets out all material facts relating to the business mentioned at Item Nos. 3,4,5 & 6 of the accompanying Notice.

Item no. 3: Approval to the payment of remuneration to Mr. Ajay Kumar Tandon

In the 16th Annual General Meeting of the Company held on September 29, 2023, the members of the Company, granted their approval to the appointment of Mr. Ajay Kumar Tandon (DIN: 07087682), as a Non-Executive Independent Director, for a period of five years.

At the same meeting the members also accorded their approval, inter alia subject to the provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 (the "Listing Regulations") thereof to, the payment of remuneration to Mr. Tandon, including by way of a profit related commission, subject to maximum of INR 26,00,000/- (Rupees Twenty Six Lakhs) per annum, including in particular an approval in terms of Regulation 17 (6) (ca) of the SEBI (LODR) Regulations, to the effect that such remuneration could in the relevant financial year exceed 50% of the aggregate remuneration payable to all non-executive directors, in such financial year.

Further, approval of the shareholders also authorized the Board of Directors, to revise the remuneration payable to Mr. Tandon, subject to compliance with the provisions of the Companies Act, 2013, the Listing Regulations and other applicable laws if any, prescribed or to be prescribed by the Government from time to time, as also any permissions that would be required from any authority or entity, for the purpose.

Accordingly, pursuant to the recommendations of the Nomination and Remuneration Committee, the Board of Directors ("Board") has revised the remuneration payable to Mr. Tandon upto a maximum of INR 30,00,000/- (Rupees Thirty Lakhs) per annum, excluding the sitting fee paid to him for attending the meetings of the Board or any Committee thereof, of which he is a member, for the FY 2024-25 and 2025-26 and the reimbursement of any expenses that may be incurred by him in this regard, as per actuals.

Since the Regulation 17(6)(ca) requires the approval of members by way of special resolution being obtained every year, where the remuneration payable to single non-executive director exceeds 50% of the total remuneration payable to all non-executive independent directors, in any financial year, approval of the members is being sought in terms of the said Regulation, to the payment of the aforementioned revised remuneration payable to Mr. Ajay Kumar Tandon, for the financial year 2024-25 and 2025-26, by way of a Special Resolution set out at item no.3. Your Directors recommend passing of the resolution.

Except Mr. Ajay Kumar Tandon, none of the other Directors or the Key Managerial Persons, or their relatives, are or may be deemed to be concerned or interested in the resolution.

Item Nos. 4 & 5

Appointment of Dr. Virender Singh as an Independent Director of the Company and payment of remuneration to him

The Board of Directors of the Company, upon the recommendations of the Nomination and Remuneration Committee, appointed Dr. Virender Singh (DIN: 05215919) as an Additional Director of the Company on September 3, 2024, and as an Independent Director, for a tenure of five years from the same date (the " Effective Date") pursuant to the provisions of Sections 149, 150, 152 and other applicable provisions if any, of the Companies Act, 2013 (the "Act") read with the rules framed thereunder and Regulation 16 (1)(a) of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 (the "Listing Regulations").

Appointment of Dr. Virender Singh, as aforementioned was subject to the same being approved by the members of the Company in their general meeting in terms of Regulation 17 (1)(C) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Further, since the co-option of Dr. Singh on the Board of Directors of the Company, was as an Additional Director, in terms of Section 161 of the Act, his directorship comes to an end on the date of the 17th Annual General Meeting of the Company, meaning thereby the end of his tenure as an Independent Director as well, unless the members of the Company approve his appointment as a regular director of the Company, not liable to retire by rotation, which would mean continuance of his Independent Directorship, from the Effective Date.

Furthermore, pursuant to and in acceptance of the recommendations of the Nomination and Remuneration Committee, the Board had decided to remunerate Dr. Virender Singh for the services which would be rendered by him to the Company, in his capacity as an Independent Director, upto a maximum of INR 24,00,000/- (Rupees Twenty Four Lakhs) per annum, during his tenure, excluding the sitting fee paid to him for attending the meetings of the Board or any committee thereof, of which he is a member and the reimbursement of any expenses that may be incurred by him in this regard, as per actuals.

This would also require the approval of the members, in terms of Regulation 17 (6) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the necessary.

The aforementioned approvals would be by way of special resolutions. Accordingly, the relevant resolutions have been set out at item nos. 4&5 of the notice, as Special Resolutions and your directors recommend the passing of the same.

In the above context the following may be noted:

- (i) The Company has received a notice from Dr. Virender Singh under Section 160 of the Companies Act, 2013 read with the rules framed thereunder, signifying his candidature for appointment as a regular non rotational director of the Company, which shall mean continuance of his appointment as an Independent Director of the Company, for a period of five years from the Effective Date. The Company has also received from him, a declaration of independence to the effect that he meets the criteria for independence, as laid down under Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements Regulations), 2015 read with Section 149(6) of the Companies Act, 2013 and the rules framed thereunder and the schedule IV to the Companies Act, 2013. The Board is of the opinion that Dr. Singh fulfils the criteria for independence as aforementioned.
- (ii) Dr. Virender Singh (i) is not disqualified from being appointed as a director, in terms of Section 164 of the Companies Act, 2013 and has given his consent to be appointed as a Director of the Company (ii) he is not debarred from accessing the Capital Market and/or restrained from holding position of director in any listed company, in terms of the NSE Circular "Ref No. NSE/CML/ 2018/24 dated June 20, 2018 (iii) he is not required to obtain security clearance from the Ministry of Home Affairs, Government of India before seeking appointment as a director.
- (iii) A brief profile of Dr. Virender Singh, including the nature of his expertise and other relevant information appears in the Corporate Governance Report, which forms a part of the Annual Report.

The terms and conditions of appointment of Dr. Virender Singh as an Independent Director, would be made available for inspection to the Members on sending a request along with their DP/Client ID or Folio No. from their registered e-mail address to the Company at ir_rpl@rattanindia.com

Except Dr. Virender Singh, none of the other Directors or the Key Managerial Persons, or their relatives, are or may be deemed to be concerned or interested in the resolution.

Item No. 6. Ratification of Cost Auditor Remuneration

Rule 14 of the Companies (Audit and Auditors) Rules, 2014 stipulate that the remuneration approved by the board of directors of a Company, upon recommendations of the audit committee thereof, as being payable to a Cost Auditor, appointed for audit of cost records of the Company for any financial year, in compliance with the requirements of Section 148 of the Companies Act, 2013, shall be ratified by the shareholders of the Company in their annual general meeting for such financial year.

Pursuant to the recommendations of the Audit Committee, the Board of Directors of your Company, in its meeting held on May 22, 2024, approved the payment of an amount of INR 50,000/- (Rupees Fifty Thousand) to M/s Nisha Vats & Co. Cost Auditors, appointed as the Cost Auditors of the Company for the financial year 2023-24, for the audit of Cost Records of the Company for said financial year.

Accordingly, in compliance with the requirements of Rule 14 as aforementioned, approval of the members by way of a ratification, is being sought for the remuneration so approved by the Board of Directors, for M/s Nisha Vats & Co. Cost Accountants, by way of an Ordinary Resolution set out at Item no. 5 of the accompanying notice. Your Directors recommend the passing of the said resolution.

None of the Directors or Key Managerial Personnel of the Company, or their relatives, are or may be deemed to be concerned or interested financially or otherwise, in the said resolution.

CHAIRMAN'S MESSAGE

I am immensely delighted and enthralled to present the Annual Report for FY 2023-24, which showcases our sustained operational and financial excellence, as well as our growing perseverance. In FY 2023-24, your Amravati Power Plant recorded its best operational performance to date, particularly evident in the highest-ever income and collections.

Increasing demand due to growing population, momentum in economic activities, and improvement in per capita electricity consumption have set new benchmarks every year. This, coupled with easy access to capital, favorable policy and regulatory initiatives taken by the Government of India, has positively redefined investors' outlook toward the sector, resulting in a capacity addition of approximately 26 GW during FY 2023-24, with total installed capacity reaching around 442 GW as of 31st March 2024. It would not be an overstatement to say that the momentum gained in the past years is only going to increase in the years to come.

In 2022, the Indian economy achieved a significant feat by becoming the 5th largest economy globally after overtaking the United Kingdom. Today, in the backdrop of economic and policy measures, ease of doing business, attractive foreign investments, and robust consumer demand, India is all set to become the 3rd largest economy in the next 2-3 years, surpassing Japan. In FY 2023-24, Real GDP was estimated at 8.2%, compared to the growth rate of 7.0% in FY 2022-23. Nominal GDP witnessed a growth rate of 9.6% in FY 2023-24. Sustained economic development is paramount to achieving the target of making India a USD 5 trillion economy, with a foundation being laid through a massive focus on infrastructure sectors like roads, railways, ports, power, airports, etc., in terms of policy initiatives and access to capital.

Fiscal year 2024 has been a very proud year in terms of our performance, with your 1350 MW Amravati Plant being rated among the top-performing plants not only in the state of Maharashtra but in the entire country. The Amravati Plant ended FY 2024 with an annual availability of 86% and the highest-ever annual Plant Load Factor (PLF) of 82%.

Industry Developments

The Power Sector in the past year has witnessed several transformational changes that have redefined the entire sector. The favorable policy and regulatory initiatives taken by the Government of India have instilled optimism among the stakeholders. The outlook for the power industry's future in India is bullish due to accelerated capacity addition in the renewable space, growth in T&D infrastructure, and access to capital through various financing instruments, resulting in a favorable investment climate.

Historically, power generation has grown manifold since independence, with growth in demand being even higher due to accelerating economic activity, increasing electrification, and rising per-capita usage. This, in turn, led to the country witnessing an all-time high peak power demand of 250 GW on 30th May 2024.

India is on course to becoming the third-largest economy, which will significantly result in a multi-fold increase in energy demand. As per the National Electricity Plan published in May 2023, the projected all-India peak electricity demand is 277.2 GW for the year 2026-27 and 366.4 GW for the year 2031-32.

Along with the peak demand, the base load of the country, which is primarily met by thermal capacity, has also been on an increasing trajectory. This is evident from the fact that the all-India thermal PLF during FY 2023-24 increased to 69.09%, the highest in the past decade. This indicates the critical role played by thermal capacity in meeting the base load amid growing demand in the country. The Government of India has also envisaged the requirement of around 63,900 MW of additional conventional capacity, for 31,880 MW by FY 2026-27 and another 32,080 MW during FY 2027-28 to FY 2031-32. This warrants the development of new thermal capacities from scratch.

I would like to state that the need to add thermal capacity is now well acknowledged. Thermal ordering of 4-5 GW per year is expected in the coming years, and I strongly believe that thermal coal-based power plants will continue to be the backbone of electricity generation in the country. Your Company is set to play a dominant role in India's success story.

Company's performance in fiscal 2023-24 – reaching new heights and setting new benchmarks

The performance of your Company in fiscal year 2023-24 has been a testament to your continued commitment to powering the nation's development and enhancing stakeholders' value. FY 2023-24 has been the best year for your Company, as your Amravati Plant outperformed all its previous records by registering the highest-ever PLF of 82.3%. The plant has continued to be available at more than the normative levels of 85% as required in the Power Purchase Agreements, thereby ensuring the recovery of one hundred percent of its entire capacity charges.

Chairman's Message (contd.)

Backed by strong demand, your Company has started selling 28 MW of surplus power generated from the Amravati Plant, over and above the existing long-term contract with MSEDCL, on the Indian Energy Exchange (IEX), thereby maximizing revenue.

The strong operational performance of your Company and the sale of surplus uncontracted power in IEX resulted in your Company booking revenue of ₹ 3,734 Cr. in FY 2023-24, the highest ever.

The Company has always placed the utmost importance and priority on nurturing trust and strong relationships with stakeholders. Our continuous and proactive engagement with various stakeholders, such as SECL, ensured fuel security with the highest ever receipt of coal rakes totaling 1,645, with a daily average of 4.5 rakes.

Similarly, continuous engagements with MSEDCL resulted in the highest-ever collection of Rs. 4,011 Crore, which also includes the receipt of disputed receivables of Rs. 747 Crore. Based on the favorable judgment from the Hon'ble Supreme Court of India on 27th March 2023, in the long-standing dispute with MSEDCL regarding the recovery of additional costs of procurement of alternative coal and changes in taxes and duties, under which MSEDCL's appeal against the APTEL order was dismissed, your Company received Rs. 553 Cr. of disputed receivables from MSEDCL in FY 2023-24. Your Company continues to pursue the early release of the balance amount.

Your Company also received a favorable order from the Hon'ble Supreme Court of India on 20th April 2023 in the dispute with MSEDCL towards the reimbursement of Evacuation Facility Charges. Pursuant to this order, your Company received the disputed receivable of ₹ 26 Cr. from MSEDCL in FY 2023-24. Additionally, your Company received a favorable order from the Hon'ble APTEL on 6th February 2024 in the matter of compensation for the penalty levied by SECL for short-lifting of FSA coal. Pursuant to this order, your Company received the disputed receivable of ₹ 69 Cr. from MSEDCL. Your Company continues to pursue the early release of the balance amount.

Your Company continually reviews and refines its SOPs and procedures related to plant operations to achieve excellence in performance across key areas related to operational, financial, and business practices, to meaningfully impact the profitability of the Company. Additionally, your Company is also working to make existing processes more robust and resilient to deal with the new normal.

In terms of financial performance, the Company has sustained stellar financial results for the year ended 31st March 2024. RPL ended fiscal 2024 with an EBITDA of ₹ 1,002 Crores.

Backed by exceptional operational performance and recovery of disputed receivables from MSEDCL, pursuant to favorable orders from the Hon'ble Supreme Court and APTEL, the Company has been meeting and successfully servicing its debt obligations (both principal and interest) ahead of schedule. By 30th June 2024, it had repaid ₹ 791.13 Cr. (including principal and interest). For the second consecutive year, the Company made a prepayment of ₹ 348 Cr. This has resulted in the total secured external debt outstanding (principal) reducing to ₹ 437 Cr. as of 30th June 2024.

Conclusion

Lastly, on behalf of the Board, I take this opportunity to thank all our stakeholders—shareholders, customers, vendors, employees, bankers, financial institutions, partners in the Amravati Project, and other partners—for reposing their faith in us and motivating us to excel across all facets of our business. I look forward to your continued support and confidence in the Board of your Company to help us achieve an even better year ahead. I would like to end by reiterating our continued commitment to excellence in everything we do and ensuring maximum value to our shareholders.

Thank you and wishing you all the very best.

1. SECTOR AND POLICY REVIEW

“The Revamped Distribution Sector Scheme” (“RDSS”) launched by the Government of India with the objective of improving the quality and reliability of power supply to consumers through a financially sustainable and operationally efficient Distribution Sector, has an outlay of INR 3,03,758 Crore with a Gross Budgetary Support of INR 97,631 Crore from Government of India over a period of five years from 2021-22 to FY 2025-26. RDSS has universal coverage and is mainly focused on strengthening the sub-transmission and distribution network of project areas for the benefit of consumers. The Central Government in line with its commitment, is further supporting States for electrification of households which were missed out under “SAUBHAGYA”, under the ongoing scheme of Revamped Distribution Sector Scheme (RDSS). In addition, all identified PVTG (Particularly Vulnerable Tribal Groups) Households under “PM-JANMAN” for an on-grid electricity connection shall be eligible for funding under RDSS, as per the scheme guidelines. Under RDSS, a proposal for 4.96 lakh Household electrification works have been sanctioned for the States of Uttar Pradesh, Rajasthan and Andhra Pradesh till date for a cost of INR 813 crores.

Driven by a fast-expanding economy, growing population, fast urbanization and industrialization, India is expected to see the largest increase in demand across any country globally over the next 20 years as per the International Energy Agency (IEA). India has already put in place a robust policy and institutional framework required for meeting its energy requirements and for attracting investments from across the globe in its energy sector. India is now well recovered from the COVID-19 pandemic, with Real GDP in FY 2023-24 estimated at 8.2% compared to the growth rate of 7.0% in FY 2022-23. With the economic activity having rebounded and India on is track to become a five trillion \$ economy, peak power demand for FY 2024 increased by 12.7 percent to 243 GW, with the country registering a record maximum power demand of 250 GW on 31st May 2024.

However, the nation continues to face challenges in ensuring improvements in the financial health of the power sector due to the ailing financial health of its power distribution companies, which are still largely under the control of the Government. In spite of the Government’s best intent to increase competition by de-licensing and opening up India’s distribution sector to wide-scale private participation, the overall sector continues to be highly regulated. In the Power Sector, Independent Power Producers (IPPs) like your Company procure coal from Coal India Limited (a government owned company). Coal transportation is primarily through the Indian Railways (another government owned organization) and electricity generated by the generators is supplied to Discoms (most of which are government owned). Here, supplier of raw material (coal), services (transportation) and the procurers of electricity are directly under Central or State Governments and in effect, act as monopolies in the respective areas.

Over the years, the Government has bailed out DISCOMs numerous times, but the impact on their financial health has been limited due to other deep-rooted problems such as inefficient tariff setting processes, delay in subsidy reimbursements, billing and collection inefficiencies, and poorly targeted subsidies. In the last couple of years, the government has announced several measures to instill financial discipline in DISCOMs – improved cash flows, a streamlined accounting process, differential time-based tariffs, strengthened demand projections and penalties on the non-timely disbursement of subsidies.

The recent amendment to the Electricity (Second Amendment) Rule 2023 aims to improve subsidy payments to DISCOMs by streamlining the accounting, reporting and billing processes. The amendment mandates that regulatory commissions must hike tariffs if state Governments do not reimburse subsidies on time. By implementing a carrot-and-stick approach, the Government hopes to ensure timely and transparent subsidy disbursements.

Moreover, the Government’s decision to implement Time of Day (ToD) tariffs for C&I consumers from 2024 onwards and smart prepaid meters’ installation will not only ease the strain on the grid during peak hours but also encourage responsible electricity consumption patterns and optimize costs. Shifting the power demand from evening to daytime can help reduce tariffs by tapping into solar power, and such measures can promote greater deployment of clean energy. With the help of the July 2023 CEA guidelines on power demand projections, DISCOMs can plan and optimize their operations, resulting in reduced losses and improved efficiency. The implementation of all the above initiatives at the state level can help enhance transparency, efficiency and financial viability in the power sector. It could also attract investments for state-level power sector reforms.

The finance ministry earmarked INR 1.4 trillion (US\$17.3 billion) under additional borrowings in FY24, for states to undertake power sector reforms. This additional financial window depends on states implementing specific reforms, including transparency in the reporting of financials, timely rendition of financial/energy accounts and auditing, providing subsidies through direct benefit transfer (DBT) to consumers and achieving targets for reduction in Aggregate Technical and Commercial (AT&C) losses.

2. INDIA’S FUTURE ELECTRICITY OUTLOOK

Energy demand in India is growing rapidly with major implications for the global energy market. The Government of India has made remarkable progress in providing access to electricity while implementing a range of energy market reforms and integrating a high share of renewable energy sources into the grid thereby turning the country from a power deficit to

Management Discussion and Analysis (contd.)

power surplus one. India, with a population of more than 1.4 billion and a fast growing economy, has seen its energy demand increasing rapidly as the country continues to urbanize and the manufacturing sector develops. As per National Electricity Plan, the power demand would be expected to be around 277 GW in FY 2026-27 and around 366 GW in FY 2031-32. To meet the growing demand, it is expected that around 500 GW of additional capacity is required to be installed by 2032. This growing demand would be met through various energy sources, with around 80% of such additional capacity coming from Renewable Sources like Solar, Wind, etc. India also continues to develop the institutional framework needed to attract the investment required to satisfy this growing energy need.

Industrial and commercial activity account for more than half of India's annual power use. Homes account for a fourth, while agriculture has accounted for over a sixth in recent years. The peak power demand or highest supply in a day reached 243 GW during FY 2023-24 and touching an all-time high of 250 GW on 31st May 2024. The Ministry of Power opined that power consumption and demand will see substantial improvement in 2024-25. As per the projections of the International Energy Agency (IEA), India, in order to meet the anticipated growth in electricity demand over the next twenty years, would need to add a power system the size of the European Union to what it has now. India's ambition to move to a 100% electric mobility ecosystem by 2030 itself is expected to add an additional requirement of 70 terawatt hours of electricity.

As per Central Electricity Authority (CEA) estimates, the electricity generation target (Including RE) for the year 2024-25 has been estimated at 1900 billion Unit (BU). i.e. growth of around 9.3% over actual generation of 1738.828 BU for the previous year (2023-24). The generation during 2023-24 was 1738.828 BU as compared to 1624.465 BU generated during 2022-23, representing a growth of about 7.04%.

3. RISKS AND CONCERNS

The Power Sector, directly or indirectly, impacts almost all sectors contributing to the growth of the nation. Setting up of a power project requires huge capital investments and takes years of concentrated efforts for successful completion and commissioning. Hence, any slowdown in the power sector has a domino effect on overall economic growth of the country. Some of the critical issues impacting the performance of the sector are mentioned below:

3.1. Fuel

India's clean energy transition is advancing; however, coal will stay to boost energy security. Announcements for coal sector for some brownfield expansion projects, delays in retirements or even lifetime extension plans for old thermal plants, and liquidation or revival of part of stalled private sector projects is on the cards. As per the National Electricity Plan published in May'23, Government of India has also envisaged the requirement of around 63,960 MW of additional Conventional Capacity with requirement of 31,880 MW till FY 2026-27 and another 32,080 MW during FY 2027-28 to FY 2031-32. Discoms like MSEDCL have already issued the tender for procurement of Thermal Power on long term basis. Securing fuel for existing and future thermal capacity is the top priority to respond to short-term challenges, while implementing reforms is on the long-term transition agenda. India's coal production to increase, however, import dependence may also continue in the power sector to fulfil the rising demand in 2024.

Coal based power generation has registered a growth of 9.40% in Mar'24 as compared to Mar'23 and overall power generation in Mar'24 has been 8.28% higher than the power generated in Mar'23. In order to ensure a continuous supply of coal to the power plants and meet any contingent situations relating to Power Sector including alleviating critical coal stock position in power plants, an inter-ministerial sub-group comprising of representatives from the power ministry, coal ministry, railway ministry, Central Electricity Authority (CEA), Coal India Limited (CIL) and its subsidiaries meet regularly. Besides, an Inter-Ministerial Committee (IMC) has also been constituted comprising of railway board chairman; the secretary ministry of coal, the secretary, ministry of environment, forest and climate change and the secretary, ministry of power; to monitor augmentation of coal supply and power generation capacity.

Although in line with NDC goals and commitments made in its Panchamrit declaration at COP 26, India will push for renewable/non-fossil based energy but share of coal in the energy basket is going to remain significant in foreseeable future. Coal demand is yet to peak. The draft Economic Survey 2021-22 projects coal demand in the range of 1.3-1.5 billion tonnes by 2030, an increase of 63 percent from the current demand. As per one of the assessments of NITI Aayog, although there may be 10% drop in share of Coal in Primary energy supply in 2035 (BAU) but quantum of coal demand may rise 1.40 time due to increased energy demand driven by rising economy. India's overall coal Production has seen a quantum jump to 997.25 MT in FY 2023-24 as compared to 730.87 MT in FY 2019-2020 with an overall growth of about 36.4%. The overall coal production in FY 2023-24 witnessed a signification jump of around 12% w.r.t. FY 2022-23. The growth in production of Coal by Coal India Limited (CIL) during this period has been impressive around 10%. The priority of the Ministry is to enhance domestic coal production to reduce the dependence on substitutable

coal imports. In the last 5 years, the production of CIL has increased to 773.64 MT (Million tonnes) in FY 2023-24 as compared to 602.13 MT in FY 2019-2020 with a growth of 28.5%.

While currently, CIL is expected to supply only 75% of the coal quantity committed under the Fuel Supply Agreements to generators, forcing power generators to source balance coal from costly alternate sources, your plant currently has been able to source the balance 25% from SECL through road mode. Furthermore, your company has been able to get 20% additional coal, over and above the monthly scheduled quantity, from SECL through RCR mode since February 2023 and continues to get this on monthly basis. This will further enhance the availability of the Plant for the next fiscal 2025.

3.2. Growth of transmission network and evolving framework for transmission access to support future growth and integration of renewable energy

The Indian power transmission segment has grown significantly over the years, making the country's electricity grid one of the largest synchronous grids in the world, facilitated seamless transfer of electricity from power-surplus regions to power deficit regions, thereby meeting the growing needs of consumers. With India targeting to meet its COP-26 goal to achieve Renewable Energy installed capacity of 500 GW and to reach 50% of its cumulative installed capacity from clean sources by 2030, significant expansion and strengthening of the interstate transmission system (ISTS) will be required.

One of the most significant policy and reform initiatives taken by the Central Government to enhance non-discriminatory access to the country's transmission network is the introduction of the General Network Access (GNA) through the Electricity (Transmission System Planning, Development and Recovery of Inter-State Transmission Charges) Rules, 2021, notified on 01 October 2021. GNA allows non-discriminatory access to the Inter-State Transmission System (ISTS), as requested by a designated interstate customer and granted by the central transmission utility (CTU) for a maximum injection or drawl in mega-watts and for a specific period. A transition to GNA would provide the much-needed flexibility to entities in purchasing electricity under contracts of varying durations without the limitations of ISTS network availability. For generators too, there will be enhanced flexibility in sales since target beneficiaries will not have to be specified.

In addition, with an aim to enhance the transparency of the CTU in its role as an independent body as envisaged under the Act, it has been separated from POWERGRID in order to provide greater transparency and a level-playing field between PGCIL and other private transmission players under the TBCB framework.

In addition, the Govt. is now pushing for several interconnections between India and its neighbouring states of Nepal, Bangladesh and Sri Lanka.

Recently, the Central Electricity Authority (CEA) released a key transmission planning study – the draft National Electricity Plan (NEP) for Transmission – which outlines the perspective transmission network plan for the country. It estimates that 123,577 ckt. km of transmission lines and 710,940 MVA of transformation capacity (at 220 kV and above voltage levels) need to be added during the period 2022-27. Besides this, reactive compensation has been recognized as one of the focus areas for maintaining grid stability amidst the growing renewable energy integration. Overall, the expansion and strengthening of transmission systems will entail an estimated investment of INR 4.75 trillion during 2022-27. The draft NEP estimates that a transmission line length of 123,577 ckt. km and transformation capacity addition of 710,940 MVA (at 220 kV and above voltage levels) are required during 2022-27. For the inter-state transmission system, 426,675 MVA of transformation capacity and 53,132 ckt. km of transmission line length is required, while at the intrastate level, 284,265 MVA and 70,445 ckt. km is required respectively. At the inter-regional level, by the end of 2026-27, 143,850 MW of transfer capacity will be required, against the aggregate interregional transmission capacity of 112,250 MW in 2021-22.

3.3. Financial health of state Discoms and Government support

Poor financial health and financial viability of the Discoms continue to be the major faced by power producers. Most Discoms continue to make major losses as a result of poor and archaic network infrastructure, inefficient operations and expensive long term power purchase agreements. This has resulted in Discoms' growing inability to pay power generators on time, thereby in turn endangering the financial health of the generators and their lenders, keeping them tottering on the brink of slipping back into stress.

Aggregate Technical and Commercial Loss (AT&C Loss) and ACS-ARR Gap are key indicators of DISCOM performance. In FY 2022-23, the AT&C Losses for the discoms have come down to 15.40% from 22.62% in FY 2013-14. However, the ACS-ARR Gap remained high at 55 paise/kWh due to power cost not being fully passed on to consumers by the Regulators.

Management Discussion and Analysis (contd.)

The decline of 7.22% in AT&C losses during the period DY 2013-14 to FY 2022-23 is the result of a number of initiatives taken by the Ministry of Power. The Central Government has approved a Revamped Distribution Sector Scheme- a Reforms-based and Results-linked Scheme with an outlay of INR 3,03,758 crore over a period of five years from FY 2021-22 to FY 2025-26 with the objective to improve the quality, reliability and affordability of power supply to consumers through a financially sustainable and operationally efficient distribution sector. The Scheme aims to reduce the AT&C losses to pan-India levels of 12-15% and ACS-ARR gap to zero by 2024-25 by improving the operational efficiencies and financial sustainability of all DISCOMs.

Power Departments excluding Private Sector DISCOMs. Apart from RDSS, other decisive measures such as late payment surcharge rules, prudential lending norms by Power Finance Corporation (PFC) and REC etc. also have helped in loss reduction.

3.4. Distribution Reforms

The Distribution Sector continues to be the sticky pain point for the entire power sector value chain. The Government has done remarkably well in ensuring one hundred percent electrification of households under its flagship SAUBHAGYA program in the past few years – the impact of which is now being felt in terms of increased domestic demand for electricity.

The Govt. of India, with an intent to improve the performance of distribution, had released the plan to privatize the distribution business in 8 Union Territories in 2020 as part of the fourth tranche of INR 20 trillion stimulus packages announced to address the economic fallout of the pandemic. Of these, 3 Union Territories have already been awarded to the selected private bidders.

However, the impending changes to the Electricity Act 2003, proposed to be brought in through the Electricity (Amendment) Bill, 2021, still remains to see the light of day. This draft Bill proposes bringing in de-licensing of the distribution business which is expected to improve performance through competition and offer customers choices in choosing their preferred electricity supplier.

This, along with the Revamped Distribution Sector Scheme announced by the Cabinet in June 2021 (which aims to bring down Aggregate Techno-Commercial Losses to 12-15% and reduce the gap between Average Cost of Supply and Average Revenue Realization to 0% by 2024-25), is expected to largely address the current inefficiencies and problems being faced by the distribution sector. Implementation of smart prepaid meters is shall also ensure that the AT&C losses of discoms come down to single-digit and achieve collection efficiency nearing 100%.

3.5. Delays in resolution of disputed receivables from Discoms by generators

The Company too has been continuously striving and leaving no stone unturned to secure its admitted dues to the tune of around INR 1,450 Crores, locked up in disputes. The last few years have seen the issue of disputed receivables, especially on account of recovery of costs related to mandatory charges incurred towards washing of coal (mandated by changes notified by the Ministry of Environment, Forests and Climate Change) and towards compensation for procurement of alternate coal on account of Coal India's failure to meet committed delivery quantity under Fuel Supply Agreements (FSA) through Change in Law for projects supplying power under tariff based competitively bid PPAs like that of your Company, has been a major cause for financial stress and delayed recoveries of just receivables from Discoms. However, on account of certain favourable orders from Hon'ble Supreme Court and APTEL, the company has witnessed a traction towards recovery of disputed receivables. As a result, in FY 2023-24, the Company has recovered the disputed receivables of INR 747 Crores.

Based on the favourable judgement from the Hon'ble Supreme court of India on 27th March 2023 in the long-standing dispute with MSEDCL, regarding recovery of additional costs of procurement of alternative coal and changes in taxes & duties, under which the appeal of MSEDCL against the APTEL order was dismissed, your Company has received INR 553 Crores of disputed receivables from MSEDCL in FY 23-24. Your Company continues to pursue for early release of the balance amount.

Your Company also received a favourable order from the Hon'ble Supreme Court of India on 20th April 2023 in the dispute with MSEDCL, towards the reimbursement of Evacuation Facility Charges. Pursuant to this order, Your Company received the disputed receivable of INR 26 Crores from MSEDCL in FY 23-24. Your Company received the favourable order from Hon'ble APTEL on 06th February 2024 in the matter of compensation of Penalty levied by SECL for Shortlifting of FSA Coal. Pursuant to this order, Your Company received the disputed receivable of INR 69 Crores from MSEDCL. Your Company continues to pursue for early release of the balance amount.

The Company continues to constantly pursue and follow up in case of the other outstanding disputed receivables and is hopeful, that with the proposed strengthening of the regulatory mechanism and the institutional framework under the proposed Electricity (Amendment) Bill, 2021, hopefully, a large part of this issue of delay would now be addressed.

4. BUSINESS REVIEW

Equipped with state-of-the-art machinery and experienced manpower, your Company is well poised to tackle the challenges that the sector is facing currently. In terms of PLF, your Amravati Power Plant is among the top 10 best performing plants not only in Maharashtra but also in India. Amravati thermal power plant has a long-term arrangement for supply of 1,200 MW to the Maharashtra State Electricity Distribution Company Ltd (MSEDCL) and has been a critical element in ensuring energy security in the state.

Your Amravati Plant in FY 2023-24, remained available to supply at above 85% plant availability in line with the provisions of the PPA. Your Company also managed to secure a favourable order from the Maharashtra Electricity Regulatory Commission (MERC) on 31 December 2020, which has made the plant significantly competitive in the State Merit Order Schedule, and as a result, ended the financial year FY 2023-24 with an highest ever plant load factor (PLF) of 82.3%. Amravati plant would continue to be extremely competitive, resulting in higher PLF going forward and contributing to the Nation's development by providing reliable, cost-effective and efficient base load supply.

Your Company is also undertaking a holistic and organization wide transformation exercise to achieve excellence in performance under key areas related to operational, financial and business, in order to have a meaningful impact on the profitability of the Company.

Your Company, based on the favourable judgement from the Hon'ble Supreme court of India on 27th March 2023 in the long-standing dispute with MSEDCL, regarding recovery of additional costs of procurement of alternative coal and changes in taxes & duties, under which the appeal of MSEDCL against the APTEL order was dismissed, received INR 553 Cr. of disputed receivables from MSEDCL. Your Company continues to pursue for early release of the balance amount.

Your Company also received a favourable order from the Hon'ble Supreme Court of India on 20th April 2023 in the dispute with MSEDCL, towards the reimbursement of Evacuation Facility Charges. Pursuant to this order, Your Company received the disputed receivable of INR 26 Crores from MSEDCL. Your Company received the favourable order from Hon'ble APTEL on 06th February 2024 in the matter of compensation of Penalty levied by SECL for Shortlifting of FSA Coal. Pursuant to this order, Your Company received the disputed receivable of INR 69 Crores from MSEDCL. Your Company continues to pursue for early release of the balance amount.

Your Company continues to constantly review and tweak its SOPs and procedures related to plant operation, on a regular basis to achieve excellence in performance under key areas related to operational, financial and business, in order to have a meaningful impact on the profitability of the Company. Apart from the above, your Company is also working to make the existing processes more robust and resilient to deal with the new normal.

Apart from the above, your Company is also working to make the existing processes more robust and resilient to deal with the new normal. The Company ended the year 2023-24 with an EBITDA of INR 1,002 Crores and Profit Before Tax (PBT) of INR 196.87 Crores.

In addition to this, your Company continues to strive to improve its margins on a regular basis. The management of your Company continues to leave no stone unturned towards resolving the current stress in Sinnar Thermal Power Limited and is in active discussion with lenders and other stakeholders.

5. COMPETITIVE STRENGTHS

Your company has following competitive strengths which will enable it to achieve a strong position in the Power Sector:

5.1. Statutory and Non-statutory Clearances

Your Company has secured all major required clearances necessary for successful operations of the Amravati Thermal Power Project and complying with all statutory requirements of the clearances.

For the Amravati Thermal Power Project, the Company has taken 1,350 acres of land on lease from Maharashtra Industrial Development Corporation (MIDC), signed a Fuel Supply Agreement (FSA) for 6.10 MTPA coal with South-Eastern Coalfields Limited (SECL), obtained 87.6 million cubic meter water allocation from upper Wardha dam from Vidarbha Irrigation Development Corporation and has secured the consent to operate from Maharashtra State Pollution Control Board.

Management Discussion and Analysis (contd.)

5.2. Power Purchase Agreement

Amravati thermal power project has a 1,200 MW PPA with MSEDCL for period of 25 years from the date of commercial operation and has been successfully supplying power to MSEDCL for over 10 years now. This PPA has a provision for further extension of term based on mutual agreement between the parties. The Power plant is supplying power generated from this power plant to MSEDCL at pre-determined tariffs, as part of a Case-1 bidding framework initiated by MSEDCL.

5.3. Fuel Security

Your Company has Fuel Supply Agreements (FSA) with Coal Companies, supplying coal at prices notified by the Ministry of Coal, covering the entire requirement for operating the plant at normative PLF. This puts your Company in a very strong competitive position as compared to the present mechanism wherein coal linkages are granted through e-auction process where bidders either offer premium over notified prices of coal or offer discount on the tariff for supply of power under PPA. In fact, your Company has been successful in enhancing its fuel linkage from the coal company by 20% beyond monthly scheduled quantity thereby enhancing long term fuel security for the Project and reducing dependence on competitively auctioned / imported coal.

5.4. Execution Team

One of the key strengths of your company is the team of experts who have vast experience of constructing, commissioning and operating large power projects. Senior management people of the Company comprise of an excellent balance of leaders and experts with experience in both the private and public sectors, including senior and experienced people from Navratna Companies of the country - like NTPC, BHEL, to name a few, who have vast experience in the implementation and operation of thermal power projects. This team is capable of addressing the challenges currently being faced by thermal power projects in the country.

6. STRATEGY

The key elements of the Company's strategy include:

6.1. Capitalizing on the opportunities in Indian power generation sector

Your Company has planned significant long-term initiatives to capitalize on the huge potential presented by the Indian power sector. With a growing economy, there will be increase in electricity demand and therefore, significant investment will be required in generation, transmission and distribution to fulfil this demand and fulfil Government of India's ambitious target of providing "Power for All". The Company already has the expertise and ability to raise capital and execute large scale power projects to reap the benefits of growth in the sector.

6.2. Leveraging of project execution and operating skills

Your Company has a young and dynamic leadership team with diversified experience across operations, finance and business-related areas and constantly strives to achieve excellence in their core areas of operations. We have hired leaders and project managers with the ability and skill sets to drive business to new heights.

6.3. Ensuring fuel security

Your Company has adequate coal linkages/FSA with Coal India Limited to ensure a steady supply of coal to fire the power plants. In this regard, the Company was successful in enhancing its long-term fuel supply arrangement with the coal company, increasing its monthly allocation by 20% beyond monthly scheduled quantity for February and March 2023, minimizing the requirement to secure additional coal supplies to meet demand. In FY 2023-24 also, the Company has been able to secure additional coal supplies beyond the month scheduled quantity as per FSA. In FY 2023-24, your Company achieved the highest ever receipt of coal rakes totaling 1645, with a daily average of 4.5 rakes.

The Company also continues to actively evaluate opportunities available for securing coal blocks for mining of coal for captive use under the auction process for commercial mining, which will ensure long-term self-sufficiency in fuel for the Project and minimize associated costs.

6.4. Operating power plant at high availability:

It is vital that a power station has a high plant availability factor (PAF), which in turn translates to a higher Plant Load Factor (PLF). Unplanned outages can result in a loss of revenue. Your Company has in place a team of very experienced and skilled O&M experts to run its power plants smoothly with the highest possible availability. As a result, even due to the shortage of coal supply from Coal India Limited and rakes availability from railways, Amravati Plant put in place a

comprehensive risk mitigation framework to address the same, ensuring an annual availability of 85.85% and highest ever plant load factor of 82.29% during FY 2023-24.

6.4. Sale of uncontracted power in Indian Energy exchange:

Backed by the strong demand, your company has started selling 28 MW surplus power generated from Amravati Plant, over and above the existing long-term contract with MSEDCCL in Indian Energy Exchange (IEX) thereby maximizing the revenue. Your company has also secured the coal from Open Market and under Shakti Schemes for generation of additional of this 28 MW power.

6.6. Climate Change:

The Company is sensitive about the climate change initiatives implemented worldwide as well as in our country and to contribute to the novel cause, company has adopted the best-available technologies at our power plant to ensure efficient operations.

7. HUMAN RESOURCES

Your Company's human resource policy provides an environment that motivates its employees to realize their full potential.

Your Company respects each employee and motivates them by offering opportunities based on their skill sets, and in the process, builds mutually benefiting relations between the Company and its employees. Your Company has put in place a policy that not only increases productivity but also increases job satisfaction of its employees.

Your Company has put in place a recruitment system in the organization wherein right candidates with the right skills are recruited. Your company has established systems which aim to provide training to employees at every level of the organization that leads to quality work output in their assigned work, in turn helping in improving the bottom-line of your Company.

In addition to this, proper remuneration, regular appraisal, and development opportunities provided to the employees have enabled your Company to achieve its goal in a highly competitive market. Your Company believes that its employees are most productive when they have a good work-life balance to enable them to meet their responsibilities outside work and minimizes employee turnover. The total number of permanent employees as on 31st March 2024 was 526.

8. CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility Policy (CSR Policy) was framed in the year 2014 and a Corporate Social Responsibility Committee, comprising members from the Board of Directors of the company was constituted. The Committee is entrusted with the responsibility of effectuating and operationalizing the CSR Policy of the Company.

As part of these efforts, the Company continues to engage with the local community at its Plant site and undertake initiatives from time to time in this regard.

9. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a system of internal controls commensurate with the nature and size of its operations, which effectively and adequately encompasses every facet of its operations and functional areas.

The system involves a compliance management team with established policies, norms and practices as also the applicable statutes and rules and regulations, with an inbuilt system of checks and balances, so that appropriate and immediate corrective actions are initiated in right earnest in the event of any deviations from the stipulated standards and parameters.

The effectiveness and deliverability of the internal control systems are reviewed periodically so that measures, if any, needed for strengthening the same can be taken, with the changing business needs of the Company. The Company continues to regularly review its systems, processes and controls on an on-going basis, comparing and aligning them with the industry's best practices.

10. PERFORMANCE HIGHLIGHTS

10.1 Operational Performance:

During FY 2023-24, the coal production and supply of CIL has been significantly increased and RPL has received 1,645 coal rakes from SECL, which is the highest ever. Abundant coal supply coupled with the ever-increasing demand of power enabled Amravati Thermal Power Project achieved an annual plant availability of 85.85% and the highest ever Plant Load Factor (PLF) of 82.29% as against the previous year's availability of 81.35% and PLF of 77.18% respectively. As a result, the Company not only realize its entire fixed charges through tariff as per the provisions of the PPA but also

Management Discussion and Analysis (contd.)

booked the highest ever revenue of INR 3,734 Crore in FY 2023-24. Going forward, backed by strong fuel supply and power demand, we are confident that the Amravati Plant would continue to be competitive in the MOD and demonstrate comparatively higher PLFs.

The Company sold 8,994.50 million units (MU) of electricity to MSEDCL during the financial year FY 2023-24 under its long term PPA, compared to 8,422.16 million units in the previous fiscal. The company from Jan'24 has also started selling the surplus uncontracted capacity of 28 MW in Indian Energy Exchange on short term basis. During the fiscal year 2023-24, the Company has exported 9.52 million units of power in Indian Energy Exchange.

10.2 Financial Performance:

Particulars	FY 2022-23	FY 2021-22	FY 2020-21
Generation Sales (MU)	9,004	8,422	8,157
Net Sales (INR Crore)	3,364	3,231	3,260

11. SIGNIFICANT CHANGES DURING THE YEAR

During the Year under review, there were following changes in the Key Financial Ratios:

S. No.	Ratio	Formula			Remarks
			FY 2023-24	FY 2022-23	
1	Debtors' Turnover	Revenue/ Average trade receivables	1.48	1.29	Due to increase in collections
2	Inventory Turnover	Cost of material consumed/ Average value of inventory	13.51	17.57	Due to increase in average inventory level
3	Interest Coverage Ratio	Earnings before interest and tax/ Interest Expense	1.35	1.66	Due to decrease in profits
4	Current Ratio	Current assets/ Current liabilities	2.28	1.53	Due to shift in classification of borrowings from short term to long term on account of refinancing
5	Debt Equity Ratio equity	Total debt/ Shareholder's equity	0.77	0.69	Due to repayment of borrowings
6	Operating Profit Margin (%)	Earnings before interest and tax/ total Revenue	22.72%	27.43%	Due to decrease in profits
7	Net Profit Margin (%)	Net profit/ Revenue	-30.56%	10.30%	Due to write off investment & loan as exceptional item
8	Return on Networth (%)	Net profits after taxes/ Average shareholder's equity	-20.18%	6.11%	Due to write off investment & loan as exceptional item

Further please refer to note 46 of financial statements also.

12. DETAILS OF CHANGE IN RETURN OR NETWORTH AS ON MARCH 31, 2024

Return on net worth has been decreased to -20.18% from 6.11% due to write off investment & loan as exceptional item.

Dear Shareholders,

Your Directors present to you the Seventeenth Annual Report and the Audited Statement of Accounts of the Company, for year ended March 31, 2024.

TRANSFER TO RESERVE

Due to non-availability of profits for any appropriation, no amount has been transferred to Reserves for the financial year 2023-24.

DIVIDEND

No dividend has been recommended for the financial year 2023-2024. The "Dividend Distribution Policy" formulated in terms of and pursuant to the Regulation 43A of the Listing Regulations, forms a part of the Annual Report and is available on the website of the Company at <chrome-extension://efaidnbmnnnibpcajpcglclefindmkaj/https://www.rattanindiapower.com/wp-content/uploads/2022/08/dividend-distribution-policy.pdf>

COMPANY PERFORMANCE

The Company continued to demonstrate strong financial performance on a standalone basis for the financial year ended March 31, 2024 and posted a total income of INR 3,734 Crore and EBITDA of INR 1,002 Crore. On a consolidated basis the Company has posted a post tax profit (after exceptional item), of INR 8,897 Crore.

The Amravati Plant has been reporting a steady financial performance since its commissioning in the year 2015 and has in fact been a significant turnaround story since the debt restructuring of the Company in the year 2019.

In financial year 2023-24, Amravati plant of the Company achieved record milestone of highest ever PLF of 82.29%, receipt and uploading of highest ever coal rakes (1,645 nos. i.e. daily average of 4.5 rakes), highest ever collection of INR 4,011 Crore and highest ever total income of INR 3,734 Crore, since its commissioning in March 2015.

The table set out below, gives a bird's eye view of the financial performance of the plant, since its commissioning:

Year	Total Revenue (₹ Crore)	EBITDA (₹ Crore)
FY 2016	2,640	1,281 [#]
FY 2017	1,504	1,116 [#]
FY 2018	2,239	1,100 [#]
FY 2019	2,089	1,105 [#]
FY 2020*	1,994	3,480
FY 2021	2,176	988
FY 2022	3,613	1,161
FY 2023	3,581	1,108
FY 2024	3,734	1,002

computed as per IGAAP.

* includes impact of OTS

The Company has, after obtaining the requisite approvals, also initiated the sale of surplus power of 28MW in the open market through Indian Electricity Exchange, from January 15, 2024 onwards.

Another highly laudable aspect of the performance of the Company has been the continued timely servicing of its external debt obligations, having paid off INR 4,060 Crore (principal and interest) since January 2020. As on March 31, 2024, the principal outstanding of the said external debt stands at ₹ 522 cores.

There was no change in the nature of business and Company concentrated on its own business and its growth.

ANNUAL EVALUATION OF PERFORMANCE OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

The annual evaluation process of the Board of Directors, individual Directors and various Board Committees was conducted in accordance with the provisions of the Companies Act, 2013 and the Listing Regulations.

In compliance with the requirements of Regulation 17(10) of the Listing Regulations, performance of the Independent Directors was evaluated by the entire Board of Directors, based on the inputs received from the Chairman of the Board and all other directors on the Board, independent or non-independent, except the Independent Director concerned, whose performance was being evaluated. The areas covered in such evaluation were:

- (a) performance of the concerned Independent Director;
- (b) fulfilment by him/ her, of the criteria for independence as laid down in the Listing Regulations and under the Act and the concerned director's independence from the management

Furthermore, in compliance with the requirements of Regulation 25(4) of the Listing Regulations, the performance of, the Board as a whole, the non-independent Directors and the Chairman of the Company and the Board, was evaluated by the Independent Directors. The areas majorly covered in the evaluation were:

- (a) performance of non-independent directors and the Board of Directors as a whole;
- (b) performance of the Chairman, taking into account the views of executive directors and non-executive directors;
- (c) assessment of the quality, quantity and timeliness of flow of information between the management and the Board of Directors of the Company, necessary for the Board of Directors to effectively and reasonably perform its duties.

In the process of evaluation, views were sought from all directors, executive or non-executive, independent or non-independent and duly taken into account.

Performance evaluation of various Board Committees was undertaken by the entire Board.

MEETINGS OF THE BOARD OF DIRECTORS

During the year under review 8 meetings of the Board of Directors of the Company were held. The details as to the dates of such meetings and the attendance of various directors of the Company thereat, have been provided in the Corporate Governance Report, which forms a part of the Annual Report.

Additionally, a meeting of the Independent directors of the Company was held on May 4, 2023, with the participation of all Independent Directors of the Company as on such date, at the meeting.

CORPORATE SOCIAL RESPONSIBILITY

In compliance with the requirements of the Companies Act, 2013, the Company has in place, a well-defined and well structured, Corporate Social Responsibility Policy (CSR Policy), as drawn up by the Corporate Social Responsibility Committee ("CSR Committee") and approved by the Board.

The CSR Committee of the Company as on March 31, 2024, consisted of three directors namely Mr. Ajay Kumar Tandon and Mr. Sanjiv Chhikara both Independent Directors, and Mr. Himanshu Mathur, Whole Time Director. Mr. Ajay Tandon is also the Chairman of the Committee. The Committee has been formed with the objective of implementing and monitoring the CSR Policy of the Company under the control and supervision of the Board of Directors.

The CSR Policy of the Company lays down the various causes to which the Company would be making its CSR contributions, towards effectuation of the policy.

The Company was not statutorily required to make any contributions, towards CSR, during the year under review, for the reasons that the average of three financial years immediately preceding the financial year 2023-24, is a net loss.

However, the Company has all the intentions of fulfilling this important social responsibility, once the financial conditions permit.

The CSR Policy of the Company has been uploaded on the website of the Company and is available at the link: <https://www.rattanindiapower.com/rpl/csr-policy/>. However the salient features of the Policy can be summed up as contributions of the Company towards the CSR objectives as set out therein, such objectives being in consonance with Schedule VII to the Companies Act, 2013 with immediate concentration being on the local area around the sites of operations, subsequently followed by a wider spread.

The Annual report on CSR forms a part of this Board Report and is annexed hereto as **Annexure-A**.

CONTRACTS AND ARRANGEMENTS WITH RELATED PARTIES

The contracts or arrangements falling within the purview of Section 188 of the Companies Act, 2013 read with Rules 6A and 15 of the Companies (Meetings of Board and its Powers) Rules, 2014, as entered into, with the various Related Parties, were at an arm's length and in the ordinary course of business of the Company. STATUTORY AUDITORS & AUDITORS' REPORT

M/s. Walker Chandio & Co LLP, Chartered Accountants (Registration no.: 001076N/N500013), Statutory Auditors of the Company, who were reappointed as the Statutory Auditors of the Company for a second term of five financial years from FY 2021-22 to FY 2025-26, in the 14th Annual General Meeting of the Company held on September 21, 2022, continued to hold the said office for the financial year 2023-24 and furnished their report dated May 22, 2024 on the audited financial statements of the Company (Standalone and Consolidated), for the Financial year 2023-24 (Auditor's Report).

The Auditors Report on the audited Consolidated Financial Statements of the Company for the financial year 2023-24, contains certain observations/ qualifications.

The Auditors have in their Report on the Consolidated Financial Statements of the Company for the financial year 2023-24, commented on the derecognition of the assets and liabilities of Sinnar Thermal Power Limited (STPL) an erstwhile wholly owned subsidiary of the Company, on account of reinitiation of Corporate Insolvency process against with effect from January 19, 2024, under the Insolvency and Bankruptcy Code 2016 (IBC), consequent to which STPL ceased to be a subsidiary of the Company with effect from the said date, resulting in a net gain of ₹ 10,658.88 crores, consequent to accounting for loss in control, which has been presented as an 'exceptional item' in the Consolidated financial statements of the Company

In their Report the Auditors have stated that the liabilities so derecognized included the following:

- (a) the balances amounting to INR 6652.38 crores as on December 31, 2023, in respect whereof of balance confirmations had not been received from the lenders of STPL
- (b) in case of certain lenders, the outstanding balance of borrowings and accrued interest, confirmed by the lenders as compared to the outstanding balance as per books as at 31 December 2023 was higher by INR 379.99 crores and INR 396.22 crores respectively.

In this regard the Auditors have opined that in the absence of or difference in balance confirmations as aforementioned, they were unable to comment on the adjustments, if any, that could further be required to be made to the aforesaid liabilities relating to STPL as on 31 December 2023 and such balances de-recognized as at 18 January 2024, in the Consolidated Financial Statements and the consequential impact, if any, the same would have on the 'Gain on loss of control' of the subsidiary recorded during the financial year 2023-24.

The text of the "Qualified Opinion" on the Consolidated Financial Statement of the Company for the Financial Year 2023-24, is reproduced below:

"As stated in Note 5 to the accompanying Statement, pursuant to the re-initiation of Corporate Insolvency Resolution Process ('CIRP') against Sinnar Thermal Power Limited (STPL), an erstwhile wholly owned subsidiary of the Holding Company, under the Insolvency and Bankruptcy Code, 2016 (IBC), STPL has ceased to be a subsidiary of the Company with effect from 19 January 2024.

Consequently, the assets and liabilities of STPL have been de-recognized at their respective carrying values as at 18 January 2024 in accordance with the requirements of Ind AS 110 - Consolidated Financial Statements and the said accounting for loss of control has resulted in a net gain of ₹ 10,658.88 crores, that has been presented as an 'exceptional item' in the accompanying Consolidated Statement.

As further described in the said note, STPL's other current financial liabilities as at 18 January 2024 de-recognized as above, included balances amounting to INR 6652.38 crores, in respect of which confirmation from the respective lenders were not received for balances as at 31 December 2023, while in case of certain lenders, the balance of borrowings and accrued interest confirmed by the lenders as compared to balance as per books as at 31 December 2023, was higher by ₹ 379.99 crores and ₹ 396.22 crores respectively.

In view of above matters, we are unable to comment on the adjustments, if any, that may further be required to be made to the aforesaid liabilities relating to STPL, as on 31 December 2023 and such balances de-recognised as at 18 January 2024 in the accompanying Statement for the year ended 31 March 2024, with a consequential impact thereof on the 'Gain on loss of control' of the subsidiary recorded during the year as mentioned above

Our audit report for the year ended 31 March 2023 and review report for the quarter and period ended 31 December 2023 were also qualified with respect to balance confirmations from lenders."

Response to the Qualification

In response to the above qualification it has been explained by the Management that with regard to the balances as aforementioned, as on December 31, 2023, for which (a) either no confirmations had been received from the lenders of STPL or (b) the balances as confirmed by the lenders with regard to the current borrowings and interest thereon, were higher than the balances as appearing in the books of STPL, it had provided for interest (including the penal interest), based on the interest rate as specified in the respective loan agreements with / sanction letters issued by, or latest communication available from the lenders, such interest having been computed on the outstanding balances of the loans appearing in the books and records of STPL

The text of the response from the management as appearing in the "Statement on Impact of Audit Qualifications" submitted to NSE and BSE, along with the Auditors Reports on the Standalone and Consolidated Financial Statements, for the financial year 2023-24, is reproduced hereunder:

"In respect of Other current financial liabilities (accrued interest') balance aggregating to INR 6652.38 crore, direct confirmations had not been received while in case of certain lenders, the balance of Current borrowings and accrued interest confirmed was higher by ₹ 379.99 crore and ₹ 396.22 crore respectively when compared with book balances as at 31 December 2023. In the absence of confirmations / statements from lenders, STPL had provided for interest (including penal interest) based on the interest rate specified in the respective agreement/ sanction letter or latest communication available from the respective lenders and interest had been computed on the balance of loans as per STPL's records. As per the Group management, no adjustment is required in respect of such borrowings and other related liabilities, derecognized in these consolidated financial statements, or consequently to the gain recorded during the year on the said de-recognition on account of loss of control of the subsidiary company"

Furthermore, the Auditors have in their Reports on the Standalone as well as the Consolidated Financial Statements of the Company, for the Financial year 2023-24 stated by way of an "Emphasis of Matter" to the effect that one of the holders of Redeemable Preference shares (RPS) in the Company, had filed applications against the Company and its wholly owned subsidiary, Poena Power Development Limited, under Section 7 of the Insolvency and Bankruptcy Code, 2016, in respect of the redemption amount payable on the RPS held by it, together with accrued dividends and interest thereon.

The Management is of the view that applications so filed by the concerned RPS holder were not maintainable under the applicable laws and hence no material impact from the same was expected on the standalone or consolidated financials of the Company and /or on the operations and functioning of the Company or the Group. The Auditors have taken cognizance of the Management view in their Reports and also stated that no qualification in this regard, was being made in the Reports

The text of the Matter of Emphasis, as appearing in the Auditor's Report and the views of the Management with regard to the same, are set out below:

(i) Standalone Financial Statements

We draw attention to note 6 of the accompanying Statement, which describes that one of the RPS holders, holding 0.001% Redeemable Preference Shares (RPS) of ₹ 28.72 crores in the Company, has filed an application against the Company and its

Board's Report (contd.)

subsidiary company which is not yet admitted, under Section 7 of Insolvency and Bankruptcy Code, 2016 ('IBC Code') demanding the redemption of the principal amount along with interest and dividend. The management is of the view that the aforesaid application filed under Section 7 of IBC Code is not maintainable under applicable laws and no material impact is expected on the accompanying Standalone financial statements and/or on the operations and functioning of the Company. Our opinion is not modified in respect of this matter.

(ii) Consolidated Financial Statements

We draw attention to note 9 of the accompanying Statement, which describes that one of the RPS holders, holding 0.001% Redeemable Preference Shares (RPS) of ₹ 28.72 crores in the Holding Company, has filed an application against the Holding Company and its subsidiary company which is not yet admitted, under Section 7 of Insolvency and Bankruptcy Code, 2016 ('IBC Code') demanding the redemption of the principal amount along with interest and dividend. The management is of the view that the aforesaid application filed under Section 7 of IBC Code is not maintainable under applicable laws and no material impact is expected on the accompanying Consolidated financial results and/or on the operations and functioning of the Group. Our opinion is not modified in respect of this matter.

With regard to STPL, the Auditor's Report on the Standalone Financial Statements of the Company for the financial year 2023-24 also contains the following by way of an "Emphasis of Matter"

"Emphasis of Matter- Recognition of exceptional Item

We draw attention to note 4 of the accompanying standalone Statement which describes that pursuant to the re-initiation of Corporate Insolvency Resolution Process ('CIRP') against Sinnar Thermal Power Limited ('STPL') under the Insolvency and Bankruptcy Code, 2016 ('IBC'), STPL has ceased to be a subsidiary of the Company with effect from 19 January 2024. In view of uncertainties associated with the outcome of CIRP proceedings, the Company has recorded full impairment of the carrying balance of its investment in and write off of loans extended to STPL amounting to Rs. 1,211.82 crores and Rs. 33.32 crores, respectively and has presented such impairment / write off expenses aggregating to Rs. 1,245.14 crore as 'exceptional item' in the Standalone financial results.

Our opinion is not modified in respect of this matter."

No separate explanation from the Management is required with regard to the same.

The Statutory Auditors have not reported any frauds, in terms of Section 143(12) of the Act.

C. During the FY 2023-24, no extraordinary general meeting of the members of the Company held.

Subsidiaries:

As on March 31, 2024, the Company had a non-material, unlisted, wholly owned subsidiary namely Poena Power Development Limited, which continues to be so, as on March 31, 2024 and as also on the date of this report

During the Financial year 2023-24 the following changes occurred in the status of subsidiaries of the Company:

- (a) Sinnar Thermal Power Limited ("STPL") earlier a non- material unlisted, wholly owned subsidiary of the Company, was admitted to insolvency, pursuant to an order to such effect passed by the National Company Law Board Tribunal, New Delhi Bench, which became effective on January 19, 2024, upon the Application for initiation of Corporate Insolvency Proceedings, by an operational Creditor , against STPL,.Consequently, on and from the said date the STPL ceased to be a subsidiary of the Company, with the Company standing divested from its ownership, management and control of STPL.
- (b) Three Foreign wholly owned non-material subsidiaries of the Company, namely Bracond Limited ("Bracond") a wholly owned subsidiary of the Company and Geneformus Limited and Renemark Limited (step down wholly owned subsidiaries of Bracond) , all incorporated in Cyprus, were liquidated, pursuant to an order to such effect being passed on March 27, 2024 by the Ministry of Insolvency Cyprus in response to applications for voluntary liquidation, filed by the Company earlier.

Disclosures

(i) Details on materially significant related party transactions:

In compliance with the requirements of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has in place a well formulated policy on materiality of related party transactions and dealing with related party transactions, as approved by the Board of Directors of the Company. The same is uploaded on the website of the Company at the weblink:

<https://www.rattanindiapower.com/wp-content/uploads/2022/08/related-party-policy.pdf>

The Company has also a policy for determining 'material subsidiaries' which is disclosed on its website at the following link

<https://www.rattanindiapower.com/wp-content/uploads/2022/08/Policy-on-Material-Subsidiaries.pdf>

During the financial year 2023-2024, no materially significant transactions, whether with any subsidiaries or any other related party, as would have any potential conflict with the interests of the Company, were entered into.

Report on Corporate Governance (contd.)

The Related Party transactions entered into or continued by the Company during the financial year 2023-24, were in the ordinary course of business and at an arm's length basis.

(ii) Details of non-compliance, penalties etc. imposed by Stock Exchange, SEBI etc. on any matter related to capital markets, during the last three years:

Pursuant to Regulation 17 of the Listing Regulations the Company was required to appoint an Independent Woman Director by April 1, 2020, since it appeared in the list of top 1000 companies in terms of market capitalisation, maintained by NSE and BSE (the "Exchanges") as on March 31, 2020. The outbreak of COVID-19 and the subsequent announcement of a nationwide lock down by the Hon'ble Prime Minister, brought the entire Country and thus its business sector as well, to a virtual standstill. The Company therefore, could not appoint an Independent Woman Director within the stipulated time, for the reasons stated above.

The Company appointed Ms. Neha Poonia as an Independent Woman Director on July 30, 2020 thereby making good the said non-compliance with effect from the said date. However for the short period of non-compliance on part of the Company, from April 1, 2020 to July 29, 2020, penalties were imposed on the Company by the Exchanges.

Subsequently upon the Company presenting its case to the Exchanges and requesting for waiver of the penalties imposed, the same were waived by the Exchanges.

There has been no other instance of any non-compliance on any matter related to various SEBI Regulations and Guidelines, or related to markets and hence no penalties have ever been imposed or strictures passed against the Company by SEBI or the Stock Exchanges or any other statutory / regulatory authority, since its establishment as a listed entity i.e. October 30, 2009.

(iii) Whistle Blower policy/Vigil Mechanism and affirmation that no personnel have been denied access to the Audit Committee:

The Company has in place a highly effective Whistle blower policy which sets out the process and mechanism whereby employees at various levels in the organization can bring to the notice of the management, any violations of the applicable laws, regulations as also any unethical or unprofessional conduct. All such reports are taken up for consideration at appropriate intervals depending upon the gravity of the matter reported, so that adequate rectifying measures can be initiated in the right earnest, at the appropriate levels.

Further, in order to encourage the employees to freely air their views and voice their concerns on various matters and to prevent any victimization of the employees, identity of the employees is kept strictly confidential. It would be pertinent to mention here that the Audit Committee formed by the Board, constitutes an essentially important component of the whistle blower mechanism and in particular focuses on instances of financial misconduct and instance of deviations from the laid down standards of internal controls if any, which are thereupon reported to the Audit committee. During the Financial year 2023-24, no employee was denied access to the Audit Committee.

It would be pertinent to mention here that the policy also serves as the Vigil Mechanism Policy of the Company, thereby satisfying the requirements laid down to such effect, in the Companies Act, 2013.

Vigil Mechanism / Whistle Blower Policy may be accessed on the Company's website
<https://www.rattanindiapower.com/wp-content/uploads/2022/08/VIGIL-MECHANISM-WHISTLE-BLOWER-POLICY-1.pdf>

Report on Corporate Governance (contd.)

ANNEXURE FORMING PART OF THE DIRECTORS' REPORT PURSUANT TO SECTION 134(3)(m) OF THE COMPANIES ACT 2013, READ WITH THE COMPANIES (ACCOUNTS) RULES, 2014 IN RESPECT OF CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

A. ENERGY CONSERVATION AND TECHNOLOGY ABSORPTION

Energy Conservation

RattanIndia Power Group continues to focus on energy conservation, to enhance the efficiency of its power plants. The Company has already taken many steps for Energy Efficiency in the past. Various measures as under, have been taken in this direction during the FY 2023-24, as well:

1. CEP (Condensate Extraction Pump) De-staging in Unit 02 & 04 :

For energy conservation initiatives, CEP de-staging has been done in Unit#02 & Unit#04 during overhauling. This has resulted in saving of power of around 100KW in each unit which is equivalent to 10.49 lakhs units of power per year. The expenditure incurred for carrying out this de-staging work is around 2.5 lakhs for both units.

2. Auxiliary Power Consumption (APC) reduction in Unit#2 COH:

During Capital Overhauling of Unit#2, Air Pre-Heater complete overhauling along with all types of seals setting has been done. Repairing work of flue gas duct, secondary air duct and primary air duct has been carried out. Complete overhauling of ESP including water washing has been done. Passing issues of re-circulation valve of all 03 BFPs have been attended. All these works have resulted in decrease of ID Fan current, PA Fan current and BFP's current and thereby, reduction of around 884 KWH energy which is equivalent to saving of 19.09 lakh units of power per year.

3. Auxiliary Power Consumption (APC) reduction in Unit # 3 COH:

During Capital Overhauling of Unit#3, Air Pre-Heater complete overhauling along with all types of seals setting has been done. Repairing work of flue gas duct, secondary air duct and primary air duct has been carried out. Complete overhauling of ESP including water washing has been done. Passing issues of re-circulation valve of all 03 BFPs have been attended. All these works have resulted in decrease of ID Fan current, PA Fan current and BFP's current, thereby reduction of around 586 KWH energy which is equivalent to saving of 33.8 lakh units of power per year. Total expenditure on Capital Overhauling of Unit#3 was 23.98 Crs.

4. Auxiliary Power Consumption (APC) reduction in Unit#4 AOH:

During Annual Overhauling of Unit#4, Air Pre-Heater complete overhauling along with all types of seals setting has been done. Repairing work of flue gas duct, secondary air duct and primary air duct has been carried out. Complete overhauling of ESP including water washing has been done. Passing issues of re-circulation valve of all 03 BFPs have been attended. All these works have resulted in decrease of ID Fan current, PA Fan current and BFP's current, thereby reduction of around 1067 KWH energy which is equivalent to saving of 23.05 lakh units of power per year. Please specify the amount of expenditure involved. Total expenditure on Annual Overhauling of Unit#4 was 7.33 Crs.

The company demonstrates its commitment to energy conservation and efficient plant operation. This measure contributes to long-term energy savings and supports the company's sustainable practices in power generation.

Please specify the steps if any (e.g. use of solar energy etc.)

The company has plans to install 45 MW solar panels in the plant for in-house consumption. This will also help in reducing the auxiliary power consumption. Panels have been received at site, erection work has been completed, and commissioning is expected before August 2024.

Technology Absorption

The Company has since inception, been using indigenous technology. No technology has been imported from outside the Country, for use in the Thermal Power Plant of the Company at Amravati.

B. FOREIGN EXCHANGE EARNINGS AND OUT GO

There were no foreign exchange earnings or outgo during the year under review.

To the Members of RattanIndia Power Limited

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

1. We have audited the accompanying consolidated financial statements of RattanIndia Power Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at 31 March 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and on the other financial information of the subsidiaries, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India of the consolidated state of affairs of the Group as at 31 March 2024, and their consolidated profit (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

3. As stated in Note 55 to the accompanying consolidated financial statements, pursuant to the re-initiation of Corporate Insolvency Resolution Process ('CIRP') against Sinner Thermal Power Limited (STPL), an erstwhile wholly owned subsidiary of the Holding Company, under the Insolvency and Bankruptcy Code, 2016 (IBC), STPL has ceased to be a subsidiary of the Holding Company with effect from 19 January 2024.

Consequently, the assets and liabilities of STPL have been de-recognized at their respective carrying values as at 18 January 2024 in accordance with the requirements of Ind AS 110 - Consolidated Financial Statements and the said accounting for loss of control has resulted in a net gain of ₹ 1,065,887.60 lakhs, that has been presented as an 'exceptional item' in the accompanying Consolidated Statement of Profit and Loss.

As further described in the said note, STPL's other current financial liabilities as at 18 January 2024 de-recognised as above, included balances amounting to ₹ 665,238.02 lakhs, in respect of which confirmations from the respective lenders were not received for balances as at 31 December 2023 while in case of certain lenders, the balance of borrowings and accrued interest confirmed by the lenders as compared to balance as per books as at 31 December 2023 was higher by ₹ 37,998.94 lakhs and ₹ 39,621.66 lakhs respectively.

In view of above matters, we are unable to comment on the adjustments, if any, that may further be required to be made to the aforesaid liabilities relating to STPL as on 31 December 2023 and such balances de-recognised as at 18 January 2024 in the accompanying consolidated financial statements for the year ended 31 March 2024, with a consequential impact thereof on the 'Gain on loss of control of the subsidiary' recorded during the year as mentioned above.

Our audit report on the consolidated financial statements for the year ended 31 March 2023 was also qualified with respect to balance confirmations from lenders.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained together with the audit evidence obtained by the other auditor in terms of their reports referred to in paragraph 17 of the Other Matter section below, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter— Application filed by one of the Redeemable Preference Share Holders

5. We draw attention to note 17(viii) of the accompanying consolidated financial statements, which describes that one of the

Independent Auditor's Report (contd.)

RPS holders, holding 0.001% Redeemable Preference Shares (RPS) of ₹ 2,872.10 lakhs in the Holding Company, has filed an application against the Holding Company and its subsidiary company which is not yet admitted, under Section 7 of Insolvency and Bankruptcy Code, 2016 ('IBC Code') demanding the redemption of the principal amount along with interest and dividend.

The management is of the view that the aforesaid application filed under Section 7 of IBC Code is not maintainable under applicable laws and no material impact is expected on the accompanying consolidated financial statements and/or on the operations and functioning of the Group.

Our opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiary, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
7. In addition to the matters described in the Basis for Qualified Opinion we have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
<p>Revenue recognition and assessment of recoverability of receivables related to 'change in law' event claims (Refer Notes 2 and 3 for material accounting policy information and Notes 11 and 25 for disclosures in the consolidated financial statements)</p> <p>The Group is engaged in the business of power generation which is supplied to Maharashtra State Electricity Distribution Company Limited ('MSEDCL'/'Discom') as per the Power Purchase Agreement (PPA) entered with such party.</p> <p>Revenue recognition under Ind AS 115 - Revenue from Contracts with Customers ('Ind AS 115') requires the management to make certain judgements and estimates such as determining timing of revenue recognition and transaction price, including variable consideration, as per the terms of the contract with customer.</p> <p>Under the aforementioned PPA, the Group is eligible for various compensation claims relating to 'change in law' events resulting in higher costs incurred by the Group against earlier estimates, such as additional duties and taxes, increased procurement cost of coal from alternative sources, etc alongwith Late Payment Surcharge (LPS) thereon. Such compensation claims are raised by the Group upon approval of aforesaid 'change in law' events by the relevant regulatory authorities and are subject to partial/final acceptance of such claims by the Discom.</p> <p>In certain cases where the regulatory orders are subject matter of appeal with higher appellate forums/ authorities and the amount of claims are not ascertainable, revenues for change in law claims are not recognised, pending outcome of the final decision.</p> <p>In view of the materiality of the amount, complexity and significant judgement involved in estimation of the amounts of such claims and recoverability thereof, the matter is identified as a key audit matter for the current year audit.</p>	<p>Our audit procedures in relation to revenue recognition and recoverability assessment of receivables relating to 'change in law' event claims included, but were not limited to, the following:</p> <ul style="list-style-type: none"> • Examined the Group's accounting policies with respect to assessing compliance with Ind AS 115. • Evaluated the design and tested the operating effectiveness of the key internal financial controls for recognition of revenue, including those relating to monitoring of 'change in law' events and related status of pending claims under appeals before various regulatory authorities. • Inspected the relevant state regulatory commission, appellate tribunal and court rulings and examined management assumptions / judgement relating to assessing impact of such regulatory orders on the measurement / estimation of recoverability of related claims. • Tested, on a sample basis, the accuracy of the underlying data and reviewed the assumptions used by the management for measuring / computing the amounts of compensation claims as per regulatory orders, basis historical information and other available internal and external data. • Obtained legal opinion from the Group's external legal counsels with respect to recoverability assessment of compensation claims and LPS thereon and reviewed the same basis our understanding of the matter and current industry practice.

	<ul style="list-style-type: none"> Assessed the professional competence and objectivity of management's legal experts involved as above. Tested the latest joint reconciliations for trade receivables performed by the Group with the Discom, as available, with underlying records. Assessed the adequacy and appropriateness of disclosures made in the consolidated financial statements in accordance with the requirements of Ind AS 115.
<p>Litigation and contingent liabilities relating to Litigations</p>	
<p>(Refer note 2 and 3 for material accounting policy information and note 32 for disclosures related to legal and regulatory cases in the consolidated financial statements)</p>	
<p>The Group is exposed to a large number of litigations with various authorities, third parties/vendors and income tax matters which could have a significant impact on the financial position of the Group, if the potential exposures were to materialise. The eventual outcome of these legal proceedings is dependent on the outcome of future events.</p> <p>The amounts involved are material and the application of accounting principles as given under Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets ('Ind AS 37'), in order to determine the amount to be recorded as a liability or to be disclosed as a contingent liability, in each case, is inherently subjective, and needs careful evaluation and judgement to be applied by the management.</p> <p>Key judgments involved are with respect to estimating the amount of liabilities, provisions and/or contingent liabilities related to aforementioned litigations, timing of cash outflows, basis interpretation of laws, past rulings, etc.</p> <p>Considering the degree of judgment, significance of the amounts involved, inherent high estimation uncertainty and reliance on external legal and tax experts, this matter has been identified as a key audit matter for the current year audit.</p>	<p>Our audit procedures in relation to contingent liabilities relating to litigations included, but were not limited to, the following:</p> <ul style="list-style-type: none"> Obtained an understanding of the management process for: <ul style="list-style-type: none"> identification of legal and tax matters initiated against the Group; assessment of accounting treatment for each such litigation identified under Ind AS 37 accounting principles; and measurement of amounts involved. Evaluated the design and tested the operating effectiveness of key controls around above process including for completeness and accuracy of the list of litigations outstanding against the Group. Obtained an understanding of the nature of litigations pending against the Group and discussed the key developments during the year for key litigations with the management and respective legal counsels handling such cases on behalf of the Group. Obtained and reviewed the necessary evidence which includes correspondence with the external and internal legal counsels, wherever applicable and inspected minutes of case proceedings available in public domain, to support the decisions and rationale for creation of provisions and / or disclosure of contingent liabilities in respect of each such litigation selected for testing. We focused on the developments in the existing litigations and new litigations, which could have materially impacted the amounts recorded as provisions or disclosed as contingent liability in the consolidated financial statements. Assessed management's conclusions through discussions held with the in-house legal counsel and understood past precedents for similar cases. Obtained and read the correspondence with the regulatory authorities, including past judgements on the subject matter of specific significant litigations.

Independent Auditor's Report (contd.)

	<ul style="list-style-type: none">• Involved auditor's tax experts to assess appropriateness of key estimates and judgements made in relation to uncertain tax positions.• Assessed the appropriateness of methods used, and the reliability of underlying data for the underlying calculations made for quantifying the amounts involved. Tested the arithmetical accuracy of such calculations.• Evaluated the appropriateness and adequacy of disclosures made by the Management in the financial statements in accordance with applicable accounting standards.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

8. The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

9. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India. The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act the respective Board of Directors of the companies included in the Group, covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.
10. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
11. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
13. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
 - Obtain sufficient appropriate audit evidence regarding the financial information/ financial statements of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors. For the other entities included in the financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditor's Report (contd.)

Other Matter

17. We did not audit the financial statements of 1 subsidiary, whose financial statements reflects total assets of ₹ 21,669.42 lakhs as at 31 March 2024, total revenues of ₹ Nil and net cash outflows amounting to ₹ 25.56 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of section 143 of the Act in so far as it relates to the aforesaid subsidiary, are based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

18. We did not audit the financial statements of 3 subsidiaries, whose financial statements/ financial information reflect total assets of ₹ Nil as at 27 March 2024, total revenues of ₹ Nil and net cash outflows amounting to ₹ Nil for the period ended 27 March 2024, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the aforesaid subsidiaries, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the management, such financial information is not material to the Group.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

19. As required by section 197(16) of the Act based on our audit and on the consideration of the report of the other auditors, referred to in paragraph 17, on separate financial statements of the subsidiary, we report that the Holding Company, incorporated in India whose financial statements have been audited under the Act have paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. - v. The Holding Company and its subsidiaries have not declared or paid any dividend during the year ended 31 March 2024.
- vi. As stated in note 60 to the accompanying consolidated financial statements and based on our examination which included test checks and that performed by the respective auditors of the subsidiaries of the Holding Company which are companies incorporated in India and audited under the Act, except for the instances mentioned below, the Holding Company and its subsidiaries, in respect of financial year commencing on 1 April 2023, have used accounting software for maintaining their books of account, which have a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective auditors of the above referred subsidiaries did not come across any instance of the audit trail feature being tampered with, other than the consequential impact of the exceptions given below:
 - a) The audit trail feature was not enabled at the database level for the accounting software to log any direct data changes, used for maintenance of all accounting records by the Holding Company;
 - b) In case of one subsidiary, the audit trail feature for accounting software used for maintenance of accounting recordings was not enabled for the period 1 April 2023 to 3 April 2023.

Annexure A to the Independent Auditor's Report

Annexure A to the Independent Auditor's Report of even date to the members of RattanIndia Power Limited on the consolidated financial statements for the year ended 31 March 2024

Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of RattanIndia Power Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company, which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company and its subsidiary company, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies as aforesaid.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion and based on the consideration of the report of the other auditors on internal financial controls with reference to financial statements of the subsidiary company, the Holding Company, and its subsidiary company, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI').

Other Matter

9. We did not audit the internal financial controls with reference to financial statements insofar as it relates to 1 subsidiary company, which are companies covered under the Act, whose financial statements / financial information reflect total assets of ₹ 21,669.42 lakhs and net assets of ₹ (3,366.39) lakhs as at 31 March 2024, total revenues of ₹ Nil and net cash inflows amounting to ₹ 25.56 lakhs for the year ended on that date, as considered in the consolidated financial statements. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary company have been audited by other auditors whose report has been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Holding Company and its subsidiary company, as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to such subsidiary company is based solely on the reports of the auditors of such company. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

RPL is a public company domiciled and incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is situated at A-49, Ground Floor, Road No. 4, Mahipalpur, New Delhi-110037.

The shares of RPL are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) of India.

RPL has installed capacity of five units of 270 MW each at Amravati, Maharashtra to augment the power supply in the state of Maharashtra. The Holding Company sells the power generated from 1350 MW power project under long term Power Purchase Agreement with Maharashtra State Electricity Distribution Company Limited (MSEDCL). Also, RPL on merchant basis is engaged in trading of electricity in open market.

The consolidated financial statements for the year ended 31 March 2024 were approved by the Board of Directors and authorised for issue on 22 May 2024.

2. Material Accounting policies

a) Basis of preparation

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) read with section 133 of Companies Act, 2013 and presentation requirements of Division II of schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III), on the historical cost basis except for certain financial instruments that are measured at fair values, as explained in the accounting policies below.

The financial statements are presented in INR (₹) which is also the Group's functional currency and all values are rounded to the nearest lakhs, except when otherwise indicated.

All assets and liabilities are classified as current and non-current as per Group's normal operating cycle of 12 months which is based on the nature of business of the Group. Current Assets do not include elements which are not expected to be realised within 12 months and Current Liabilities do not include items which are due after 12 months, the period of 12 months being reckoned from the reporting date.

Deferred Tax Assets and liabilities are classified as non-current assets and liabilities.

b) Principles of consolidation

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries are changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests in the results and equity of subsidiaries are presented separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

c) Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes or other amounts collected from customers.

The disclosure of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in Note 3.

The specific recognition criteria described below must also be met before revenue is recognised.

Revenue from operation of Power plant

Revenue from operation of plant is recognised on transfer of significant risks and rewards of ownership to the buyer which is when delivered, and measured on an accrual basis based on the rates in accordance with the provisions of the Power Purchase Agreements (PPAs) entered into by the Group with the procurer/s of power.

Revenue from operations on account of Force Majeure events / change in law events in terms of PPA with customers (Discom) is accounted for by the Group based on the orders / reports of Regulatory Authorities, best management estimates, wherever needed and reasonable certainty to expect ultimate collection.

Refer policy on leased assets for accounting policy of customer contracts that contain a lease.

Interest Income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

d) Borrowing costs

Borrowing costs include interest and amortisation of ancillary costs incurred to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/ development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Any income earned on the temporary deployment/ investment of those borrowings is deducted from the borrowing costs so incurred. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

e) Property, plant and equipment

Recognition and initial measurement

Property plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are

included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Any expenditure directly/ indirectly related and attributable to the construction of power projects and incidental to setting up power project facilities, incurred prior to the Commercial Operation Date (COD) of the Power Project, are accumulated under "Capital work-in-progress", to be capitalised on completion of construction of the respective power projects and facilities/ COD.

Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life.

Subsequent measurement (depreciation and useful lives)

In respect of Property, plant and equipment covered under part A of Schedule II to the Companies Act, 2013, depreciation is recognised based on the cost of assets (other than freehold land) less their residual values over their useful lives, using the straight-line method in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. The useful life of property, plant and equipment is considered based on life prescribed in schedule II to the Companies Act, 2013.

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Major inspection / overhauling including turnaround and maintenance cost are depreciated over the period of 6 years. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives.

The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

f) Intangible assets

Recognition and initial measurement

Intangible assets include cost of acquired software. Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use and are carried at cost less accumulated amortisation and accumulated impairment losses.

Subsequent measurement (depreciation and useful lives)

The intangible assets are amortised over a period in the range of three to five years on a straight-line basis, commencing from the date the asset is available to the Group for its use. The amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

Derecognition

An intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the consolidated statement of profit and loss when the asset is derecognised.

g) Leases

Determining whether an arrangement contains a lease

The Group has certain long term arrangements for sale of power. Such arrangements are evaluated to consider whether it contains a lease. It is considered to contain a lease if based on the substance of the arrangement:

- (i) fulfilment of the arrangement is dependent on the use of a specific asset or assets (the asset); and

Notes to the Consolidated Financial Statements (Contd.)

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

(ii) the arrangement conveys a right to use the asset.

An arrangement is considered to contain a lease if facts and circumstances indicate that it is remote that one or more parties other than the purchaser will take more than an insignificant amount of the output or other utility that will be produced or generated by the asset during the term of the arrangement, and the price that the purchaser will pay for the output is neither contractually fixed per unit of output nor equal to the current market price per unit of output as of the time of delivery of the output.

Group as a lessee

The Group recognises right-of-use assets and lease liabilities for all leases except for short-term leases and leases of low-value assets.

The Group applies the available practical expedients wherein it:

- Uses a single discount rate to a portfolio of leases with reasonably similar characteristics
- Relies on its assessment of whether leases are onerous immediately before the date of initial application
- Applies the short-term leases exemptions to leases with lease term that ends within 12 months at the date of initial application
- Excludes the initial direct costs from the measurement of the right-of-use asset at the date of initial application
- Determining the lease term of contracts with renewal and termination options where Group is lessee - The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.
- The Group has several lease contracts that include extension and termination options. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination.

Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received.

The Group depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Group also assesses the right-of-use asset for impairment when such indicators exist.

Lease Liability

The Group records the lease liability at the present value of the lease payments discounted at the incremental borrowing rate at the date of initial application and right of use asset at an amount equal to the lease liability adjusted for any prepayments/accruals recognised in the balance sheet. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

Short-term Leases and Leases of Low-Value Assets

The Group has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term.

Group as a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

Finance leases

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognised as revenue in the period in which they are earned.

Operating leases

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. The respective leased assets are included in the balance sheet based on their nature. Rental income is recognized on straightline basis over the lease term except where scheduled increase in rent compensates the Group with expected inflationary costs.

Such lease is classified as operating lease, and as such the revenue is recognized on straight line basis. Considering that the capacity charges per unit is higher in the initial years, there is a negative charge to Statement of Profit and loss account of straightlining.

h) Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication based on internal/ external factors, that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit ("CGU") to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An impairment loss is reversed if the asset's or cash-generating unit's recoverable amount exceeds its carrying amount.

In assessing value in use, the estimated future cash flows are discounted to their present values using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Group enters into transaction with suppliers that involves prepayment in conjunction with advances for goods and services wherein the Group assesses at each reporting date whether goods against the advance is recoverable and if there is any indication, the asset may be provided.

i) Financial instruments

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, unless the financial instrument is designated to be measured at fair value through profit or loss (FVPL) or fair value through other comprehensive income (FVOCI).

Financial assets

Subsequent measurement

Financial assets at amortised cost – the financial assets are measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Notes to the Consolidated Financial Statements *(Contd.)*

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. All other debt instruments are measured at FVOCI or FVTPL based on Group's business model. All investments in mutual funds in scope of Ind-AS 109 are measured at FVTPL.

Classification

Financial assets measured at amortised cost

Financial assets that meet the criteria for subsequent measurement at amortised cost are measured using effective interest method ("EIR") (except for debt instruments that are designated as at fair value through profit or loss on initial recognition). Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets that meet the criteria for initial recognition at FVTOCI are remeasured at fair value at the end of each reporting date through other comprehensive income (OCI).

Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the amortised cost criteria or FVTOCI criteria are remeasured at fair value at the end of each reporting date through profit and loss

Impairment of financial assets

In accordance with Ind-AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive. When estimating the cash flows, the Group considers –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables

The Group applies approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of receivables.

Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, life time impairment loss is provided, otherwise provides for 12 month expected credit losses.

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities subsequent measurement

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. These liabilities include borrowings and deposits.

Classification of Financial liabilities

Financial liabilities at fair value through profit or loss (FVTPL) Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as fair value through profit or loss. Financial liabilities are classified as held for trading if these are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group those are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. Subsequent changes in fair value of liabilities are recognised in the statement of profit and loss.

Financial liabilities measured at amortised cost

Financial liabilities that are not held-for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item in the statement of profit and loss.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

j) Inventories

Inventories are valued at the lower of cost derived on weighted average basis and the net realizable value after providing for obsolescence and other losses, where considered necessary.

Costs include all non-refundable duties and all charges incurred in bringing the goods to their present location and condition.

Net realisable value represents estimated selling price of inventories and in case of coal inventory, it also includes the tariff price recoverable from supply of power generated from usage of coal less all estimated cost necessary to make the sale.

k) Income taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income ("OCI") or directly in equity.

Current Tax

Current tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred tax is recognised for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date. Deferred tax liabilities are generally recognised for all taxable temporary differences except when the deferred tax liability arises at the time of transaction

Notes to the Consolidated Financial Statements (Contd.)

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

that affects neither the accounting profit or loss nor taxable profit or loss. Deferred tax assets are generally recognised for all deductible temporary differences, carry forward of unused tax credits and any unused tax losses, to the extent that it is probable that future taxable income will be available against which the deductible temporary differences and carry forward of unused tax credit and unused tax losses can be utilised, except when the deferred tax asset relating to temporary differences arising at the time of transaction affects neither the accounting profit or loss nor the taxable profit or loss. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss, either in other comprehensive income or directly in equity. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

When there is uncertainty regarding income tax treatments, the Group assesses whether a tax authority is likely to accept an uncertain tax treatment. If it concludes that the tax authority is unlikely to accept an uncertain tax treatment, the effect of the uncertainty on taxable income, tax bases and unused tax losses and unused tax credits is recognised. The effect of the uncertainty is recognised using the method that, in each case, best reflects the outcome of the uncertainty: the most likely outcome or the expected value. For each case, the Group evaluates whether to consider each uncertain tax treatment separately, or in conjunction with another or several other uncertain tax treatments, based on the approach that best prefixes the resolution of uncertainty.

l) Cash and cash equivalents

Cash and cash equivalents comprise Cash on hand, demand deposits with banks/ corporations and short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

m) Foreign currency translations

In preparing the financial statements of the Group, transactions in currencies other than the entity's functional currency are recognised at the rate of exchange prevailing at the date of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in profit and loss in the period in which they arise.

n) Employee benefits

Defined contribution plans

The Group makes contribution to the statutory provident fund in accordance with the Employees Provident Fund and Miscellaneous Provision Act, 1952 which is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which the services are rendered.

Defined benefit plans

Gratuity is in the nature of a defined benefit plan. The liability recognised in the consolidated financial statements in respect of gratuity is the present value of the defined benefit obligation at the reporting date together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

Compensated Absences:

Provision for compensated absences and its classifications between current and non-current liabilities are based on independent actuarial valuation. The actuarial valuation is done as per the projected unit credit method as at the reporting date.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

Short-term employee benefits

These are recognised at an undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered.

o) Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the Group. These are material items of income or expense that have to be shown separately due to their nature or incidence.

p) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group, or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent liabilities may arise from litigation, taxation and other claims against the Group. The contingent liabilities are disclosed where it is management's assessment that the outcome of any litigation and other claims against the Group is uncertain or cannot be reliably quantified, unless the likelihood of an adverse outcome is remote.

Contingent assets are not recognised. However, when inflow of economic benefit is probable, related asset is disclosed.

q) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

- r)** Certain prior year amounts have been reclassified for consistency with the current year presentation. Such reclassification does not have any impact on the current year financial statements.

s) Recent accounting pronouncements:

New and Amended Standards Adopted by the Group:

The Group has applied the following amendments for the first time for their annual reporting period commencing April 1, 2023:

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments to Ind AS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates.

Notes to the Consolidated Financial Statements (Contd.)

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

Ind AS 1 – Presentation of Financial Statements

The amendments to Ind AS 1 provide guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. This amendment did not have any material impact on the Group's consolidated financial statements and disclosures.

Ind AS 12 – Income Taxes

The amendments to Ind AS 12 Income Tax narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities.

The Group previously recognised for deferred tax on leases on a net basis. Pursuant to the aforementioned amendment, the Group has grossed-up the deferred tax assets (DTA) and deferred tax liabilities (DTL) recognised in relation to leases w.e.f. 1 April 2022. However, the said gross-up has no impact on the net deferred tax liabilities/expense presented in the consolidated financial statements.

New Standards/Amendments notified but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. As at 31 March 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Group.

3. Significant management accounting judgements, estimates and assumptions

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an ongoing basis and any revisions thereto are recognized in the period of revision and future periods if the revision affects both the current and future periods. Uncertainties about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

Defined benefit plans

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Information about the various estimates and assumptions made in determining the present value of defined benefit obligations are disclosed in note 36.

Fair value measurements

In estimating the fair value of financial assets and financial liabilities, the Group uses market observable data to the extent available. Where such Level 1 inputs are not available, the Group establishes appropriate valuation techniques and inputs to the model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in note 40.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset.

Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the Power Plants. Further, the cash flow projections are based on estimates and assumptions relating to tariff, operational performance of the Plants, life extension plans, market prices of coal and other fuels, exchange variations, inflation, terminal value etc. which are considered reasonable by the Management.

Taxes

Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies, including estimates of temporary differences reversing on account of available benefits under the Income Tax Act, 1961.

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Useful lives of depreciable/ amortisable assets

The Group has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Group reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Income/ Revenue

Revenue from sale of power is recognised upon judgement by the management for recoverability of the claims based on the relevant contractual terms / provisional rates as provided by the regulator / governing tariff regulations, to the extent applicable, having regard to mechanism provided in applicable tariff regulations and the bilateral arrangement with the customers, which may be subject to adjustments in future years, on receipt of final orders of the respective Regulatory Authorities or final closure of the matter with the customers.

In certain cases, the Group has claimed compensation from the Discoms based on management's interpretation of the regulatory orders and various technical parameters, which are subject to final verification and confirmation by the respective Discoms and hence, in these cases, the revenues have been recognised during various financial years / periods on a prudent basis with conservative parameters in the books in accordance with the terms of Power Purchase Agreement. The necessary true-up adjustments for revenue Claims (including carrying cost / delayed payment surcharge) are made in the books on final acknowledgement / regulatory orders / settlement of matters with respective Discoms or eventual recovery of the claims, whichever is earlier.

Classification of Trade Receivables

In view of pending litigations on regulatory matters, the classification of disputed / undisputed trade receivables is a matter of judgement based on facts and circumstances. The Group evaluates the fact pattern and circumstances, including ongoing discussions with the state-owned power distribution Companies (Discom), for each such regulatory matter pending to be adjudicated by the relevant authority. In cases, where discussions with Discom have not made reasonable progress and matters are subjudice, the related receivables are classified as disputed, even though the management is reasonably confident of recovering the dues in full, backed by the regulatory orders in favour of the Group. The management will continue to monitor the developments on regulatory matters.

i) The above ageing has been calculated based on due date as per terms of agreement with customers

ii) Credit concentration:

As at 31 March 2024, out of total trade receivables, 99.40% (31 March 2023 : 99.82%) pertains to dues from Maharashtra State Electricity Distribution Company Limited under Long Term Power Purchase Agreement including receivables on account of claims under Force Majeure / Change in Law matters, carrying cost thereof etc. Also, refer note 3 relating to significant accounting judgements, estimates and assumptions for income / revenue recognition

iii) Expected Credit Loss (ECL)

The Holding Company is having majority of receivables against power supply from Maharashtra State Electricity Distribution Company Limited, which is a Government Undertaking. The Holding Company is generally regular in realising its normal power sale and further is entitled to receive interest as per the terms of agreement on delayed payment, hence, the Holding Company is secured from credit losses in the future.

- viii) The Holding Company, under the One Time Settlement scheme (OTS), had issued Redeemable Preference Shares (RPS) in December 2019 to the lenders of the Holding Company, that had become redeemable on 27 December 2021. However, in spite of having sufficient cash and cash equivalent balance, the redemption of such RPS could not be done due to limitations as per the provisions of section 55(2) of the Act which state that such redemption is permissible only out of profits earned by the Company which are otherwise available for dividend, after adjusting the accumulated losses as read with section 123 of the Act, or out of the proceeds of a fresh issue of shares made for the purposes of such redemption. The Company has been in active discussions with the RPS holders, to extend the time period for redemption of RPS, however, the approval from the lenders is awaited as on date. The liability towards RPS is disclosed as 'current borrowings' under 'current financial liabilities' in these consolidated financial statements for the year ended 31 March 2024.
- Subsequent to the year- end, one of the RPS holders, holding 28,720,978 RPS aggregating to ₹ 2,872.10 lakhs in the Holding Company, has filed an application against the Holding Company and subsidiary company- Poena Power Development Limited ('PPDL') (whose shares are pledged with RPS holders and inter-corporate deposit given of ₹ 25,000 lakhs is also assigned to RPS holders), under Section 7 of Insolvency and Bankruptcy Code, 2016 ('IBC Code') on 26 April 2024 which is not yet admitted, demanding redemption of the principal amount along with interest and dividend. The management is of the view that the application filed under Section 7 of IBC Code is not maintainable under applicable laws and the Holding Company and subsidiary company plans to pursue the legal remedies in the matter available under the applicable laws and believe that the same is not expected to have any material impact on these consolidated financial statements and/or on the operations and functioning of the Group.
- ix) During previous year, Aditya Birla ARC Limited ("ABARC") acting in its capacity as the trustee of ABARC-AST-002 Trust, the debenture holder, holding inter-alia 196,500 Non-Convertible Debentures of face value ₹ 100,000/- each (issued in December 2020), had amended certain terms and further, had granted further extension for redemption of the balance due (₹ 68,625 lakhs as on 31 March 2023), by a period of 45 days i.e. upto 15 May 2023. During the year, Company has refinanced aforesaid existing loan by issuance of Non convertible Debentures (NCD Series I, II, III) aggregating to ₹ 102,500 lakhs and Rupee Term Loan (RTLs) aggregating to ₹ 10,000 lakhs. During the year, Company has repaid/prepaid repaid all the dues (including interest) of existing facilities of Aditya Birla ARC Limited ("ABARC") within the agreed extended timelines.

The Group's contract with customers for the sale of electricity generally include one performance obligation. Revenue from sale of power is recognized net of cash discount over time for each unit of electricity delivered at the contracted rate.

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration from the customer. Contract liabilities are recognised as revenue when the Group performs obligations under the contract.

32 Details of contingent liabilities, pending litigations and other matters:

A. Claims against the Group not acknowledged as debt:

RattanIndia Power Limited

1 During the year ended 31 March 2022, RPL had filed writ petition before Hon'ble Delhi High Court ('Delhi HC') and had sought relief and direction to Ministry of Power and Ministry of Coal as well as Western Coalfields Limited ('WCL') and Mahanadi Coalfields Limited ('MCL'), the subsidiaries of Coal India Limited, for returning of Bank Guarantees issued pursuant to Letter of Assurance (LOA), as the Fuel Supply Agreement (FSA) against this LOA was not materialized and RPL has not utilized this for any coal supply to the plant. Subsequently during the year ended 31 March 2023, RPL had received letters from WCL & MCL informing cancellation of LOA and invocation of bank guarantee amounting to ₹ 5,496.14 lakhs. RPL had filed an application of stay before Delhi HC and in response thereto, the Delhi HC had directed WCL & MCL not to take any coercive action pursuant to their letters. RPL based upon inputs from legal experts believes that it has a strong case and accordingly, no provision is considered necessary in these consolidated financial statements at this stage.

2 During the year ended 2010-11, RPL had entered into a contract with Bharat Heavy Electrical Limited ('BHEL') for erection and supply of certain material for phase II of its power project at Amravati. Consequent to this contract, BHEL supplied certain materials which were not warranted at that time and there were various communications made by RPL with BHEL to take off these materials from the site. Subsequently, BHEL initiated arbitration proceeding against RPL, alleging the payment outstanding in respect of the materials so supplied by them. The Hon'ble High Court of Delhi also disposed off the petition upon the instruction to the parties that petition before Hon'ble High Court be treated as an application under Section 17 of the Arbitration and Conciliation Act, 1996, before the Arbitral Tribunal. Thereafter, BHEL filed multiple applications including under Arbitration and Conciliation Act, 1996, on 14 April 2016 before Arbitral Tribunal.

On BHEL's application for seeking interim award based on admissions, the Tribunal had heard the arguments of both BHEL and RPL and the Tribunal had passed an interim award of ₹ 11,500 lakhs against RPL vide its order dated 27 July 2017. RPL had filed an appeal against the said interim award on 16 October 2017 before the Hon'ble High Court of Delhi, that is currently pending disposal.

A Petition had also been filed by BHEL praying the Hon'ble High Court to issue warrants of attachment/ or auction sale of immovable and movable assets of RPL for realizing the amount payable/due as per the Interim award dated 27 July 2017. During the year, in response to such petition, the Hon'ble High Court vide order dated 8 August 2023 had allowed attachment of certain assets in connection with the interim award; subject to any prior charge already created on the said assets in favour of third parties.

The Group management, based on inputs from its legal experts, believes that the likelihood of any additional liability devolving on RPL (other than those already recorded) is not probable and there is no additional impact (including classification of attached assets as per the Hon'ble High Court order), requiring any adjustment in these consolidated financial statements.

3 Arbitration Proceedings had been initiated by Larsen and Toubro Ltd (L&T) against the Company in relation to the supply and service contracts for Electrical Balance of Plant (EBOP) with respect to 5X270 MW Thermal Power Plant, Amravati. Preliminary hearing in respect of the matter was held on 08 June 2020 whereby schedule of the arbitration proceedings has been fixed by the Arbitral Tribunal (AT). Pleadings are complete in the matter. Present proceedings are adjourned sine die with liberty to the parties to have the same revived as and when considered appropriate vide AT's order dated 16 October 2021. Application for reviving the present proceedings has been filed by L&T, reply has been filed by the Company. Arguments on the application have concluded and the Tribunal has permitted the Petitioner in reviving the petition qua RPL. A fresh discovery application was filed by the Petitioner and reply filed by the Company. The parties have been directed to file their Affidavit of Evidence. The next dates of hearing in matter are 22, 23 and 28 August 2024.

4 Arbitration Proceedings had been initiated by Larsen and Toubro Ltd (L&T) against the Company in relation to supply and service contract with respect to the Coal Handling Plant (CHP) of 2x1600 TPH capacity for 5x270 MW TPP, Amravati. Preliminary hearing in respect of the matter was held on 17 June 2020 whereby schedule of the arbitration proceeding has been fixed by the Arbitral Tribunal. An Application for inspection and production of documents had been filed by Larsen and Toubro Ltd (L&T). Reply has also been filed and arguments have been heard. The Arbitral Tribunal Vide order dated 28 March 2022, had rejected all the contentions of Larsen and Toubro Ltd (L&T) except granting inspection

- of original invoices by Larsen and Toubro Ltd (L&T). Inspection of documents has been completed. Issues have been framed by the Tribunal and affidavit of evidence to be filed by the parties. The next date of hearing is to be intimated.

Pursuant to a section 11 petition being allowed by the Hon'ble High Court of Delhi, Ramesh Singh, Advocate was appointed the Sole Arbitrator. The Statement of Claim has been filed by Techno Industries and the Statement of Defence has also been filed. Rejoinder has also been filed. The award was reserved on 02 September 2023 and final order is awaited.
 - 8 Ion Exchange India Limited invoked arbitration against the Company pertaining to a contract entered in June 2012 for supply, storage, handling, erection and commissioning services and for civil and structural works of sewage and waste Water management system of 1350 (5 x 270) MW Thermal Power Project, Phase I, Amravati, Maharashtra. Pursuant to that, Ion Exchange India Limited had filed application under Section 11. The Hon'ble High Court of Delhi vide its order dated 10 November 2021 appointed Retd. ADJ Lal Singh to adjudicate the dispute between the parties. Preliminary hearing was conducted and the schedule for Arbitration was fixed. The Company had challenged the appointment of the arbitral tribunal (Section 16) by filing an application stating that the present arbitral tribunal has no jurisdiction to entertain the matter as there was no contract between Ion Exchange and the Company. The Tribunal vide its order dated 07 July 2022, has held that the Section 16 application be kept pending till the filing of Statement of Defence and conclusion of evidence of both the Parties. Pleadings have completed in the matter. The arbitral award was passed on 01 December 2023. An appeal challenging the award has been filed before Patiala House Court vide OMP (Comm) No. 57 of 2024. The next date of hearing for the same is 03 September 2024.
 - 9 An application had been filed by Vintech under provisions of section 18(1) of (delayed payment) of the MSMED Act, 2006 seeking a claim against invoices raised on RPL pursuant to work order relating to annual maintenance work contract of lighting, cabling and 33kv transmission line at thermal power plant, Amravati. RPL has filed its reply as well as statement of accounts with documents. Next date of hearing is yet to be intimated.
 - 10 Value Line invoked arbitration against the Company pertaining to a contract entered into in April, 2015 between the parties for interior fit-out works for the office. Pursuant to that Value Line filed section 11 petition before the High Court of Delhi vide Arb. Pet. 844 of 2019, In Arb. Pet. 844 of 2019, the Hon'ble High Court of Delhi vide order dated 17 December 2019 appointed Sole-arbitrator to adjudicate the dispute and defences between the parties. Preliminary Hearing was held on 06 February 2020, wherein schedule of the arbitration was decided. Issues have been framed and Value line has filed its Affidavit of Evidence. It is currently listed for Claimant's arguments. The order is reserved for 05 June 2024.
 - 11 During the financial year 2015-16, Tahsildar of Amravati vide it's order dated 24 February 2016 had directed the Company to deposit the amount of ₹ 400 lakhs towards payment of royalty for using the minor minerals excavated during the construction of the power plant of the Company and utilized in the embankment work of railway line on the plot of Maharashtra Industrial Development Corporation Limited ("MIDC") allotted to the Company. The Company filed a writ petition before the Nagpur bench of Hon'ble Bombay High Court against the order passed by Tahsildar. The Hon'ble Court vide its Order dated 15 December 2016 had issued a stay in the matter. The next date of hearing in the matter is to be intimated.

The Hon'ble High Court has appointed one committee for regular review of the situation in Thermal Power Plants in the state. The next date of hearing in the matter is to be intimated.
- 15 The Company had developed a railway line track and constructed a boundary wall around the railway yard and power plant at Amravati on the land allotted to the Company by Maharashtra Industrial Development Corporation Limited. In this respect, Mr. Keshav Puranlal Bundeale and others ('Plaintiffs') alleged that the approach road to their land has been obstructed and they are unable to access their land for cultivation and claimed damages to the tune of ₹ 5 lakhs. A suit for seeking declaration/ injunction for right of way was filed before the Civil Judge, Senior Division, Amravati by the Plaintiffs against the Company during the year 2015-16. The Company denied the allegations in its written statement and is contesting the suit and the Hon'ble Court also declined the prayer of the Plaintiffs for grant of temporary injunction.

The Plaintiffs then filed a civil appeal with regard to this matter against the Court's order of declining the prayer of the Plaintiffs for grant of temporary injunction. The matter is now listed for bringing on record the legal heirs of Keshav Puranlal Bundeale due to the demise of Keshav Puranlal Bundeale. The application for appointment of Court Commissioner was allowed by Hon'ble Court. The Court Commissioner appointed by the Court has submitted its report. The matter is now fixed for filing objection on the said report. Next date of hearing is 19 June 2024.

Poena Power Development Limited (PPDL)

- 16 Suit for Mandatory and Permanent injunction has been filed by Balbir Singh ("Plaintiff") in the Court of Budhlada wherein it is prayed that the Company along with SDM Budhlada ("Defendants") be directed to pay for the cost of construction of Plaintiff's house situated in village Gobindpura Tehsil Budhlada, Dist Mansa Punjab which was ordered to be acquired by State of Punjab for the Company and Defendants be restrained from evicting Plaintiff illegally without paying any compensation for the cost of construction of Plaintiff's house. The management basis inputs from experts has assessed that likelihood of any liability devolving upon the Group in respect of the above matters is not probable and accordingly, no adjustment is currently required in these consolidated financial statements.

ii) Indirect tax matters :

- 1 The Company had filed claim with Joint DGFT, Mumbai amounting to ₹ 3,979 lakh during the year 2010-11 and onwards on account of deemed drawback for the material supplies for the construction of power plant at Amravati. Out of this, an amount of ₹ 637 lakh was processed and order for refund was issued during the financial year 2010-11. The said order was later withdrawn by the Joint DGFT vide its order dated 07 April 2011 due to clarification given by policy interpretation committee in its meeting no -10 on 15 March 2011. The Company has filed a writ petition on 01 September 2017 before Hon'ble Bombay High Court for recovery of deemed drawback of ₹ 370 lakh which is under process. Also, an appeal had been filed on 12 July 2016 before Hon'ble Supreme Court for ₹ 3,609 lakh which is also under process for final hearing.
- 2 Directorate General of GST Intelligence, Mumbai issued show cause notice demanding Service-tax of ₹ 757.01 lakh on irrigation restoration charges paid to Water Resource Department of Maharashtra Government under reverse charge mechanism. Further the Principal Commissioner of Goods & Service Tax, Delhi had also confirmed above demand along with penalty vide its order dated 10 December 2020. Aggrieved of the above order, the Company had filed a writ petition before the Hon'ble Bombay High Court on 15 March 2021 and Court vide order dated 13 March 2023 has dismissed the petition and has allowed the Company to file appeal before Customs, Excise and Service Tax Appellate Tribunal. Subsequently, the Company has filed appeal before Tribunal on 10 April 2023, that is pending disposal.

The management basis inputs from experts has assessed that likelihood of any liability devolving upon the Group in respect of the above matters is not probable and accordingly, no adjustment is currently required in these consolidated financial statements.

C. Claims filed by:

RattanIndia Power Limited

- 1 The Company is supplying power to Maharashtra State Electricity Distribution Company Limited (MSEDCL) based on two power purchase agreements (PPAs) for supply of 1200 MW (450 MW + 750 MW respectively) of power for the period of 25 years. The PPAs were executed based on the fuel supply agreement (FSA) which provided that domestic coal linkages would be available to meet the fuel requirements. However, adequate coal supply was not made available which adversely impacted cost as Company had to source fuel from alternate sources to meet the shortfall of coal

supplied under FSA with coal supplier. The Cabinet Committee of Economic Affairs (CCEA) approved mechanism where after Ministry of Coal amended the National Coal Distribution Policy (NCDP) and communicated its decision to allow pass through of the incremental cost of procuring coal from alternative sources to meet the shortfall in supply of domestic coal under coal linkage.

The Company filed a petition before Maharashtra Electricity Regulatory Commission ('MERC' or 'the Commission') in year 2013 for realizing the shortfall in supply under NCDP. MERC vide its Order on 15 July 2014 and 20 August 2014 laid down methodology to recover compensatory fuel charges.

On 28 August 2014, the Company filed a review petition before MERC against the Orders dated 15 July 2014 as well as Order dated 20 August 2014 and MSEDCL further filed review petition against the Orders of MERC dated 20 August 2014. The review petition filed by MSEDCL got dismissed vide Order dated 16 July 2015 and the review petition filed by the Company also got dismissed vide Order dated 30 October 2015.

As at the balance sheet date, the Company has accounted such claims in the books of accounts aggregating to ₹ 30,890.74 lakh and related carrying cost & late payment surcharge thereon.

The Company then filed appeals before Appellate Tribunal for Electricity (APTEL) against Orders dated 15 July 2014, 20 August 2014 and 30 October 2015. The said appeals were disposed off by the Hon'ble Tribunal on 4 May 2017, remanding the matters to MERC for fresh adjudication in the light of the direction of the Hon'ble Supreme Court in case of Energy Watchdog and Ors. v/s CERC and Ors. dated 11 April 2017. MERC heard the matter and passed the orders on 03.04.2018 providing a mechanism for computation of the compensation amounts. The Company filed an appeal before the Hon'ble APTEL vide appeal no. 264 of 2018 against the Ld. MERC order dated 03 April 2018. The appeal was disposed off vide order dated 13.11.2020 in which prayer of the Company was allowed and matter was remanded to Ld. MERC for computation.

Subsequently, the Company had filed remand petition vide Case No. 240 of 2020 before Ld. MERC. Also, aggrieved by the APTEL Order No. 264 of 2018 dated 13.11.2020, MSEDCL preferred a Civil Appeal No. 1805 of 2021 on 12.03.2021 in the Hon'ble Supreme Court of India.

MERC pronounced the order on 16.11.2021 in Case No. 240 of 2020 directing RPL to submit Supplementary invoice after making changes as suggested in the order and MSEDCL to make the payment within due date. Accordingly, the Company recomputed its Change in Law claims and submitted Supplementary invoice to MSEDCL. Aggrieved by MERC Order dated 16.11.2022, RPL filed an appeal vide Appeal No. 216 of 2023 in APTEL to set aside Order passed by MERC in case no 240 of 2020

RPL has also filed Interim Application in Case No 240/2021 vide 153/MP/2021 praying MERC for directing MSEDCL to release 75% payment as interim measure, which was also dismissed by MERC stating matter is sub-judiced in Hon'ble Supreme Court in Civil Appeal No. 1805/2021 and directed to follow Hon'ble Supreme Court Order. Hon'ble Supreme Court vide its hearing dated 14.02.2022 directed MSEDCL to pay 50% of total claimed amount. The matter was listed before the Hon'ble Supreme Court and written submissions were filed. The matter was referred to the Hon'ble Chief Justice's court and thereafter tagged with case (C.A.No.4143/2020). The Supreme Court vide order dated 27 March 2023 in Civil Appeal No. 1805/2021 disposed off the appeal filed by MSEDCL.

- 2 There has been an increase in cost of power generation owing to increase in various statutory taxes, duties, levies, cess, surcharge etc. Based on various judgement from CERC involving similar situations, management had concluded that these charges are recoverable from MSEDCL under "Change in Law" clause of PPA. The Company filed a petition with MERC on 15 June 2016 claiming approval of additional components of costs under change in law. MERC had issued order dated 5 April 2018 in this respect. The Company has filed an appeal vide Appeal No. 263 of 2018 against the order dated 05 April 2018 before the Hon'ble Appellate Tribunal for Electricity ("APTEL") on 06 June 2018. APTEL had remanded the matter to Hon'ble Commission for quantification of amount payable to generator and pass consequential Order. MERC vide order dated 06 February 2023 has partly allowed the petition of the Company. Aggrieved by the said order, MSEDCL has filed a Review Petition before the MERC which was dismissed on 20 February 2024. An appeal has also been filed by the Company against the order dated 06 February 2023 before APTEL, wherein vide order dated 06 October 2023 APTEL has partially allowed the appeal of the Company and remanded the matter to MERC for fresh adjudication. Aggrieved by the said order, the Company has preferred a Civil Appeal before the Hon'ble Supreme Court (Civil Appeal No. 8232 of 2023) challenging the order of APTEL dated 06 October 2023. In the hearing held on 27 February 2024 before the Registrar Court of the Hon'ble Supreme Court, Ld. Registrar granted 4 weeks' time to MSEDCL for filing of counter affidavit. MSEDCL filed its reply on 05 March 2024. Rejoinder to be filed by RPL. The matter is listed for hearing on 22 July 2024.

- 3 The Company operates a 1350 MW (5x270 MW) coal based power plant located at Nandgaonpeth, Amravati district in the state of Maharashtra. At the time of commissioning, the performance guarantee test conducted by BHEL noted that the maximum generation at rated capacity was upto 277.8MW (in non VVO mode), which corresponds to ex-bus capacity upto 252 MW. This was further corroborated by the CPRI report. In view of above, the Company requested MSLDC to increase the ex-bus export capacity for all five units from 252MW to 258 MW, however MSLDC rejected the Company's request, accordingly the Company filed petition vide Case No. 59 of 2018 before the Ld. MERC under Sections 32, 33 and 86 of The Electricity Act, 2003 read with the Maharashtra Electricity Regulatory Commission (State Grid Code) Regulations, 2006. The matter was heard by MERC on 3 October 2018 and had reserved its order. The Ld. MERC has dismissed the Case No. 59 of 2018 vide Order dated 23 October 2018. RPL has preferred an appeal against the impugned order of the Ld. MERC before the Hon'ble Appellate Tribunal of Electricity vide Appeal No. 35 of 2019. Appeal has been admitted by the Hon'ble APTEL and pleadings have to be completed. Subsequently, RPL has filed application for seeking directions against BHEL for conducting Performance Test. The Hon'ble Tribunal vide order dated 18 December 2019 directed BHEL to give test report. However, BHEL has filed review petition against the said order vide RP 04 of 2020. The APTEL vide order dated 01 September 2023 condoned the delay in filing the reply and rejoinder in the matter. APTEL further allowed BHEL's Review Petition inter alia on the grounds that Order dated 18.12.2019 was passed in violation of the principles of natural justice. APTEL directed that Appeal No. 35 of 2019 filed by RPL, which is in the list of finals in Court 2 and would be taken up in its own turn. The next date of hearing is to be intimated
- 4 Due to low dispatch of power schedule by MSEDCL, SECL had imposed penalty on account of non-procurement of minimum quantity of fuel by Company under the FSA. The Company had filed a petition vide Case No. 146 of 2018 before the Ld. MERC under Section 86 of the Electricity Act, 2003 seeking compensation from MSEDCL for penalty of ₹ 3,976.79 lakhs in accordance with Clause 4.5 of Schedule 4 of the PPA between the Company and MSEDCL. The Ld. MERC heard the matter on 3 October 2018 and had reserved its order. The Ld. MERC disposed off the matter vide order dated 23 October 2018. RPL has filed an appeal before the Appellate Tribunal of Electricity vide Appeal No. 41 of 2019. APTEL vide order dated 06 February 2024 had allowed to recover the penalty from MSEDCL amounting to ₹ 39.77 Cr imposed by SECL for Short lifting of FSA Coal along with interest. Company has also filed an Application before the Hon'ble APTEL seeking clarification from the Hon'ble APTEL for payment of late payment surcharge on above amount as per the terms of PPA instead of Carrying Cost. Hon'ble APTEL granted four weeks' time to MSEDCL to file reply. MSEDCL filed the reply on 01 April 2024. Company is in the process of filing the rejoinder. Matter is listed to be heard on 12 July 2024.
- 5 The Company has filed an Appeal no. 118 of 2021 before Hon'ble Appellate Tribunal (APTEL) challenging the Order passed by Hon'ble Ld. Maharashtra Electricity Regulatory Commission ("MERC") wherein Ld. MERC held that levy of Evacuation Facility Charges levied by Coal India Limited does not constitute Change in Law event. Matter has been heard and APTEL vide its Order on 22 March 2022 directed MERC to determine the amount payable to the Company along with Carrying Cost to be calculated at LPS rate. MERC needs to pass fresh order considering APTEL direction within 2 months thereafter. The Company vide 76/MP/2022 filed case in MERC seeking direction from MERC to direct MSEDCL to release amount in accordance with APTEL Order dated 22 March 2022. MERC vide its Order dated 08 July 2022 directed MSEDCL to immediately pay undisputed amount as per provisions of PPA. MSEDCL has filed an appeal before the Hon'ble Supreme Court being CA 4089/2022 challenging APTEL's Order dated 22 March 2022 in App No. 118 of 2021 allowing levy of Evacuation Facility Charges by Coal India Ltd. as a Change in Law event. The Supreme Court heard the matter at length and appeal has been dismissed. EFC has been allowed as Change in Law by the Supreme Court vide order dated 20 April 2023.
- 6 The Company had filed an Appeal vide DFR 345/2021 before Appellate Tribunal of Electricity ("APTEL") under Section 111 of the Electricity Act, 2003 praying for setting aside the Order dated 28 July 2021 passed by Maharashtra Electricity Regulatory Commission ("MERC") in Case No 24 of 2017 insofar as the observation qua Company undertaking dated 05 April 2018. Pleadings are complete. The next date of hearing is to be intimated.
- 7 The Company had filed Writ Petition before Delhi High Court for quashing or setting aside the four Notifications dated 08 December 2017 passed by Central Electricity Regulatory Commission (CERC). The CERC vide the Impugned Notifications, has amended/ revised the escalation rates for domestic coal chargeable by generating companies with retrospective effect going back as far the year 2012 up to 2014. Based on these amendments, tariff applicable during the period got changed and there was financial impact on the generators having Power Purchase Agreements with Discoms through Case-1 bidding route. The matter is listed for hearing on 18 July 2024.
- 8 MERC in Case No 26 of 2021 has passed an Order dated 11 October 2021 granting claim for Unit 1 along with LPS to the Company and rejecting claim towards Unit 4. MSEDCL has filed an appeal in APTEL vide DFR 429/2021 for stay on MERC

Order in case No. 26 of 2021 . Next date of hearing is to be intimated. Further the Company has filed an Appeal challenging the MERC Order in Case 26 of 2021 against rejection of claims towards Unit 4. During the hearing dated, the Hon'ble Tribunal was directed that Appeal No. 169 of 2023 filed by MERC in case of Unit 1 would be tagged with the APTEL Appeal No. 422 of 2022 (DFR 459/2021) filed by RPL in case of Unit 4.. The order has been reserved for 31 May 2024.

- 9 The Company has filed an Appeal before Hon'ble Appellate Tribunal (APTEL) challenging the Order passed by Hon'ble Ld. Maharashtra Electricity Regulatory Commission ("MERC") wherein Ld. MERC had rejected the claim towards levy of Surface Transportation charges , Crushing /Sizing charges, Levy of Port Congestion Charges and expenses incurred towards fly ash transportation as Change in Law. Next date of hearing is yet to be notified.
- 10 The Company had filed a petition before the Ld. Maharashtra State Electricity Regulatory Commission for compensation on account of mandatory use of washed coal by Company's Amravati Power Plant impacting revenues and costs related to procurement of coal by the Company. MERC had disallowed claims of the Company. An Appeal has been filed by the Company against MERC Order. The next date of the hearing is to be intimated.
- 11 The Company has filed petition in MERC seeking compensation on account of "change in law" events pertaining to imposition of Forest Cess on coal lifted from Gevra Coal Mines and lifting of coal through RCR mode. MERC reserved the matter for order and granted 15 days' time to the parties to file the written submissions.
- 12 Appeal No. 382 of 2022 (DFR 387/2022) has been filed by the Company against MERC order seeking the following relief:- (a) Damages for Inordinate delay in making payments and default in complying with the material obligations under the Power Purchase Agreements executed between the parties. On account of the said default, the Appellant could not procure coal and operate the power plant to its optimum capacity to recover the full Capacity Charges; and (b) Amounts deducted/short payments from Capacity Charges due to alleged over-injection during FY 2013-14 to July 2016. Next date of hearing to be notified.

The management basis inputs from legal experts has assessed that all the above are eligible claims as per terms of PPA entered with MSEDCL/ applicable regulations and the likelihood of favourable outcome in all the above matters is virtually certain.

D. Other pending litigations :

RattanIndia Power Limited

- 1 The Company had taken a large risk insurance policy no 500300/11/14/06/00000170 for the period 01 June 2014 to 31 May 2015 for business interruption risk. The generator of unit -2 was damaged on 30 October 2014 and the Company informed United India Insurance Company Limited (UIICL) of the damage on 31 October 2014. During the period from November 2014 to December 2017, despite complete cooperation by the company, the surveyor kept delaying the claim by asking for irrelevant documents and information. Vide letter dated 15 February 2018, UIICL repudiated the insurance claim. Through a detailed letter dated 11 June 2018, the Company strongly protested to UIICL against the wrongful repudiation of its claim, but to no avail.

On 04 October 2018, a complaint was filed by the Company against UIICL & another before National Consumer Disputes Redressal Commission, praying that-

- i) UIICL be held deficient in providing services to the Company and the repudiation of the claim be held as invalid as it was without any basis.
- ii) The claim amount along with Interest be paid to the Company, and it should also be compensated for harassment and mental agony as well as for the litigation costs.

Pleadings are complete in this matter. Respondent has to file the Affidavit of Evidence. An early hearing application was moved by the Company. Early hearing allowed, all pleadings were to be completed. Last opportunity has been given to the Respondent to file its affidavit of evidence. The next date of hearing in the matter is 11 September 2024.

- 2 The Company had filed a Writ Petition before the Hon'ble Bombay High Court (Nagpur Bench) seeking directions against Water Resources Department, Amravati to take decision on the request of the Company for the partial surrender of 27.60 million cubic metres of Water and the refund of proportionate amount of Irrigation Restoration Charges and Water Commitment Charges already paid for the year 2016-17. The Hon'ble Court vide its judgment dated 10 February 2023 partially allowed the Company's petition and held partial surrender will be treated as approved after deposit of balance irrigation restoration charges demanded at rate of ₹ One lakh per hectare, as per the Hon'ble Supreme Court of India order dated 13 January 2023, as enumerated in note 34. Company has filed SLP No. 21251/2023 before Hon'ble Supreme Court of India challenging the order passed by Hon'ble High Court, Nagpur Bench in a Writ Petition which

was partly allowed. The matter is likely to be listed on 23 July 2024. The conclusion in the current matter is dependent on final outcome in the other matter.

- 3 A consumer complaint under Section 21 of the Consumer Protection Act, has been filed by the Company (Consumer Case No. 87/2021) against United India Insurance Company Limited before National Consumer Disputes Redressal Commission (NCDRC) praying for compensation in relation to damage of Generator of Unit 5. Matter has been admitted and notice has been issued to Respondent. The next date of hearing in the matter is 18 October 2024.
- 4 A consumer complaint under Section 21 of the Consumer Protection Act, has been filed by the Company (Consumer Case no. 2/2022) against Tata AIG Insurance Co. before National Consumer Disputes Redressal Commission (NCDRC) praying for compensation in relation to damage of Generator of Unit 2. Matter has been admitted and notice has been issued to Respondent. The next date of hearing in the matter is 03 July 2024.
- 5 A consumer complaint under Section 21 of the Consumer Protection Act, has been filed by the Company (Consumer Case No. 2236/2018) against United India Insurance Company Limited before National Consumer Disputes Redressal Commission (NCDRC) praying for UIICL to be held deficient in providing services to RattanIndia Power Limited, (ii) the repudiation of the claim under Large Risk Insurance Policy No. 500300/11/14/06/00000170 is without any basis and is invalid and (iii) the claim amount of ₹ 608.67 lakhs along with Interest. The next date of hearing in the matter is 11 September 2024.

The Company is involved in various legal proceedings and other regulatory matters relating to conduct of its business. In respect of such claims, the Company believes that these claims do not constitute material litigation matters and with its meritorious defences, the ultimate disposition in these matters will not have material adverse effect on these consolidated financial statements.

E Others

RattanIndia Power Limited

The Company has provided commitment bank guarantees of ₹ 24,878.68 lakhs (31 March 2023 : ₹ 24,719.78 lakhs) which are secured by pledge on its fixed deposits of ₹ 12,441.84 lakhs (31 March 2023 : ₹ 5,195.30 lakhs) as margin for issuance of such bank guarantees.

- 33 The Water Resource Department of the Government of Maharashtra ('WRD' or "Respondent") vide their letter dated 29 January 2013 had raised a demand of ₹ 23,218 lakhs alongwith interest thereon, on RPL for payment of irrigation restoration charges (IRC) at the rate of ₹ 1 lakh per hectare as per Government Resolution (GR) dated 06 March 2009, which was contrary to the Water Resources Department, Government of Maharashtra's circular dated 21 February 2004 that stated the rate to be ₹ 0.50 lakh per hectare. RPL had paid ₹ 11,657 lakhs (calculated at ₹ 0.50 lakh per hectare) and had filed a Writ Petition before the Hon'ble Bombay High Court on 13 February 2013, challenging the validity of demand so raised by WRD. The Mumbai bench of Hon'ble Bombay High Court vide its order dated 3 August 2015 transferred the matter to Nagpur Bench. The Nagpur Bench vide its order dated 05 May 2016 had partly allowed the petition and held that demand at revised rate i.e. as per GR dated 06 March 2009 was illegal and unsustainable. As per Nagpur Bench order, the rate prescribed in the GR dated 06 March 2009 was applicable prospectively from 01 April 2009 and was not applicable in RPL case since the water allocation had already been finalized on 12 December 2007.

Pursuant to above order, Maharashtra State Government had filed a Special Leave Petition ("SLP") before the Hon'ble Supreme Court of India (SC). The Hon'ble SC vide its order dated 13 January 2023 set aside the order of Bombay High Court holding that RPL is liable to pay IRC at rate of ₹ 1 lakh/hectare. Aggrieved of the SC order, RPL had filed a review petition before the SC bench on 12 February 2023, that has been dismissed by the Hon'ble SC vide order dated 10 August 2023. Consequently, the management had assessed and accounted for the financial impact of the aforesaid matter in consolidated financial statements, as per applicable Indian Accounting Standards and believes no further adjustment is necessary.

38 Leases disclosure

The Holding Company has entered into a Power Purchase Agreement with MSEDCCL (Lessee) for the supply of electricity for a term of 25 years, which has been considered as an embedded lease arrangement for the Amravati power plant. Such lease is classified as operating lease, and as such the revenue is recognized on straight line basis. Considering that the capacity charges per unit is higher in the initial years, there is a negative impact to P&L on account of straight lining. Accordingly, capacity charges charged by the Group are treated as lease rentals. The minimum lease payments under non-cancellable operating leases to be charged by the Holding Company are as follows:

Minimum lease rentals receivables	31 March 2024	31 March 2023
Within one year	68,801.04	69,437.52
One to five years	275,392.66	275,839.42
Above five years	628,916.90	697,717.94

a) The table below describes the nature of the Group leasing activities by type of right-of-use asset recognised on balance sheet:

Right-of use assets	No of right-of use assets leased	Range of remaining term	Average remaining lease term	No of leases with extension options	No of leases with purchase options	No of leases with variable payments linked to an index	No of leases with termination options

Total	1,210.06	1,291.67

At 31 March 2024, the Group had not committed to leases which had not commenced.

The Group has elected not to recognise a lease liability for short term leases (leases of expected term of 12 months or less) or for leases of low value assets. Payments made under such leases are expensed on a straight-line basis. In addition, certain variable lease payments are not permitted to be recognised as lease liabilities and are expensed as incurred.

40 Financial instruments

i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Financial assets and liabilities measured at fair value - recurring fair value measurements

Financial assets			
Investments at FVTPL			
Investments in mutual funds	Level 2	-	799.13
Total financial assets		-	799.13

(iii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values. (Refer note 40(i))

(iv) Valuation process and technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

(a) Mutual funds: Use of NAV's obtained from the asset manager.

ii) Risk management

The Group's risk management activities are subject to the management direction and control under the framework of Risk Management Policy as approved by the Board of Directors of the Holding Company. The Management ensures appropriate risk governance framework for the Group through appropriate policies and procedures and the risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

The Group is exposed to various risks in relation to financial instruments. The Group's financial assets and liabilities by category are summarised in note 41(i). The Group's financial liabilities (other than derivatives) comprises mainly of borrowings including interest accrual, leases, trade, capital and other payables. The Group's financial assets (other than derivatives) comprise mainly of investments, cash and cash equivalents, other balances with banks, loans, trade and other receivables.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the Group. Credit risk arises from cash and cash equivalents, trade receivables, investments carried at amortised cost and deposits with banks and financial institutions. The Group's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at 31 March 2024 and 31 March 2023, as summarised below:

Particulars	31 March 2024	31 March 2023
Loans (i)	-	-

Other bank balances (iii)	53,557.77	12,082.73
Other financial assets (i)	1,418.50	2,312.50

The Group continuously monitors defaults of customers and other counterparties, and incorporates this information into its credit risk controls. The Group's policy is to deal only with creditworthy counterparties.

The Group's management considers that these financial assets that are not impaired or past due for each of the reporting dates under review are of good credit quality.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an on-going basis throughout each reporting period. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due. A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

- (i) The Group's management considers assets other than trade receivables, which are 30 days past due and analyses facts and circumstances surrounding each such defaults separately. If the facts indicate a probability of loss of value, the assets then expected cash flows are plotted in present value based impairment model to determine the amount of impairment loss. Amounts are written off only in the following circumstances: a) no probable legal recourse is available for recovery, b) the counterparty is bankrupt, c) the cost of recovery is more than the amount or d) after all possible efforts the Group is unable to recover amounts after a period of 3 years.
- (ii) Group's major trade receivables are only with, government owned counterparty and are recoverable under the power purchase agreement and bulk power transmission agreements. Therefore, these trade receivables are considered high quality and accordingly no life time expected credit losses are recognised on such receivables based on simplified approach.
- (iii) The credit risk for cash and cash equivalents and other bank balances is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities.

Notes to the Consolidated Financial Statements (Contd.)

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates.

Maturities of financial liabilities

The tables below analyse the Group's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

C) Market risk

a) Foreign currency risk

The Group is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to amount payable in US Dollar and EURO. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Group's functional currency.

Foreign currency risk exposure:

The Group's exposure to foreign currency risk at the end of the reporting years are as under:-

Particulars	31 March 2024		31 March 2023	
	Amount in Foreign currency	Amount (INR in lakhs)	Amount in Foreign currency	Amount (INR in lakhs)
Capital Creditor	USD 228,887	190.83	USD 4,830,400	3,971.40
	EURO 4,154,249	3,747.87	EURO 14,694,818	13,167.67

Sensitivity

The sensitivity of profit or loss and equity to changes in the exchange rates arises mainly from foreign currency denominated financial instruments and the sensitivity risk at the end of the reporting years are as under:

Particulars	31 March 2024	31 March 2023
Foreign currency risk		
Interest rates – increase by 100 basis points (31 March 2023: 100 basis points)	39.39	171.39
Interest rates – decrease by 100 basis points (31 March 2023: 100 basis points)	(39.39)	(171.39)

b) Interest rate risk

i) Liabilities/assets

The Group's policy is to minimise interest rate cash flow risk exposures on long-term financing. At 31 March 2024, the Group is exposed to changes in market interest rates through bank borrowings at variable interest rates. The Group's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

Below is the overall exposure of the Group to interest rate risk:

Particulars	31 March 2024	31 March 2023
Variable rate:		
Borrowing	-	106,636.83
Loan assets	-	-
Total variable rate exposure	-	106,636.83
Fixed rate:		
Borrowing	353,755.12	991,819.24
Loans and deposits	53,557.77	12,082.73
Total fixed rate exposure	300,197.35	979,736.51

Sensitivity

Below is the sensitivity of profit or loss and equity due to changes in interest rates, assuming no change in other variables:

Particulars	31 March 2024	31 March 2023
Interest sensitivity*		
Interest rates – increase by 100 basis points (31 March 2023: 100 basis points)	-	1,066.37
Interest rates – decrease by 100 basis points (31 March 2023: 100 basis points)	-	(1,066.37)

*excludes the impact of continuing defaults as at 31 March 2023, as summarised in note 17.

c) Price risk

Exposure

The Group is exposed to price risk in respect of its investment in mutual funds (refer note 10). The mutual funds are unquoted investments.

Price increase by 1000 basis points (31 March 2023: 1000 basis points)	-	79.91
Price decrease by 1000 basis points (31 March 2023: 1000 basis points)	-	(79.91)

42 Capital management

The Group's capital management objectives are

- to ensure the Group's ability to continue as a going concern
- to provide an adequate return to shareholders

The Group monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Management assesses the Group's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Group's various classes of debt. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

The amounts managed as capital by the Group for the reporting periods under review are summarised as follows:

Particulars	31 March 2024	31 March 2023
Long-term borrowings including finance lease obligations	311,452.27	257,742.81
Short-term borrowings including finance lease obligations	44,733.98	844,035.56
Interest accrued on borrowings	17,991.60	907,283.09
Total borrowings	374,177.85	2,009,061.46
Less:		
Cash and cash equivalents	12,101.64	17,901.83
Other bank balances	53,557.77	12,082.73
Investment of excess fund in mutual funds	-	799.13
Net debts	308,518.44	1,978,277.77
Total equity	436,387.23	(453,292.89)
Net debt to equity ratio	70.70%	-436.42%

- (i) Equity is defined as Equity share capital, securities and other equity including reserves and surplus.

The Group believes that it will be able to meet all its current liabilities and interest obligations in a timely manner.

The Group's capital management ensures that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to levy penal interest as per terms of sanction. There have been no breaches in the financial covenants of any interest-bearing loans and borrowings in the current year except as disclosed in note 17 and 55. No changes were made in the objectives, policies or processes for managing capital by the Group during the year ended 31 March 2024 and 31 March 2023.

54 Exceptional Items :

Following items are recognized as exceptional items

Particulars	Amount
Gain on loss of control of STPL (refer note 55)	1,065,887.60
Capital work in progress write off of subsidiary Company, PDDL (refer footnote (a) below)	(2,379.45)
Reclassification of foreign currency translation reserve, on disposal of foreign operations (refer note 56)	30,924.79
Reversal of earlier recognised losses/ gains, on disposal of foreign operations (refer note 56)	(30,924.79)
Net amount recognised as exceptional gain	1,063,508.15

a) Poena Power Development Limited ('PDDL') a wholly- owned subsidiary had incurred ₹ 2,379.45 lakhs in earlier years towards power plant project development activities and such expenditure formed part of 'Capital work in progress' (CWIP). Due to non-execution of PPA, further development activities of the project are currently suspended. In view of continuing uncertainty, the management during the current year has accounted for impairment loss against CWIP, that has been recorded as an exceptional item in these Consolidated financial statements.

55 Sinnar Thermal Power Limited ('STPL'), was an erstwhile wholly- owned subsidiary of the Group upto 18 January 2024. All 5 units of STPL relating to power generation projects had been commissioned, but were yet to commence commercial operations, pending the execution of Power Purchase Agreement ("PPA") for offtake of power. The matter related to execution of PPA with MSEDCL had been in dispute wherein STPL had filed a petition before Maharashtra Electricity Regulatory Commission (MERC) for adjudication of the dispute, however, the petition was withdrawn pursuant to the observation of MERC that STPL may reapproach MERC after securing firm and unconditional commitment from Lenders for providing working capital/ bank guarantees required for executing the PPA. In view of acute power shortage faced by the country during the recent past, the Ministry of Power had identified certain power plants, including that of STPL, that are commissioned and preserved in a condition that they can be brought into operation within few months' notice. In this context, STPL had been directed to make plant operational and endeavour to start power generation from 2 out of its 5 units at the earliest possible. STPL had been in discussions with various stakeholders to ensure that the plant could be started at the earliest possible and to ensure steps are taken for the long- term resolution.

During the previous year, the Hon'ble National Company Law Tribunal, New Delhi (the 'NCLT') vide order dated 19 September 2022, had admitted an application for insolvency filed by an operational creditor against STPL and had initiated Corporate Insolvency Resolution Process ('CIRP') under the Insolvency and Bankruptcy Code, 2016 ('IBC'). Subsequently, the Hon'ble National Company Law Appellate Tribunal ('NCLAT') vide its order dated 26 September 2022 in response to the appeal filed against the NCLT order, had directed the Interim Resolution Professional ('the IRP') to abstain from taking any steps and had allowed STPL to participate further with the Ministry of Power in continuation of the earlier meetings/ discussions for making the plant operational. During last few months, while the STPL's management had been actively engaging with the lenders for restructuring of overdue debts and for reaching consensus on alternate options post the non-acceptance of the earlier financial proposal made by STPL management, the Hon'ble NCLAT vide Order dated 19 January 2024 has dismissed STPL's appeal. Pursuant to the dismissal of appeal, Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code 2016 ('IBC') were reinitiated. In accordance with the provisions of IBC, the powers of the Board of Directors of STPL stand suspended and the management of STPL presently vests with the Resolution Professional ('RP') appointed under the provisions of IBC. Accordingly, effective from the date of dismissal of appeal by NCLAT, the Group has lost control over STPL.

Consequent to the above, the assets and liabilities of STPL have been de-recognized at their respective carrying values as at 18 January 2024, in accordance with the requirements of Ind AS 110 - Consolidated Financial Statements. The said accounting for loss of control has resulted in net gain of ₹ 1,065,887.60 lakhs, that has been presented as an 'exceptional item' in the Consolidated financial statements.

Statement of assets and liabilities related to STPL (forming part of the Group) as at 18 January 2024, that have been derecognized in the Consolidated financial statements:

Particulars	Amount
Total liabilities	1,827,231.20
Total assets (net of intercompany transactions)	(761,343.60)
Net gain on loss of control of STPL	1,065,887.60

Further, STPL had been defaulting in repayment of borrowings from banks and financial institutions, including interest, aggregating to ₹ 1,422,315.07 lakhs upto 18 January 2024. In respect of 'Other current financial liabilities (accrued interest)' balance aggregating to ₹ 665,238.00 lakhs, direct confirmations had not been received while in case of certain lenders, the balance of Current borrowings and accrued interest confirmed was higher ₹ 37,999.00 lakhs and ₹ 39,622.00 lakhs respectively when compared with book balances as at 31 December 2023. In the absence of confirmations / statements from lenders, STPL had provided for interest (including penal interest) based on the interest rate specified in the respective agreement/sanction letter or latest communication available from the respective lenders and interest had been computed on the balance of loans as per STPL's records. As per the Group management, no adjustment is required in respect of such borrowings and other related liabilities, derecognized in these consolidated financial statements, or consequently to the gain recorded during the year on the said de-recognition on account of loss of control of the subsidiary company.

56 During the current year, RPL's overseas subsidiary company- Bracond Limited and step- down subsidiary companies- Genoforum Limited and Renemark Limited, have been dissolved effective 27 March 2024, as certified by Department of Insolvency, Ministry of Energy, Commerce and Industry, Cyprus. Consequently, in accordance with Ind AS 21 'The Effects of Changes in Foreign Exchange Rates', the cumulative amount of exchange differences relating to such foreign operations, recognised in 'Other comprehensive income' in current and earlier years, and accumulated as 'foreign currency translation reserve (FCTR)' under 'Other equity' has been reclassified from such component of Other equity to the consolidated statement of profit and loss on the date of aforesaid disposal.

- (ix) The Group has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on Number of Layers) Rules 2017.

58 Revenue from operations on account of Change in Law events in terms of PPA is accounted for by RPL based on the best estimates, favourable and covered orders of regulatory authorities in some cases which may be subject to adjustments on account of final orders of respective authorities.

Notes to the Consolidated Financial Statements (Contd.)

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

- 59 The Code on Social Security, 2020 ('Code') has been notified in the Official Gazette of India on 29 September 2020, which could impact the contributions of the Group towards certain employment benefits. Effective date from which changes are applicable is yet to be notified and the rules are yet to be framed. Impact, if any, of change will be assessed and accounted for in the period of notification of relevant provisions.
- 60 The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.
- The Holding Company and its subsidiary companies have used accounting software for maintaining their respective books of account, which have a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the respective software, except for the instances mentioned below:
- (i) In case of the Holding Company, the audit trail (edit log) was not enabled at the database level for the accounting software to log any direct changes to the underlying database;
- (ii) In case of one subsidiary, the audit trail feature for accounting software used for maintenance of accounting recordings was not enabled for the period 01 April 2023 to 03 April 2023. However, no transactions were undertaken and recorded during such period. Further, the said subsidiary migrated to updated version of aforesaid software effective 4 April 2023 in which the edit log feature is an intrinsic part of system design and cannot be disabled. Accordingly, the audit trail feature has been enabled and operated for the period commencing from 04 April 2023 to 31 March 2024.
- Further, no instance of audit trail feature being tampered with was noted in respect of the software.
- 61 The Group evaluates events and transactions that occur subsequent to the balance sheet date, there were no significant adjusting events that occurred other than those disclosed/given effect to in these consolidated financials statements.

To the Members of RattanIndia Power Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of RattanIndia Power Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Recognition of exceptional item

4. We draw attention to note 55 of the accompanying standalone financial statements which describes that pursuant to the re-initiation of Corporate Insolvency Resolution Process ('CIRP') against Sinnar Thermal Power Limited ('STPL') under the Insolvency and Bankruptcy Code, 2016 ('IBC'), STPL has ceased to be a subsidiary of the Company with effect from 19 January 2024. In view of uncertainties associated with the outcome of CIRP proceedings, the Company has recorded full impairment of the carrying balance of its investment in and write off of loans extended to STPL amounting to ₹ 121,181.76 lakhs and ₹ 3,332.64 lakhs, respectively and has presented such impairment / write off expenses aggregating to ₹ 124,514.40 lakhs as 'exceptional item' in the Standalone Statement of Profit and Loss.

Our opinion is not modified in respect of this matter.

Emphasis of Matter– Application filed by one of the Redeemable Preference Share Holders

5. We draw attention to note 17(viii) of the accompanying standalone financial statements, which describes that one of the RPS holders, holding 0.001% Redeemable Preference Shares (RPS) of ₹ 2,872.10 lakhs in the Company, has filed an application against the Company and its subsidiary company which is not yet admitted, under Section 7 of Insolvency and Bankruptcy Code, 2016 ('IBC Code') demanding the redemption of the principal amount along with interest and dividend.

The management is of the view that the aforesaid application filed under Section 7 of IBC Code is not maintainable under applicable laws and no material impact is expected on the accompanying standalone financial statements and/or on the operations and functioning of the Company.

Our opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
7. We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditor's Report (contd.)

Key audit matter	How our audit addressed the key audit matter
<p>Revenue recognition and assessment of recoverability of receivables related to 'change in law' event claims (Refer Notes 2 and 3 for material accounting policy information and Notes 12 and 26 for disclosures in the standalone financial statements)</p>	
<p>The Company is engaged in the business of power generation which is supplied to Maharashtra State Electricity Distribution Company Limited ('MSEDCL'/'Discom') as per the Power Purchase Agreement (PPA) entered with such party.</p> <p>Revenue recognition under Ind AS 115 - Revenue from Contracts with Customers ('Ind AS 115') requires the management to make certain judgements and estimates such as determining timing of revenue recognition and transaction price, including variable consideration, as per the terms of the contract with customer.</p> <p>Under the aforementioned PPA, the Company is eligible for various compensation claims relating to 'change in law' events resulting in higher costs incurred by the Company against earlier estimates, such as additional duties and taxes, increased procurement cost of coal from alternative sources, etc alongwith Late Payment Surcharge (LPS) thereon. Such compensation claims are raised by the Company upon approval of aforesaid 'change in law' events by the relevant regulatory authorities and are subject to partial/ final acceptance of such claims by the Discom.</p> <p>In certain cases where the regulatory orders are subject matter of appeal with higher appellate forums/ authorities and the amount of claims are not ascertainable, revenues for change in law claims are not recognised, pending outcome of the final decision.</p> <p>In view of the materiality of the amount, complexity and significant judgement involved in estimation of the amounts of such claims and recoverability thereof, the matter is identified as a key audit matter for the current year audit.</p>	<p>Our audit procedures in relation to revenue recognition and recoverability assessment of receivables relating to 'change in law' event claims included, but were not limited to, the following:</p> <ul style="list-style-type: none"> • Examined the Company's accounting policies with respect to assessing compliance with Ind AS 115. • Evaluated the design and tested the operating effectiveness of the key internal financial controls for recognition of revenue, including those relating to monitoring of 'change in law' events and related status of pending claims under appeals before various regulatory authorities. • Inspected the relevant state regulatory commission, appellate tribunal and court rulings and examined management assumptions / judgement relating to assessing impact of such regulatory orders on the measurement / estimation of recoverability of related claims. • Tested, on a sample basis, the accuracy of the underlying data and reviewed the assumptions used by the management for measuring / computing the amounts of compensation claims as per regulatory orders, basis historical information and other available internal and external data. • Obtained legal opinion from the Company's external legal counsels with respect to recoverability assessment of compensation claims and LPS thereon and reviewed the same basis our understanding of the matter and current industry practice. • Assessed the professional competence and objectivity of management's legal experts involved as above. • Tested the latest joint reconciliations for trade receivables performed by the Company with the Discom, as available, with underlying records. • Assessed the adequacy and appropriateness of disclosures made in the standalone financial statements in accordance with the requirements of Ind AS 115.
<p>Litigation and contingent liabilities relating to litigations (Refer notes 2 and 3 for material accounting policy information and note 33 for disclosures related to legal and regulatory cases in the standalone financial statements)</p>	
<p>The Company is exposed to a large number of litigations with various authorities, third parties/vendors and income tax matters which could have a significant impact on the financial position of the Company, if the potential exposures were to materialise. The eventual outcome of these legal proceedings is dependent on the outcome of future events.</p>	<p>Our audit procedures in relation to contingent liabilities relating to litigations included, but were not limited to, the following:</p> <ul style="list-style-type: none"> • Obtained an understanding of the management process for:

<p>The amounts involved are material and the application of accounting principles as given under Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets ('Ind AS 37'), in order to determine the amount to be recorded as a liability or to be disclosed as a contingent liability, in each case, is inherently subjective, and needs careful evaluation and judgement to be applied by the management.</p> <p>Key judgments involved are with respect to estimating the amount of liabilities, provisions and/or contingent liabilities related to aforementioned litigations, timing of cash outflows, basis interpretation of laws, past rulings, etc .</p> <p>Considering the degree of judgment, significance of the amounts involved, inherent high estimation uncertainty and reliance on external legal and tax experts, this matter has been identified as a key audit matter for the current year audit.</p>	<ul style="list-style-type: none"> • identification of legal and tax matters initiated against the Company; <ul style="list-style-type: none"> - assessment of accounting treatment for each such litigation identified under Ind AS 37 accounting principles; and - measurement of amounts involved. • Evaluated the design and tested the operating effectiveness of key controls around above process including for completeness and accuracy of the list of litigations outstanding against the Company. • Obtained an understanding of the nature of litigations pending against the Company and discussed the key developments during the year for key litigations with the management and respective legal counsels handling such cases on behalf of the Company. • Obtained and reviewed the necessary evidence which includes correspondence with the external and internal legal counsels, wherever applicable and inspected minutes of case proceedings available in public domain, to support the decisions and rationale for creation of provisions and / or disclosure of contingent liabilities in respect of each such litigation selected for testing. We focused on the developments in the existing litigations and new litigations, which could have materially impacted the amounts recorded as provisions or disclosed as contingent liability in the standalone financial statements. • Assessed management's conclusions through discussions held with the in-house legal counsel and understood past precedents for similar cases. • Obtained and read the correspondence with the regulatory authorities, including past judgements on the subject matter of specific significant litigations. • Involved auditor's tax experts to assess appropriateness of key estimates and judgements made in relation to uncertain tax positions. • Assessed the appropriateness of methods used, and the reliability of underlying data for the underlying calculations made for quantifying the amounts involved. Tested the arithmetical accuracy of such calculations. • Evaluated the appropriateness and adequacy of disclosures made by the Management of the Company in the financial statements in accordance with applicable accounting standards.

Independent Auditor's Report (contd.)

Information other than the Financial Statements and Auditor's Report thereon

8. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

9. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
10. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
13. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

17. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
18. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
19. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matter stated in paragraph 19(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
 - c) The standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
 - e) The matters described in paragraph 5 under the Emphasis of Matter in our opinion, may have an adverse effect on the functioning of the Company;
 - f) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;
 - g) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 18(b) above on reporting under section 143(3)(b) of the Act and paragraph 19(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);

Independent Auditor's Report (contd.)

- h) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2024 and the operating effectiveness of such controls, refer to our separate report in Annexure B, wherein we have expressed an unmodified opinion; and
- i) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. the Company, as detailed in note 33 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2024;
 - ii. the Company, did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2024;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;
 - iv.
 - a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 58(v) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. The management has represented that, to the best of its knowledge and belief, as disclosed in note 58(vi) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year ended 31 March 2024;
 - vi. As stated in note 59 to the standalone financial statements and based on our examination which included test checks, the Company, in respect of financial year commencing on 1 April 2023, has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software except that the audit trail feature was not enabled at the database level to log any direct data changes, used for maintenance of all accounting records by the Company.
- Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, where such feature was enabled.

Annexure A referred to in Paragraph 18 of the Independent Auditor's Report of even date to the members of RattanIndia Power Limited on the standalone financial statements for the year ended 31 March 2024

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress and relevant details of right of use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its property, plant and equipment, capital work-in-progress and relevant details of right of use assets under which the assets are physically verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain property, plant and equipment and relevant details of right of use assets were verified during the year and no material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in note 4 to the standalone financial statements are held in the name of the Company except for the following properties, for which the Company's management is in the process of getting the registration in the name of the Company:

Description of property	Gross carrying value (₹ in lakhs)	Held in name of	Whether promoter, director or their relative or employee	Period held	Reason for not being held in name of company
Land	337.35	The land parcels are in name of past owners	No	Since 2019	Maharashtra Industrial Development Corporation (MIDC) is in process of transferring land title in name of the Company.

Further, for properties where the Company is a lessee and the lease agreements are duly executed in favour of the lessee, the Company has entered into sub-leasing arrangements in 1 case.

- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and inventory lying with third parties. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed as compared to book records. In respect of inventory lying with third parties, these have substantially been confirmed by the third parties and in respect of goods-in-transit, these have been confirmed from corresponding receipt and/or dispatch inventory records.
- (b) The Company has not been sanctioned working capital limits in excess of five crore rupees by banks or financial institutions on the basis of security of current assets at any point of time during the year. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) The Company has provided loans to Subsidiaries during the year as per details given below:

Particulars	Amount(In lakhs)
Aggregate amount provided during the year	265.38
Balance outstanding as at balance sheet date	*25,000.00

* Excludes impact of fair value adjustments

- (b) The Company has not made any investment, provided any guarantee or given any security during the year. However, the Company has granted loan to 1 subsidiary company, amounting to ₹ 265.38 lakhs (year-end balance- ₹ Nil), terms and conditions of which are, prima facie, not prejudicial to the interest of the Company.

Annexure A to the Independent Auditor's Report

(contd.)

- (c) In respect of loans and advances in the nature of loans granted by the Company, the schedule of repayment of principal has not been stipulated and accordingly, we are unable to comment as to whether the repayments of principal are regular. Further, no interest is receivable on such loans and advances in the nature of loans.
- (d) There is no overdue amount in respect of loans or advances in the nature of loans granted to subsidiary companies.
- (e) In respect of loans and advances in the nature of loans granted by the Company, the schedule of repayment of principal has not been stipulated. Further, no interest is receivable on such loans and advances in the nature of loans. According to the information and explanation given to us, such loans have not been demanded for repayment as on date.
- (f) The Company has granted loan which are repayable on demand, as per details below:

Particulars	Related parties (Amount in ₹ lakhs)
Repayable on demand (A)	25,000.00
Agreement does not specify any terms or period of repayment (B)	-
Total (A+B)	25,000.00
Percentage of loans/advances in nature of loan to the total loans	100%

- (iv) The Company has not entered into any transaction covered under section 185 of the Act. As the Company is engaged in providing infrastructural facilities as specified in Schedule VI of the Act, provisions of section 186 except sub-section (1) of the Act are not applicable to the Company. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of sub-section (1) of section 186 of the Act in respect of investments, as applicable.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has specified maintenance of cost records under sub-section (1) of section 148 of the Act in respect of the products of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Gross Amount (₹ in lakhs)	Amount paid under Protest (₹ in lakhs)	Period to which the amount relates	Forum where dispute is pending
Income-tax Act, 1961	Additions on account of disallowances	44.69	-	Assessment Year 2019-20	Deputy Commissioner of Income tax

Central Goods and Services Tax Act, 2017	Consideration of service under the Act.	757.01	56.78	October 2012 to June 2017	Customs, Excise and Service Tax Appellate Tribunal.

- (viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.
- (ix) (a) According to the information and explanations given to us read along with note 17, pursuant to receiving the approvals for rescheduling its loans from the lenders, the Company has not defaulted in repayment of loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us, money raised by way of term loans were applied for the purposes for which these were obtained.
- (d) In our opinion and according to the information and explanations given to us, the Company has not raised any funds on short term basis during the year. Accordingly, reporting under clause 3(ix) (d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the period covered by our audit.
- (b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.
- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system which is commensurate with the size and nature of its business as required under the provisions of section 138 of the Act
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of section 192 of the Act are not applicable to the Company.

Annexure A to the Independent Auditor’s Report

(contd.)

- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a),(b) and (c) of the Order are not applicable to the Company.
- (d) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.
- xvii) The Company has not incurred any cash loss in the current as well as the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information in the standalone financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) According to the information and explanations given to us, the Company has met the criteria as specified under sub-section (1) of section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, however, in the absence of average net profits in the immediately three preceding years, calculated in accordance with section 198 of the Act, there is no requirement for the Company to spend any amount under sub-section (5) of section 135 of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure B to the Independent Auditor's Report of even date to the members of RattanIndia Power Limited, on the standalone financial statements for the year ended 31 March 2024

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of RattanIndia Power Limited ('the Company') as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial

Annexure B to the Independent Auditor's Report

(contd.)

statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI').

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

Material accounting policies and notes to the standalone financial statements for the year ended 31 March 2024

1. Corporate Information

Nature of Operations

RattanIndia Power Limited ('RPL' or 'the Company') is a public company domiciled and incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is situated at A-49, Ground Floor, Road No. 4, Mahipalpur, New Delhi-110037.

The shares of the Company are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) of India. The Company is principally engaged in the business of dealing in power generation, distribution, trading and transmission and other ancillary and incidental activities.

The Company has installed capacity of five units of 270 MW each at Amravati, Maharashtra to augment the power supply in the state of Maharashtra. The Company sells the power generated from 1350 MW power project under long term Power Purchase Agreement with Maharashtra State Electricity Distribution Company Limited (MSEDCL). Also, the Company on merchant basis is engaged in trading of electricity in open market.

The standalone financial statements for the year ended 31 March 2024 were approved by the Board of Directors and authorised for issue on 22 May 2024.

2. Material Accounting policies

a) Basis of preparation

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) read with section 133 of Companies Act, 2013 and presentation requirements of Division II of schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III), on the historical cost basis except for certain financial instruments that are measured at fair values, as explained in the accounting policies below.

The financial statements are presented in INR (₹) which is also the Company's functional currency and all values are rounded to the nearest lakhs, except when otherwise indicated

All assets and liabilities are classified as current and non-current as per Company's normal operating cycle of 12 months which is based on the nature of business of the Company. Current Assets do not include elements which are not expected to be realised within 12 months and Current Liabilities do not include items which are due after 12 month, the period of 12 months being reckoned from the reporting date.

Deferred Tax Assets and liabilities are classified as non-current assets and liabilities.

b) Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes or other amounts collected from customers.

The disclosure of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in Note 3.

The specific recognition criteria described below must also be met before revenue is recognised.

Revenue from operation of Power plant

Revenue from operation of plant is recognised on transfer of significant risks and rewards of ownership to the buyer which is when delivered, and measured on an accrual basis based on the rates in accordance with the provisions of the Power Purchase Agreements (PPAs) entered into by the Company with the procurer/s of power.

Revenue from operations on account of Force Majeure events / change in law events in terms of PPA with customers (Discom) is accounted for by the Company based on the orders / reports of Regulatory Authorities, best management estimates, wherever needed and reasonable certainty to expect ultimate collection.

Refer policy on leased assets for accounting policy of customer contracts that contain a lease.

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

Interest Income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

c) Borrowing costs

Borrowing costs include interest and amortisation of ancillary costs incurred to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/ development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Any income earned on the temporary deployment/ investment of those borrowings is deducted from the borrowing costs so incurred. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

d) Property, plant and equipment

Recognition and initial measurement

Property plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Any expenditure directly/ indirectly related and attributable to the construction of power projects and incidental to setting up power project facilities, incurred prior to the Commercial Operation Date (COD) of the Power Project, are accumulated under "Capital work-in-progress", to be capitalised on completion of construction of the respective power projects and facilities/ COD.

Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life.

Subsequent measurement (depreciation and useful lives)

In respect of Property, plant and equipment covered under part A of Schedule II to the Companies Act, 2013, depreciation is recognised based on the cost of assets (other than freehold land) less their residual values over their useful lives, using the straight-line method in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. The useful life of property, plant and equipment is considered based on life prescribed in schedule II to the Companies Act, 2013.

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Major inspection / overhauling including turnaround and maintenance cost are depreciated over the period of 6 years. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

e) Intangible assets

Recognition and initial measurement

Intangible assets include cost of acquired software. Intangible assets are initially measured at acquisition cost including

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

any directly attributable costs of preparing the asset for its intended use and are carried at cost less accumulated amortisation and accumulated impairment losses.

Subsequent measurement (depreciation and useful lives)

The intangible assets are amortised over a period in the range of three to five years on a straight-line basis, commencing from the date the asset is available to the Company for its use. The amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

Derecognition

An intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the standalone statement of profit and loss when the asset is derecognised.

f) Leases

Determining whether an arrangement contains a lease

The Company has certain long term arrangements for sale of power. Such arrangements are evaluated to consider whether it contains a lease. It is considered to contain a lease if based on the substance of the arrangement:

- (i) fulfilment of the arrangement is dependent on the use of a specific asset or assets (the asset); and
- (ii) the arrangement conveys a right to use the asset.

An arrangement is considered to contain a lease if facts and circumstances indicate that it is remote that one or more parties other than the purchaser will take more than an insignificant amount of the output or other utility that will be produced or generated by the asset during the term of the arrangement, and the price that the purchaser will pay for the output is neither contractually fixed per unit of output nor equal to the current market price per unit of output as of the time of delivery of the output.

Company as a lessee

The Company recognises right-of-use assets and lease liabilities for all leases except for short-term leases and leases of low-value assets.

The Company applies the available practical expedients wherein it:

- Uses a single discount rate to a portfolio of leases with reasonably similar characteristics
- Relies on its assessment of whether leases are onerous immediately before the date of initial application
- Applies the short-term leases exemptions to leases with lease term that ends within 12 months at the date of initial application
- Excludes the initial direct costs from the measurement of the right-of-use asset at the date of initial application
- Determining the lease term of contracts with renewal and termination options where Company is lessee - The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.
- The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received.

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

Lease Liability

The Company records the lease liability at the present value of the lease payments discounted at the incremental borrowing rate at the date of initial application and right of use asset at an amount equal to the lease liability adjusted for any prepayments/accruals recognised in the balance sheet. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

Short-term Leases and Leases of Low-Value Assets

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term.

Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

Finance leases

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognised as revenue in the period in which they are earned.

Operating leases

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. The respective leased assets are included in the balance sheet based on their nature. Rental income is recognized on straightline basis over the lease term except where scheduled increase in rent compensates the Company with expected inflationary costs.

Such lease is classified as operating lease, and as such the revenue is recognized on straight line basis. Considering that the capacity charges per unit is higher in the initial years, there is a negative charge to Statement of Profit and loss account of straightlining.

g) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/ external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit ("CGU") to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An impairment loss is reversed if the asset's or cash-generating unit's recoverable amount exceeds its carrying amount.

In assessing value in use, the estimated future cash flows are discounted to their present values using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

The Company enters into transaction with suppliers that involves prepayment in conjunction with advances for goods and services wherein the Company assesses at each reporting date whether goods against the advance is recoverable and if there is any indication, the asset may be provided.

h) Financial instruments

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, unless the financial instrument is designated to be measured at fair value through profit or loss (FVPL) or fair value through other comprehensive income (FVOCI).

Financial assets

Subsequent measurement

Financial assets at amortised cost – the financial assets are measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. All other debt instruments are measured at FVOCI or FVTPL based on Company's business model. All investments in mutual funds in scope of Ind-AS 109 are measured at FVTPL.

Classification

Financial assets measured at amortised cost

Financial assets that meet the criteria for subsequent measurement at amortised cost are measured using effective interest method ("EIR") (except for debt instruments that are designated as at fair value through profit or loss on initial recognition). Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets that meet the criteria for initial recognition at FVTOCI are remeasured at fair value at the end of each reporting date through other comprehensive income (OCI).

Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the amortised cost criteria or FVTOCI criteria are remeasured at fair value at the end of each reporting date through profit and loss

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company considers –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables

The Company applies approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of receivables.

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, life time impairment loss is provided, otherwise provides for 12 month expected credit losses.

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities subsequent measurement

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. These liabilities include borrowings and deposits.

Classification of Financial liabilities

Financial liabilities at fair value through profit or loss (FVTPL) Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as fair value through profit or loss. Financial liabilities are classified as held for trading if these are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company those are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. Subsequent changes in fair value of liabilities are recognised in the statement of profit and loss.

Financial liabilities measured at amortised cost

Financial liabilities that are not held-for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item in the statement of profit and loss.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

i) Investments in subsidiaries

The Company has accounted for its investments in subsidiaries at cost in its standalone financial statements in accordance with Ind AS- 27, Standalone Financial Statements.

Profit/ loss on sale of investments is recognised on the date of the transaction of sale/disposal and is computed with reference to the original cost of the investment sold.

j) Inventories

Inventories are valued at the lower of cost derived on weighted average basis and the net realizable value after providing for obsolescence and other losses, where considered necessary.

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

Costs include all non-refundable duties and all charges incurred in bringing the goods to their present location and condition.

Net realisable value represents estimated selling price of inventories and in case of coal inventory, it also includes the tariff price recoverable from supply of power generated from usage of coal less all estimated cost necessary to make the sale.

k) Income taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income ("OCI") or directly in equity.

Current Tax

Current tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred tax is recognised for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date. Deferred tax liabilities are generally recognised for all taxable temporary differences except when the deferred tax liability arises at the time of transaction that affects neither the accounting profit or loss nor taxable profit or loss. Deferred tax assets are generally recognised for all deductible temporary differences, carry forward of unused tax credits and any unused tax losses, to the extent that it is probable that future taxable income will be available against which the deductible temporary differences and carry forward of unused tax credit and unused tax losses can be utilised, except when the deferred tax asset relating to temporary differences arising at the time of transaction affects neither the accounting profit or loss nor the taxable profit or loss. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss, either in other comprehensive income or directly in equity. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

When there is uncertainty regarding income tax treatments, the Company assesses whether a tax authority is likely to accept an uncertain tax treatment. If it concludes that the tax authority is unlikely to accept an uncertain tax treatment, the effect of the uncertainty on taxable income, tax bases and unused tax losses and unused tax credits is recognised. The effect of the uncertainty is recognised using the method that, in each case, best reflects the outcome of the uncertainty: the most likely outcome or the expected value. For each case, the Company evaluates whether to consider each uncertain tax treatment separately, or in conjunction with another or several other uncertain tax treatments, based on the approach that best prefixes the resolution of uncertainty.

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

l) Cash and cash equivalents

Cash and cash equivalents comprise Cash on hand, demand deposits with banks/ corporations and short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

m) Foreign currency translations

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency are recognised at the rate of exchange prevailing at the date of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in profit and loss in the period in which they arise.

n) Employee benefits

Defined contribution plans

The Company makes contribution to the statutory provident fund in accordance with the Employees Provident Fund and Miscellaneous Provision Act, 1952 which is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which the services are rendered.

Defined benefit plans

Gratuity is in the nature of a defined benefit plan. The liability recognised in the standalone financial statements in respect of gratuity is the present value of the defined benefit obligation at the reporting date together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

Compensated Absences:

Provision for compensated absences and its classifications between current and non-current liabilities are based on independent actuarial valuation. The actuarial valuation is done as per the projected unit credit method as at the reporting date.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

Short-term employee benefits

These are recognised at an undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered.

o) Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the Company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

p) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company, or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent liabilities may arise from litigation, taxation and other claims against the Company. The contingent liabilities are disclosed where it is management's assessment that the outcome of any litigation and other claims against the Company is uncertain or cannot be reliably quantified, unless the likelihood of an adverse outcome is remote.

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

Contingent assets are not recognised. However, when inflow of economic benefit is probable, related asset is disclosed.

q) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

r) Certain prior year amounts have been reclassified for consistency with the current year presentation. Such reclassification does not have any impact on the current year financial statements.

s) Recent accounting pronouncements:

New and Amended Standards Adopted by the Company:

The Company has applied the following amendments for the first time for their annual reporting period commencing April 1, 2023:

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments to Ind AS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates.

Ind AS 1 – Presentation of Financial Statements

The amendments to Ind AS 1 provide guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. This amendment did not have any material impact on the Company's standalone financial statements and disclosures.

Ind AS 12 – Income Taxes

The amendments to Ind AS 12 Income Tax narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities.

The Company previously recognised for deferred tax on leases on a net basis. Pursuant to the aforementioned amendment, the Company has grossed-up the deferred tax assets (DTA) and deferred tax liabilities (DTL) recognised in relation to leases w.e.f. 1 April 2022. However, the said gross-up has no impact on the net deferred tax liabilities/expense presented in the standalone financial statements.

New Standards/Amendments notified but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. As at 31 March 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

3. Significant management accounting judgements, estimates and assumptions

The preparation of the Company's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an ongoing basis and any revisions thereto are recognized in the period of revision and future periods if the revision affects both the current and future periods. Uncertainties about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

year, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Defined benefit plans

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Information about the various estimates and assumptions made in determining the present value of defined benefit obligations are disclosed in note 37.

Fair value measurements

In estimating the fair value of financial assets and financial liabilities, the Company uses market observable data to the extent available. Where such Level 1 inputs are not available, the Company establishes appropriate valuation techniques and inputs to the model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in note 40.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset.

Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the Power Plants. Further, the cash flow projections are based on estimates and assumptions relating to tariff, operational performance of the Plants, life extension plans, market prices of coal and other fuels, exchange variations, inflation, terminal value etc. which are considered reasonable by the Management

Impairment of Investments made / Loans given to subsidiaries

In case of investments made and loans given by the Company to its subsidiaries, the Management assesses whether there is any indication of impairment in the value of investments and loans. The carrying amount is compared with the present value of future net cash flow of the subsidiaries based on its business model or estimates is made of the fair value of the identified assets held by the subsidiaries, as applicable.

Taxes

Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies, including estimates of temporary differences reversing on account of available benefits under the Income Tax Act, 1961.

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Useful lives of depreciable/ amortisable assets

The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Income/ Revenue

Revenue from sale of power is recognised upon judgement by the management for recoverability of the claims based on the relevant contractual terms / provisional rates as provided by the regulator / governing tariff regulations, to the extent applicable, having regard to mechanism provided in applicable tariff regulations and the bilateral arrangement with the customers, which may be subject to adjustments in future years, on receipt of final orders of the respective Regulatory Authorities or final closure of the matter with the customers.

In certain cases, the Company has claimed compensation from the Discoms based on management's interpretation of the regulatory orders and various technical parameters, which are subject to final verification and confirmation by the respective Discoms and hence, in these cases, the revenues have been recognised during various financial years / periods on a prudent basis with conservative parameters in the books in accordance with the terms of Power Purchase Agreement. The necessary true-up adjustments for revenue Claims (including carrying cost / delayed payment surcharge) are made in the books on final acknowledgement / regulatory orders / settlement of matters with respective Discoms or eventual recovery of the claims, whichever is earlier.

Classification of Trade Receivables

In view of pending litigations on regulatory matters, the classification of disputed / undisputed trade receivables is a matter of judgement based on facts and circumstances. The Company evaluates the fact pattern and circumstances, including ongoing discussions with the state-owned power distribution Companies (Discom), for each such regulatory matter pending to be adjudicated by the relevant authority. In cases, where discussions with Discom have not made reasonable progress and matters are subjudice, the related receivables are classified as disputed, even though the management is reasonably confident of recovering the dues in full, backed by the regulatory orders in favour of the Company. The management will continue to monitor the developments on regulatory matters.

Notes to the Standalone Financial Statements

of RattanIndia Power Limited for the year ended 31 March 2024

(All amount in ₹ Lakhs, unless otherwise stated)

The Company's contract with customers for the sale of electricity generally include one performance obligation. Revenue from sale of power is recognized net of cash discount over time for each unit of electricity delivered at the contracted rate.

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer. Contract liabilities are recognised as revenue when the Company performs obligations under the contract.

Reconciling the amount of revenue recognised in the statement of profit and loss with the contracted price

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Revenue as per contract	336,399.55	323,116.35
Adjustments:		
Cash rebate	-	-
Other adjustments	-	-
Revenue from contract with customers	336,399.55	323,116.35

Transaction price - remaining performance obligation

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognized as at the end of the reporting period and an explanation as to when the Company expects to recognize these amounts in revenue. Applying the practical expedient as given in Ind AS 115, the Company has not disclosed the remaining performance obligation related disclosures for contracts as the revenue recognised corresponds directly with the value to the customer of the entity's performance completed till the reporting period.

33 Details of contingent liabilities, pending litigations and other matters:

A. Claims against the Company not acknowledged as debt:

1 During the year ended 31 March 2022, the Company had filed writ petition before Hon'ble Delhi High Court ('DELHI HC') and had sought relief and direction to Ministry of Power and Ministry of Coal as well as Western Coalfields Limited ('WCL') and Mahanadi Coalfields Limited ('MCL'), the subsidiaries of Coal India Limited, for returning of Bank Guarantees issued pursuant to Letter of Assurance (LOA), as the Fuel Supply Agreement (FSA) against this LOA was not materialized and Company has not utilized this for any coal supply to the plant. Subsequently during the year ended 31 March 2023, Company had received letters from WCL & MCL informing cancellation of LOA and invocation of bank guarantee amounting to ₹ 5,496.14 lakhs. The Company had filed an application of stay before Delhi HC and in response thereto, the Delhi HC had directed WCL & MCL not to take any coercive action pursuant to their letters. The Company based upon inputs from legal experts believes that it has a strong case and accordingly, no provision is considered necessary in these standalone financial statements at this stage.

2 During the year ended 2010-11, the Company had entered into a contract with Bharat Heavy Electrical Limited ('BHEL') for erection and supply of certain material for phase II of its power project at Amravati. Consequent to this contract, BHEL supplied certain materials which were not warranted at that time and there were various communications made by the Company with BHEL to take off these materials from the site. Subsequently, BHEL initiated arbitration proceeding against the Company, alleging the payment outstanding in respect of the materials so supplied by them. The Hon'ble High Court of Delhi also disposed off the petition upon the instruction to the parties that petition before Hon'ble High Court be treated as an application under Section 17 of the Arbitration and Conciliation Act, 1996, before the Arbitral Tribunal. Thereafter, BHEL filed multiple applications including under Arbitration and Conciliation Act, 1996, on 14 April 2016 before Arbitral Tribunal.

On BHEL's application for seeking interim award based on admissions, the Tribunal had heard the arguments of both BHEL and the Company and the Tribunal had passed an interim award of ₹ 11500.00 lakhs against the Company vide its order dated 27 July 2017. The Company had filed an appeal against the said interim award on 16 October 2017 before the Hon'ble High Court of Delhi, that is currently pending disposal.

A Petition had also been filed by BHEL praying the Hon'ble High Court to issue warrants of attachment/ or auction sale of immovable and movable assets of the Company for realizing the amount payable/due as per the Interim award dated 27 July 2017. During the year, in response to such petition, the Hon'ble High Court vide order dated 8 August 2023 had allowed attachment of certain assets in connection with the interim award; subject to any prior charge already created on the said assets in favour of third parties.

The Company's management, based on inputs from its legal experts, believes that the likelihood of any additional liability devolving on the Company (other than those already recorded) is not probable and there is no additional impact (including classification of attached assets as per the Hon'ble High Court order), requiring any adjustment in these standalone financial statements.

3 Arbitration Proceedings had been initiated by Larsen and Toubro Ltd (L&T) against the Company in relation to the supply and service contracts for Electrical Balance of Plant (EBOP) with respect to 5X270 MW Thermal Power Plant, Amravati. Preliminary hearing in respect of the matter was held on 08 June 2020 whereby schedule of the arbitration proceedings has been fixed by the Arbitral Tribunal (AT). Pleadings are complete in the matter. Present proceedings are adjourned sine die with liberty to the parties to have the same revived as and when considered appropriate vide AT's order dated 16 October 2021. Application for reviving the present proceedings has been filed by L&T, reply has been filed by the Company. Arguments on the application have concluded and the Tribunal has permitted the Petitioner in reviving the petition qua RPL. A fresh discovery application was filed by the Petitioner and reply filed by the Company. The parties have been directed to file their Affidavit of Evidence. The next dates of hearing in matter are 22, 23 and 28 August 2024.

4 Arbitration Proceedings had been initiated by Larsen and Toubro Ltd (L&T) against the Company in relation to supply and service contract with respect to the Coal Handling Plant (CHP) of 2x1600 TPH capacity for 5x270 MW TPP, Amravati. Preliminary hearing in respect of the matter was held on 17 June 2020 whereby schedule of the arbitration proceeding has been fixed by the Arbitral Tribunal. An Application for inspection and production of documents had been filed by Larsen and Toubro Ltd (L&T). Reply has also been filed and arguments have been heard. The Arbitral Tribunal Vide order dated 28 March 2022, had rejected all the contentions of Larsen and Toubro Ltd (L&T) except granting inspection of original invoices by Larsen and Toubro Ltd (L&T). Inspection of documents has been completed. Issues have been framed by the Tribunal and affidavit of evidence to be filed by the parties. The next date of hearing is to be intimated.

- 1 The Company had filed claim with Joint DGFT, Mumbai amounting to ₹ 3,979 lakh during the year 2010-11 and onwards on account of deemed drawback for the material supplies for the construction of power plant at Amravati. Out of this, an amount of ₹ 637 lakh was processed and order for refund was issued during the financial year 2010-11. The said order was later withdrawn by the Joint DGFT vide its order dated 07 April 2011 due to clarification given by policy interpretation committee in its meeting no -10 on 15 March 2011. The Company has filed a writ petition on 01 September 2017 before Hon'ble Bombay High Court for recovery of deemed drawback of ₹ 370 lakh which is under process. Also, an appeal had been filed on 12 July 2016 before Hon'ble Supreme Court for ₹ 3,609 lakh which is also under process for final hearing.
- 2 Directorate General of GST Intelligence, Mumbai issued show cause notice demanding Service-tax of ₹ 757.01 lakh on irrigation restoration charges paid to Water Resource Department of Maharashtra Government under reverse charge mechanism. Further the Principal Commissioner of Goods & Service Tax, Delhi had also confirmed above demand along with penalty vide its order dated 10 December 2020. Aggrieved of the above order, the Company had filed a writ petition before the Hon'ble Bombay High Court on 15 March 2021 and Court vide order dated 13 March 2023 has dismissed the petition and has allowed the Company to file appeal before Customs, Excise and Service Tax Appellate Tribunal. Subsequently, the Company has filed appeal before Tribunal on 10 April 2023, that is pending disposal.

The management basis inputs from experts has assessed that likelihood of any liability devolving upon the Company in respect of the above matters is not probable and accordingly, no adjustment is currently required in these standalone financial statements.

C. Claims filed by the Company :

- 1 The Company is supplying power to Maharashtra State Electricity Distribution Company Limited (MSEDCL) based on two power purchase agreements (PPAs) for supply of 1200 MW (450 MW + 750 MW respectively) of power for the period of 25 years. The PPAs were executed based on the fuel supply agreement (FSA) which provided that domestic coal linkages would be available to meet the fuel requirements. However, adequate coal supply was not made available which adversely impacted cost as Company had to source fuel from alternate sources to meet the shortfall of coal supplied under FSA with coal supplier. The Cabinet Committee of Economic Affairs (CCEA) approved mechanism where after Ministry of Coal amended the National Coal Distribution Policy (NCDP) and communicated its decision to allow pass through of the incremental cost of procuring coal from alternative sources to meet the shortfall in supply of domestic coal under coal linkage.

The Company filed a petition before Maharashtra Electricity Regulatory Commission ('MERC' or 'the Commission') in year 2013 for realizing the shortfall in supply under NCDP. MERC vide its Order on 15 July 2014 and 20 August 2014 laid down methodology to recover compensatory fuel charges.

On 28 August 2014, the Company filed a review petition before MERC against the Orders dated 15 July 2014 as well as Order dated 20 August 2014 and MSEDCL further filed review petition against the Orders of MERC dated 20 August 2014. The review petition filed by MSEDCL got dismissed vide Order dated 16 July 2015 and the review petition filed by the Company also got dismissed vide Order dated 30 October 2015.

As at the balance sheet date, the Company has accounted such claims in the books of accounts aggregating to ₹ 30,890.74 lakh and related carrying cost & late payment surcharge thereon.

The Company then filed appeals before Appellate Tribunal for Electricity (APTEL) against Orders dated 15 July 2014, 20 August 2014 and 30 October 2015. The said appeals were disposed off by the Hon'ble Tribunal on 4 May 2017, remanding the matters to MERC for fresh adjudication in the light of the direction of the Hon'ble Supreme Court in case of Energy Watchdog and Ors. v/s CERC and Ors. dated 11 April 2017. MERC heard the matter and passed the orders on 03.04.2018 providing a mechanism for computation of the compensation amounts. The Company filed an appeal before the Hon'ble APTEL vide appeal no. 264 of 2018 against the Ld. MERC order dated 03 April 2018. The appeal was disposed off vide

order dated 13.11.2020 in which prayer of the Company was allowed and matter was remanded to Ld. MERC for computation.

Subsequently, the Company had filed remand petition vide Case No. 240 of 2020 before Ld. MERC. Also, aggrieved by the APTEL Order No. 264 of 2018 dated 13.11.2020, MSEDCL preferred a Civil Appeal No. 1805 of 2021 on 12.03.2021 in the Hon'ble Supreme Court of India.

MERC pronounced the order on 16.11.2021 in Case No. 240 of 2020 directing RPL to submit Supplementary invoice after making changes as suggested in the order and MSEDCL to make the payment within due date. Accordingly, the Company recomputed its Change in Law claims and submitted Supplementary invoice to MSEDCL. Aggrieved by MERC Order dated 16.11.2022, RPL filed an appeal vide Appeal No. 216 of 2023 in APTEL to set aside Order passed by MERC in case no 240 of 2020RPL has also filed Interim Application in Case No 240/2021 vide 153/MP/2021 praying MERC for directing MSEDCL to release 75% payment as interim measure, which was also dismissed by MERC stating matter is sub-judiced in Hon'ble Supreme Court in Civil Appeal No. 1805/2021 and directed to follow Hon'ble Supreme Court Order. Hon'ble Supreme Court vide its hearing dated 14.02.2022 directed MSEDCL to pay 50% of total claimed amount. The matter was listed before the Hon'ble Supreme Court and written submissions were filed. The matter was referred to the Hon'ble Chief Justice's court and thereafter tagged with case (C.A.No.4143/2020). The Supreme Court vide order dated 27 March 2023 in Civil Appeal No. 1805/2021 disposed off the appeal filed by MSEDCL.

- 2 There has been an increase in cost of power generation owing to increase in various statutory taxes, duties, levies, cess, surcharge etc. Based on various judgement from CERC involving similar situations, management had concluded that these charges are recoverable from MSEDCL under "Change in Law" clause of PPA. The Company filed a petition with MERC on 15 June 2016 claiming approval of additional components of costs under change in law. MERC had issued order dated 5 April 2018 in this respect. The Company has filed an appeal vide Appeal No. 263 of 2018 against the order dated 05 April 2018 before the Hon'ble Appellate Tribunal for Electricity ("APTEL") on 06 June 2018. APTEL had remanded the matter to Hon'ble Commission for quantification of amount payable to generator and pass consequential Order. MERC vide order dated 06 February 2023 has partly allowed the petition of the Company. Aggrieved by the said order, MSEDCL has filed a Review Petition before the MERC which was dismissed on 20 February 2024. An appeal has also been filed by the Company against the order dated 06 February 2023 before APTEL, wherein vide order dated 06 October 2023 APTEL has partially allowed the appeal of the Company and remanded the matter to MERC for fresh adjudication. Aggrieved by the said order, the Company has preferred a Civil Appeal before the Hon'ble Supreme Court (Civil Appeal No. 8232 of 2023) challenging the order of APTEL dated 06 October 2023. In the hearing held on 27 February 2024 before the Registrar Court of the Hon'ble Supreme Court, Ld. Registrar granted 4 weeks' time to MSEDCL for filing of counter affidavit. MSEDCL filed its reply on 05 March 2024. Rejoinder to be filed by RPL. The matter is listed for hearing on 22 July 2024.
- 3 The Company operates a 1350 MW (5x270 MW) coal based power plant located at Nandgaonpeth, Amravati district in the state of Maharashtra. At the time of commissioning, the performance guarantee test conducted by BHEL noted that the maximum generation at rated capacity was upto 277.8MW (in non VVO mode), which corresponds to ex-bus capacity upto 252 MW. This was further corroborated by the CPRI report. In view of above, the Company requested MSLDC to increase the ex-bus export capacity for all five units from 252MW to 258 MW, however MSLDC rejected the Company's request, accordingly the Company filed petition vide Case No. 59 of 2018 before the Ld. MERC under Sections 32, 33 and 86 of The Electricity Act, 2003 read with the Maharashtra Electricity Regulatory Commission (State Grid Code) Regulations, 2006. The matter was heard by MERC on 3 October 2018 and had reserved its order. The Ld. MERC has dismissed the Case No. 59 of 2018 vide Order dated 23 October 2018. RPL has preferred an appeal against the impugned order of the Ld. MERC before the Hon'ble Appellate Tribunal of Electricity vide Appeal No. 35 of 2019. Appeal has been admitted by the Hon'ble APTEL and pleadings have to be completed. Subsequently, RPL has filed application for seeking directions against BHEL for conducting Performance Test. The Hon'ble Tribunal vide order dated 18 December 2019 directed BHEL to give test report. However, BHEL has filed review petition against the said order vide RP 04 of 2020. The APTEL vide order dated 01 September 2023 condoned the delay in filing the reply and rejoinder in the matter. APTEL further allowed BHEL's Review Petition inter alia on the grounds that Order dated 18.12.2019 was passed in violation of the principles of natural justice. APTEL directed that Appeal No. 35 of 2019 filed by RPL, which is in the list of finals in Court 2 and would be taken up in its own turn. The next date of hearing is to be intimated
- 4 Due to low dispatch of power schedule by MSEDCL, SECL had imposed penalty on account of non-procurement of minimum quantity of fuel by Company under the FSA. The Company had filed a petition vide Case No. 146 of 2018 before the Ld. MERC under Section 86 of the Electricity Act, 2003 seeking compensation from MSEDCL for penalty of

- ₹ 3,976.79 lakhs in accordance with Clause 4.5 of Schedule 4 of the PPA between the Company and MSEDCL. The Ld. MERC heard the matter on 3 October 2018 and had reserved its order. The Ld. MERC disposed off the matter vide order dated 23 October 2018. RPL has filed an appeal before the Appellate Tribunal of Electricity vide Appeal No. 41 of 2019. APTEL vide order dated 06 February 2024 had allowed to recover the penalty from MSEDCL amounting to ₹ 39.77 Cr imposed by SECL for Short lifting of FSA Coal along with interest. Company has also filed an Application before the Hon'ble APTEL seeking clarification from the Hon'ble APTEL for payment of late payment surcharge on above amount as per the terms of PPA instead of Carrying Cost. Hon'ble APTEL granted four weeks' time to MSEDCL to file reply. MSEDCL filed the reply on 01 April 2024. Company is in the process of filing the rejoinder. Matter is listed to be heard on 12 July 2024.
- 5 The Company has filed an Appeal no. 118 of 2021 before Hon'ble Appellate Tribunal (APTEL) challenging the Order passed by Hon'ble Ld. Maharashtra Electricity Regulatory Commission ("MERC") wherein Ld. MERC held that levy of Evacuation Facility Charges levied by Coal India Limited does not constitute Change in Law event. Matter has been heard and APTEL vide its Order on 22 March 2022 directed MERC to determine the amount payable to the Company along with Carrying Cost to be calculated at LPS rate. MERC needs to pass fresh order considering APTEL direction within 2 months thereafter. The Company vide 76/MP/2022 filed case in MERC seeking direction from MERC to direct MSEDCL to release amount in accordance with APTEL Order dated 22 March 2022. MERC vide its Order dated 08 July 2022 directed MSEDCL to immediately pay undisputed amount as per provisions of PPA. MSEDCL has filed an appeal before the Hon'ble Supreme Court being CA 4089/2022 challenging APTEL's Order dated 22 March 2022 in App No. 118 of 2021 allowing levy of Evacuation Facility Charges by Coal India Ltd. as a Change in Law event. The Supreme Court heard the matter at length and appeal has been dismissed. EFC has been allowed as Change in Law by the Supreme Court vide order dated 20 April 2023.
 - 6 The Company had filed an Appeal vide DFR 345/2021 before Appellate Tribunal of Electricity ("APTEL") under Section 111 of the Electricity Act, 2003 praying for setting aside the Order dated 28 July 2021 passed by Maharashtra Electricity Regulatory Commission ("MERC") in Case No 24 of 2017 insofar as the observation qua Company undertaking dated 05 April 2018. Pleadings are complete. The next date of hearing is to be intimated.
 - 7 The Company had filed Writ Petition before Delhi High Court for quashing or setting aside the four Notifications dated 08 December 2017 passed by Central Electricity Regulatory Commission (CERC). The CERC vide the Impugned Notifications, has amended/revised the escalation rates for domestic coal chargeable by generating companies with retrospective effect going back as far the year 2012 up to 2014. Based on these amendments, tariff applicable during the period got changed and there was financial impact on the generators having Power Purchase Agreements with Discoms through Case-1 bidding route. The matter is listed for hearing on 18 July 2024.
 - 8 MERC in Case No 26 of 2021 has passed an Order dated 11 October 2021 granting claim for Unit 1 along with LPS to the Company and rejecting claim towards Unit 4. MSEDCL has filed an appeal in APTEL vide DFR 429/2021 for stay on MERC Order in case No. 26 of 2021. Next date of hearing is to be intimated. Further the Company has filed an Appeal challenging the MERC Order in Case 26 of 2021 against rejection of claims towards Unit 4. During the hearing dated, the Hon'ble Tribunal was directed that Appeal No. 169 of 2023 filed by MERC in case of Unit 1 would be tagged with the APTEL Appeal No. 422 of 2022 (DFR 459/2021) filed by RPL in case of Unit 4.. The order has been reserved for 31 May 2024.
 - 9 The Company has filed an Appeal before Hon'ble Appellate Tribunal (APTEL) challenging the Order passed by Hon'ble Ld. Maharashtra Electricity Regulatory Commission ("MERC") wherein Ld. MERC had rejected the claim towards levy of Surface Transportation charges, Crushing /Sizing charges, Levy of Port Congestion Charges and expenses incurred towards fly ash transportation as Change in Law. Next date of hearing is yet to be notified.
 - 10 The Company had filed a petition before the Ld. Maharashtra State Electricity Regulatory Commission for compensation on account of mandatory use of washed coal by Company's Amravati Power Plant impacting revenues and costs related to procurement of coal by the Company. MERC had disallowed claims of the Company. An Appeal has been filed by the Company against MERC Order. The next date of the hearing is to be intimated.
 - 11 The Company has filed petition in MERC seeking compensation on account of "change in law" events pertaining to imposition of Forest Cess on coal lifted from Gevra Coal Mines and lifting of coal through RCR mode. MERC reserved the matter for order and granted 15 days' time to the parties to file the written submissions.
 - 12 Appeal No. 382 of 2022 (DFR 387/2022) has been filed by the Company against MERC order seeking the following relief:-
 - (a) Damages for Inordinate delay in making payments and default in complying with the material obligations under

the Power Purchase Agreements executed between the parties. On account of the said default, the Appellant could not procure coal and operate the power plant to its optimum capacity to recover the full Capacity Charges; and

- (b) Amounts deducted/short payments from Capacity Charges due to alleged over-injection during FY 2013-14 to July 2016. Next date of hearing to be notified.

The management basis inputs from legal experts has assessed that all the above are eligible claims as per terms of PPA entered with MSEDCL/ applicable regulations and the likelihood of favourable outcome in all the above matters is virtually certain.

D. Other pending litigations:

- 1 The Company had taken a large risk insurance policy no 500300/11/14/06/00000170 for the period 01 June 2014 to 31 May 2015 for business interruption risk. The generator of unit -2 was damaged on 30 October 2014 and the Company informed United India Insurance Company Limited (UIICL) of the damage on 31 October 2014. During the period from November 2014 to December 2017, despite complete cooperation by the company, the surveyor kept delaying the claim by asking for irrelevant documents and information. Vide letter dated 15 February 2018, UIICL repudiated the insurance claim. Through a detailed letter dated 11 June 2018, the Company strongly protested to UIICL against the wrongful repudiation of its claim, but to no avail.

On 04 October 2018, a complaint was filed by the Company against UIICL & another before National Consumer Disputes Redressal Commission, praying that-

- i) UIICL be held deficient in providing services to the Company and the repudiation of the claim be held as invalid as it was without any basis.
- ii) The claim amount along with Interest be paid to the Company, and it should also be compensated for harassment and mental agony as well as for the litigation costs.

Pleadings are complete in this matter. Respondent has to file the Affidavit of Evidence. An early hearing application was moved by the Company. with its meritorious defences, the ultimate disposition in these matters will not have material adverse effect on these standalone financial statements.

E Others

The Company has provided commitment bank guarantees of ₹ 24,878.68 lakhs (31 March 2023 : ₹ 24,719.78 lakhs) which are secured by pledge on its fixed deposits of ₹ 12,441.84 lakhs (31 March 2023 : ₹ 5,195.30 lakhs) as margin for issuance of bank guarantees.

- 34** The Water Resource Department of the Government of Maharashtra ('WRD' or "Respondent") vide their letter dated 29 January 2013 had raised a demand of ₹ 23,218 lakhs on the Company for payment of irrigation restoration charges (IRC) at the rate of ₹ 1 lakh per hectare as per Government Resolution (GR) dated 6 March 2009, which was contrary to the Water Resources Department, Government of Maharashtra's circular dated 21 February 2004 that stated the rate to be ₹ 0.50 lakh per hectare. The Company had paid ₹ 11,657 lakh (calculated at ₹ 0.50 lakh per hectare) and had filed a Writ Petition before the Hon'ble Bombay High Court on 13 February 2013, challenging the validity of demand so raised by WRD. The Mumbai bench of Hon'ble Bombay High Court vide its order dated 3 August 2015 transferred the matter to Nagpur Bench. The Nagpur Bench vide its order dated 5 May 2016 had partly allowed the petition and held that demand at revised rate i.e. as per GR dated 6 March 2009 was illegal and unsustainable. As per Nagpur Bench order, the rate prescribed in the GR dated 6 March 2009 was applicable prospectively from 1 April 2009 and was not applicable in Company's case since the water allocation had already been finalized on 12 December 2007.

Pursuant to above order, Maharashtra State Government had filed a Special Leave Petition ("SLP") before the Hon'ble Supreme Court of India (SC). The Hon'ble SC vide its order dated 13 January 2023 set aside the order of Bombay High Court holding that the Company is liable to pay IRC at rate of ₹ 1 lakh/hectare. Aggrieved of the SC order, the Company had filed a review petition before the SC bench on 12 February 2023, that has been dismissed by the Hon'ble SC vide order dated 10 August 2023. Consequently, during the year, the management had assessed and accounted for the financial impact of the aforesaid matter in these standalone financial statements, as per applicable Indian Accounting Standards and believes no further adjustment is necessary.

- 35** Estimated amount of contracts remaining to be executed on account of capital and other commitments towards the project not provided for: ₹ 17,486.58 lakhs (31 March 2023: ₹ 31,201.30 lakhs) – advances made there against ₹ 308.83 lakhs (31 March 2023: ₹ 135.51 lakhs).
- 36** (i) The Code on Social Security, 2020 ('Code') has been notified in the Official Gazette of India on 29 September 2020, which could impact the contributions of the Company towards certain employment benefits. Effective date from which changes are applicable is yet to be notified and the rules are yet to be framed. Impact, if any, of change will be assessed and accounted for in the period of notification of relevant provisions.
- (ii) In respect of amounts as mentioned under Section 125 of the Companies Act, 2013, there were no dues required to be credited to the Investor Education and Protection Fund as at 31 March 2024 and 31 March 2023.

37 Employee benefits

40 Financial instruments

i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Financial assets and liabilities measured at fair value - recurring fair value measurements

Financial assets			
Investments at FVTPL			
Investments in Mutual funds	Level 2	-	799.13
Total financial assets		-	799.13

(iii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values (Refer note 40(i)).

(iv) Valuation process and technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

(a) Mutual funds: Use of NAV's obtained from the asset manager.

Trade receivables (ii)	206,426.31	249,195.03
Cash and cash equivalents (iii)	12,074.65	17,853.71
Other bank balances (iii)	53,557.77	11,975.50
Other financial assets (i)	1,418.39	1,862.09

The Company continuously monitors defaults of customers and other counterparties, and incorporates this information into its credit risk controls. The Company's policy is to deal only with creditworthy counterparties.

The Company's management considers that all of the above financial assets are not impaired and/ or past due for each of the above assets reporting dates under review are of good credit quality.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an on-going basis throughout each reporting period. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due. A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

- (i) The Company's management considers assets other than trade receivables, which are 30 days past due and analyses facts and circumstances surrounding each such defaults separately. If the facts indicate a probability of loss of value, the asset's then expected cash flows are plotted in present value based impairment model to determine the amount of impairment loss. Amounts are written off only in the following circumstances: a) no probable legal recourse is available for recovery, b) the counterparty is bankrupt, c) the cost of recovery is more than the amount or d) after all possible efforts the Company is unable to recover amounts after a period of 3 years.

Similarly, substantial part of Company's financial assets, other than trade receivables are recoverable from Company's subsidiaries, which the management of the Company believes are not credit impaired and there are no 12 month expected credit losses that are required to be recognised, other than those already assessed and recorded.

- (ii) The Company has no such assets where credit losses have been recognised as none of the assets are credit impaired. Company's trade receivables are only with a single, government owned counter party and to be recovered under the power purchase agreement and also have interest clause on delayed payments. Therefore, these trade receivables are considered high quality and accordingly no life time expected credit losses are recognised on such receivables based on simplified approach.
- (iii) The credit risk for cash and cash equivalents and other bank balances is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

42 Capital management

The Company's capital management objectives are

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

The amounts managed as capital by the Company for the reporting periods under review are summarised as follows:

Particulars	31 March 2024	31 March 2023
Long-term borrowings	309,937.67	255,390.64
Short-term borrowings	43,806.15	129,495.45

Net debts	308,508.20	384,030.57
Total equity (i)	458,021.74	560,804.76
Net debt to equity ratio	67.36%	68.48%

(i) Debt is defined as Non-current borrowings including current maturities and lease liabilities less liquid fund.

(ii) Equity is defined as Equity share capital, securities and other equity including reserves and surplus.

The Company believes that it will be able to meet all its current liabilities and interest obligations in a timely manner.

The Company's capital management ensures that it meets financial covenants attached to the interest bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to levy penal interest as per terms of sanction. There have been no breaches in the financial covenants of any interest bearing loans and borrowings in the current year. No changes were made in the objectives, policies or processes for managing capital by the Company during the year ended 31 March 2024 and 31 March 2023.

50 The Chief Operating Decision Maker (“CODM”) reviews the operations at the Company level. The operations of the Company fall under the “power generation and allied activities” business only, which is considered to be the only reportable segment in accordance with the provisions of Ind AS 108 – Operating Segments.

Revenue of ₹ 335,580.94 lakhs (31 March 2023: ₹ 323,116.35 lakhs) are derived from a single external customer and the Company operates in one geography.

51 Leases disclosure

The Company has entered into a Power Purchase Agreement with MSEDCL (Lessee) for the supply of electricity for a term of 25 years, which has been considered as an embedded lease arrangement for the Company’s power plant. Such lease is classified as operating lease, and as such the revenue is recognized on straight line basis. Considering that the capacity charges per unit is higher in the initial years, there is a negative impact to P&L on account of straight lining. Accordingly, capacity charges charged by the Company are treated as lease rentals. The minimum lease payments under non-cancellable operating leases to be charged by the Company are as follows:

Minimum lease rentals receivables	31 March 2024	31 March 2023
Within one year	68,801.04	69,437.52
One to five years	275,392.66	275,839.42

Total	1,111.23	1,168.57

At 31 March 2024, the Company has not committed to leases which had not commenced.

The Company has elected not to recognise a lease liability for short term leases (leases of expected term of 12 months or less) or for leases of low value assets. Payments made under such leases are expensed on a straight-line basis. In addition, certain variable lease payments are not permitted to be recognised as lease liabilities and are expensed as incurred.

- 52 The Company held non-current investment of ₹ 43,277.11 lakhs in, and loan under non-current financial assets of ₹ 12,258.05 lakhs recoverable from Bracond Limited, a wholly-owned overseas subsidiary of the Company. Bracond Limited had further invested in two wholly-owned subsidiaries namely Renemark Limited and Genoformus Limited who had given advances to non-related parties for business purposes. The management had undertaken assessment of recoverability and had created provision of these financial assets wherever necessary, in earlier years.

During the current year, the Company's overseas subsidiary company- Bracond Limited and step- down subsidiary companies- Genoformus Limited and Renemark Limited, have been dissolved effective 27 March 2024, as certified by Department of Insolvency, Ministry of Energy, Commerce and Industry, Cyprus.

- 53 In light of the ratio laid down by the Hon'ble Supreme Court in Civil Appeal No 5399-5400 of 2016 in the matter of Energy Watchdog vs CERC vide judgment dated 11 April 2017 followed by judgment dated 13 November 2020 of Appellate Tribunal for Electricity (APTEL) and order dated 16 November 2021 of MERC, RPL has recomputed its Change in Law claims and has raised supplementary invoice on MSEDCL, as directed by MERC. Subsequently, vide interim Order dated 14 February 2022, the Hon'ble Supreme Court directed MSEDCL to pay 50% of the outstanding claim amount till the time the matter attains finality. Further, on 27 March 2023, the Hon'ble Supreme Court dismissed the civil appeal 1805/2021 filed by MSEDCL. Accordingly, MSEDCL has paid ₹ 87,684 lakhs till date and is in the process of making the balance payment, in compliance with the aforesaid order. Hence, it would not be unreasonable to expect the realization of the amount of compensation along with interest recorded in the books of account, in relation to the aforesaid developments.

(All amount in ₹ Lakhs, unless otherwise stated)

- 55 The Company had non-current investment of ₹ 121,181.77 lakhs (net of impairment provision of ₹ 181,439.79 lakhs) and loans under 'current financial assets' of ₹ 3,332.64 lakhs (net of impairment provision of ₹ 4,334.02 lakhs) recoverable from Sinnar Thermal Power Limited ('STPL'), an erstwhile wholly-owned subsidiary company upto 18 January 2024. All 5 units of STPL relating to power generation projects had been commissioned, but were yet to commence commercial operations, pending the execution of Power Purchase Agreement ("PPA") for offtake of power. The matter related to execution of PPA with Maharashtra State Electricity Distribution Company Limited ("MSEDCL") had been in dispute wherein STPL had filed a petition before Maharashtra Electricity Regulatory Commission (MERC) for adjudication of the dispute, however, the petition was withdrawn pursuant to the observation of MERC that STPL may reapproach MERC after securing firm and unconditional commitment from Lenders for providing working capital/ bank guarantees required for executing the PPA. In view of acute power shortage faced by the country during the recent past, the Ministry of Power had identified certain power plants, including that of STPL, that are commissioned and preserved in a condition that they can be brought into operation within few months' notices. In this context, STPL had been directed to make plant operational and endeavor to start power generation from 2 out of its 5 units at the earliest possible. STPL had been in discussions with various stake holders to ensure that the plant could be started at the earliest possible and to ensure steps are taken for the long- term resolution.

During the previous year, the Hon'ble National Company Law Tribunal, New Delhi (the 'NCLT') vide order dated 19 September 2022, had admitted an application for insolvency filed by an operational creditor against STPL and had initiated Corporate Insolvency Resolution Process ('CIRP') under the Insolvency and Bankruptcy Code, 2016 ('IBC'). Subsequently, the Hon'ble National Company Law Appellate Tribunal ('NCLAT') vide its order dated 26 September 2022 in response to the appeal filed against the NCLT order, had directed the Interim Resolution Professional ('the IRP') to abstain from taking any steps and had allowed STPL to participate further with the Ministry of Power in continuation of the earlier meetings/ discussions for making the plant operational. During last few months, while the STPL's management had been actively engaging with the lenders for restructuring of overdue debts and for reaching consensus on alternate options post the non-acceptance of the earlier financial proposal made by STPL management, the Hon'ble NCLAT vide Order dated 19 January 2024 has dismissed STPL's appeal. Pursuant to the dismissal of appeal, Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code 2016 ('IBC') were reinitiated. In accordance with the provisions of IBC, the powers of the Board of Directors of STPL stand suspended and the management of STPL presently vests with the Resolution Professional ('RP') appointed under the provisions of IBC. Accordingly, STPL has ceased to be a subsidiary of the Company with effect from 19 January 2024.

In view of uncertainties associated with the outcome of CIRP and as a matter of prudence, the Company has recorded full impairment of its investment [Gross investment amount: ₹ 302,621.55 lakhs; impairment provision already recorded in earlier years: ₹ 181,439.79 lakhs; Balance impairment recorded during the current year: ₹ 121,181.76 lakhs] in and write off of loans extended to STPL [Gross amount of loans extended: ₹ 8,181.69 lakhs; impairment provision already recorded in earlier years: ₹ 4,849.05 lakhs; balance loss recorded during the current year: ₹ 3,332.64 lakhs], resulting in accounting for aggregate impairment/ write off expense of ₹ 124,514.40 lakhs during the current year, that has been presented as an exceptional item in these standalone financial statements.

- 56 Revenue from operations on account of Change in Law events in terms of PPA is accounted for by the Company based on the best estimates, favourable and covered orders of regulatory authorities in some cases which may be subject to adjustments on account of final orders of respective authorities, that are not expected to have material impact on these standalone financial statements.
